

FEES SCHEDULE — GENERAL REVENUE-RELATED FUNDS

Fiscal 2018–2019

The Fees Schedule is published per Section 403.0145, Government Code. It includes fee revenue considered available for general governmental purposes and accordingly considered available for the purpose of certification under Section 403.121.

The Fees Schedule provides a detailed breakout of General Revenue-Related revenues and balances supporting amounts available for certification. Amounts in the Fee Schedules relate back to Table A-1 in the Biennial Revenue Estimate, which provides the Estimated Ending Certification Balance. All General Revenue-Related amounts are available for general governmental purposes. Therefore, only balances and revenues are considered when determining total amounts available for certification.
