# Report on Cost of Property Tax Exemption for 100 Percent Disabled Veterans

December 2022

## Overview

The General Appropriations Act for the 2022-2023 biennium (GAA) directs the Comptroller's office to conduct a study to determine the amount of property tax revenue lost by certain taxing units in the 2021 tax year as the result of appraisal districts granting the property tax exemption required by Tax Code Section 11.131.

Tax Code Section 11.131 entitles a disabled veteran who is awarded 100 percent disability compensation due to a service-connected disability and a rating of 100 percent disabled or of individual unemployability to a total exemption on the veteran's residence homestead appraised value.

This exemption extends to a surviving spouse who was married to a disabled veteran who qualified or would have qualified for this exemption if it was or would have been in effect at the time of the veteran's death provided:

- the surviving spouse has not remarried;
- the property was the residence homestead of the surviving spouse when the veteran died; and
- the property remains the residence homestead of the surviving spouse.

This report estimates the amount of property tax revenue lost in 2021 by the following taxing units:

- each county containing a U.S. military installation:
- each county adjacent to a county containing a U.S. military installation:
- each city located in either type of those counties: and
- all cities and counties.

## Methodology

The Comptroller's office utilized data from the Texas Military Preparedness Commission and the U.S. Department of Defense to populate a list of and locations for military installations in the state of Texas. When a county contains a U.S. military installation and is also adjacent to a county containing a different U.S. military installation, the county is only accounted for the installation it contains. The county data is not repeated as an adjacent county. For example, Galveston County, Brazoria County and associated cities would qualify as adjacent to Harris County (Ellington) but are only tallied as counties containing installations.

To determine the property tax revenue lost, the GAA instructs the Comptroller's office to multiply the county or city, as applicable, adopted tax rate for the 2021 tax year by the total appraised value of all property located in the county or city, as applicable, that received the exemption for that tax year. The Comptroller's office used data collected from appraisal districts for purposes of the *School District Property Value Study*, conducted under Government Code Section 403.302, to identify tax rates and appraised values for each county or city. This self-reported data was used to estimate property tax revenue impacts to the local taxing units.

The information is as reported to the Comptroller's office, may or may not contain reporting errors and will differ from local information as appraisal roll information changes subsequent to submission to the Comptroller's office.

**Counties and Municipalities Included in This Report**

The Comptroller’s office lists 20 U.S. military installations as the basis for this report. **Exhibit 1** identifies the county for each installation and the counties adjacent to that county.

Based on exemption data provided by appraisal districts, the estimated levy loss to all cities and counties from the exemption required under Tax Code Section 11.131 was \$212.4 million in 2021, up from \$176.5 million, or 20.3 percent in 2020. \$186.2 million, or 87.6 percent of estimated levy loss is experienced in counties where military installations are located, counties adjacent to a county with a military installation, and cities located in either of those type of counties.

As shown in the **Exhibit 2**, counties containing a U.S. military installation provided 63,999 homestead exemptions under Tax Code Section 11.131, exempting just over \$15.3 billion in appraised value. The estimated property tax levy lost by those counties due to this exemption is \$51.8 million in 2021. Counties adjacent to those counties granted nearly 38,000 homestead exemptions under Tax Code Section 11.131, exempting \$9.9 billion in appraised value. The estimated levy lost by adjacent counties is \$37 million.

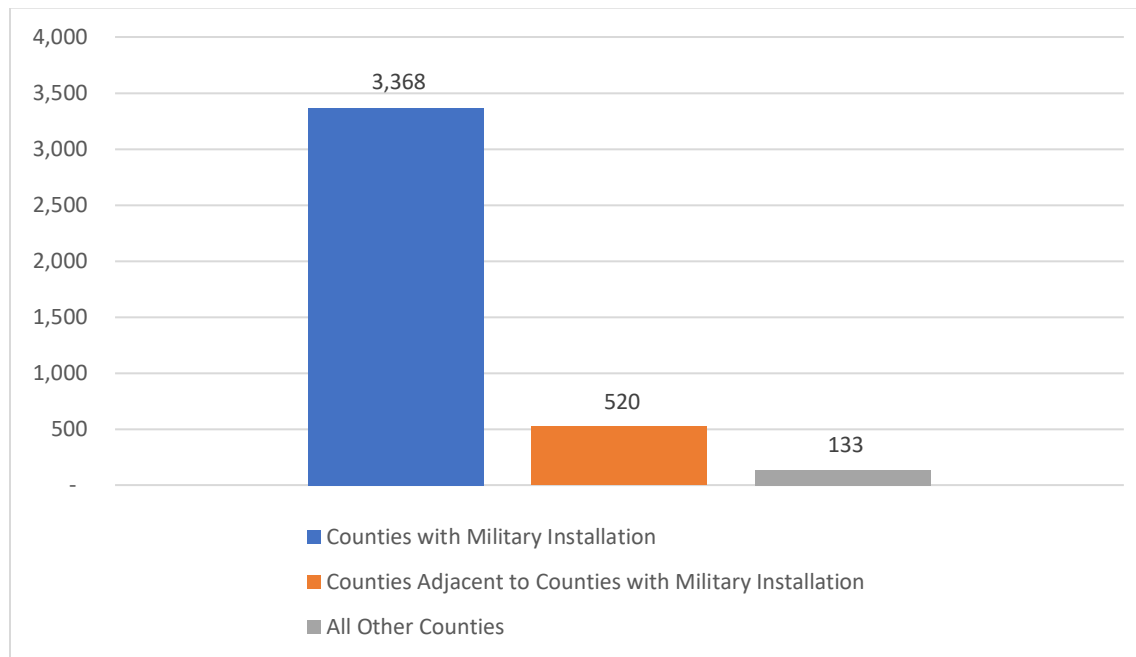

Also shown in **Exhibit 2**, cities in counties where a U.S. military installation is located granted 53,281 exemptions and exempted \$12.2 billion in appraised value, for an estimated property tax levy loss of \$74.7 million. Cities in counties adjacent to a county where an installation is located granted 17,038 exemptions and exempted \$4.1 billion in appraised value, for an estimated property tax levy loss of \$22.7 million.

**Exhibit 2**  
**Summary of 2021 Exemptions and Estimated Levy Loss under Tax Code Section 11.131**

**Exhibit 3** compares the 2021 average number of exemptions granted under Tax Code Section 11.131 per county with a military installation, county adjacent to a county with a military installation and all other counties. On average, a county with a U.S. military installation granted significantly more property tax exemptions for 100 percent disabled veterans and their surviving spouses than all other counties, including counties adjacent to counties with military installations.

**Exhibit 4** presents estimated 2021 property tax levy loss information grouped by military installation. This includes an estimate for the property tax levy lost in the county in which the installation is located, the counties adjacent to that county, the cities in the county in which the installation is located and the cities in the counties adjacent to that county.

\* Galveston County, Brazoria County and associated cities would qualify as adjacent to Harris (Ellington) but are only counted in this chart once with the corresponding Coast Guard Stations located in each (San Luis Pass and Velasco).

**Exhibits 5 and 6** provide detailed 2021 information on the counties containing military installations and the counties adjacent to these counties, respectively. This includes the number of exemptions, appraised value lost to the exemptions, total property tax rate and a calculated levy lost for both Tax Code Section 11.131(b), related to the homestead exemption for 100 percent disabled or unemployable veterans, and Tax Code Section 11.131(c), related to the homestead exemption for the surviving spouse of a 100 percent disabled veteran.
