

School District Report of Property Value – 2017

GENERAL INFORMATION: This form is to be completed and submitted to the Property Tax Assistance Division's (PTAD) Data Security and Analysis Team in connection with filing a self-report correction protest or a request for audit of a school district's taxable property values as reflected in a Property Value Study finding under Government Code Section 403.302. Please consult the Comptroller's rules regarding property tax administration, including title 34 of the Texas Administrative Code, Section 9.4308(h) regarding self-report correction protests and Section 9.103 regarding requests for audit.

This form is not complete unless:

- each individual value item on this report is filled out;
- the four reports (items 32-35) regarding value lost (with their attachments) are attached; and
- the required recapitulation (recap) of the school district's values (item 36) is provided.

The recap consists of one or more computer-generated summaries of appraisal and tax roll data that is generated from the same database system(s) used to submit appraisal roll and tax collection data to each taxing unit as required by statute, and reflects, as of the appropriate effective date, the values shown as a line item on this form.

If you have questions, call PTAD's Data Security and Analysis Team at 800-252-9121 (press 2 to access the menu and then press 2 again to contact the Data Security and Analysis Team).
