

Residential Buildings Energy Conservation Design Standard Compliance Certification

Form# 50-810

The purpose of this document is for state agencies and institutions of higher education to provide certification to SECO in accordance with 4 Tex. Gov't Code § 447.004(e)(2) and (f)(2).

<i>Name of Building/Facility</i>			
<i>Location of Building/Facility (Street Address)</i>	<i>City/State</i>	<i>Zip Code</i>	<i>County</i>
<i>Building Owner (Agency/Institution)</i>		<i>Telephone Number</i>	
<i>Mailing Address</i>	<i>City/State</i>	<i>Zip Code</i>	<i>County</i>
<i>Contact Person at Agency/Institution and Title</i>		<i>Email Address</i>	
<i>Architect/Engineering Firm</i>		<i>Telephone Number</i>	
<i>Mailing Address</i>	<i>City/State</i>	<i>Zip Code</i>	<i>County</i>
<i>Contact Person at Architect/Engineering Firm</i>		<i>Email Address</i>	

PROJECT DESCRIPTION

New Renovation Addition

Total Square Footage of Conditioned Space: _____

Provide a brief description of the project:

Indicate the method used to verify compliance and attach documentation:

Prescriptive Requirements (2015 IECC) Performance Requirements (2015 IECC) Energy Rating Index

If a software program is used, the following certification is required:

- I certify that the processes used within the software programs accurately determine compliance with the Texas building energy code requirements.
- This project complies with the economic feasibility of incorporating alternative energy and energy efficient architectural and engineering design evaluation requirements under 10 Tex. Gov't Code §§ 2166.401, 2166.403, 2166.408.

Having examined the Texas Design Standard for residential buildings, based on the 2015 IECC and being knowledgeable of provisions thereof, I do hereby notify the agency or institution listed above and the State Energy Conservation Office of the above described project and confirm, to the best of my professional ability, that the construction plans and specifications are in compliance with the provisions of the Standard in accordance with the 4 Tex. Gov't Code § 447.004(e)-(f).

Signature of Confirming Architect/Engineer
