Instructions for Completing the Texas Annual Insurance Premium Tax Report

(Licensed Insurance Companies and Miscellaneous Organizations)

Chapters 221, 222, 223 and 224, Texas Insurance Code (TIC), provide for the collection of an annual premium tax on gross premiums from Jan. 1 through Dec. 31. All licensed insurance companies, including reinsurers and HMOs, must file this report. Reinsurance Companies must file a zero report if they do not have any direct written premiums during the taxable year on property or risk located in Texas. **The report and any additional payment are due on March 1 of each year for the preceding tax year or on the due date of your Annual Statement filed with the Texas Department of Insurance (TDI).**

NOTE: When completing tax reports using National Association of Insurance Commissioners (NAIC) information, any reported information must be complete and consistent with Texas tax statutes and rule requirements.

Specific Instructions

SECTION I: Life Insurance Premiums and Health Maintenance Organization (HMO) Revenues (TIC, Chapter 222)

Item 1 Gross life premiums or HMO revenues - Enter the gross amount of life insurance premiums, membership fees, assessments, dues and other considerations received during the year for policies or contracts covering persons located in Texas; OR the gross amount of HMO revenues collected during the year for the issuance of HMO certificates or contracts covering individuals or groups located in Texas. The primary HMO is responsible for the tax on revenues when the HMO arranges for health care services directly or indirectly through contracts and subcontracts with other providers and physicians. Premiums and revenues received from the State Treasury for insurance coverage on Medicaid and the Children's Health Insurance Program (CHIP) are subject to premium tax.

Item 2 Non-taxable premiums - Enter the total non-taxable life premiums or the total non-taxable HMO revenues from the appropriate column of the *Computation of Non-Taxable Insurance Premiums* worksheet (Form 25-205), Item 14, Column A or B.

Item 6 & Item 9 If the tax due is less than zero, enter the negative number.

SECTION II: Accident and Health Insurance Premiums (TIC, Chapter 222)

Both title agents and title insurers are subject to the premium receipts tax; however, the state of Texas facilitates the collection of the premium tax on the premium retained by the agent by setting the division of the premium between insurer and agent so that the insurer receives

Item 17 the premium tax due on the agent's portion of the premium and (cont.) remits it to the state.

Item 18 Non-taxable premiums - Enter the total non-taxable property and casualty premiums from the *Computation of Non-Taxable Insurance Premiums* worksheet (Form 25-205), Item 14, Column D.

Item 20 Tax rate - Property and Casualty insurers use 1.6% or 0.016. Reciprocal and Interinsurance Exchange use 1.7% or 0.017, unless the insurer has filed an election to be taxed as a property and casualty insurer as provided in Chapter 224, TIC. Title insurers use 1.35% or .0135.
