November 5, 2012

The Honorable Rick Perry
Governor
State of Texas
Capitol Building, Room 2S.1
Austin, Texas 78701

Dear Governor Perry:

We are pleased to announce the publication of the *Texas Annual Cash Report* for the fiscal year ended Aug. 31, 2012. This report presents the state's financial position and details revenues and expenditures on a cash basis as required by Texas Government Code Section 403.013.

The Consolidated General Revenue Fund ended the year with a cash balance in the state treasury of \$1.99 billion, a decrease of \$640 million, or 24.4 percent, from fiscal 2011. Contributing to this decrease was the net effect of a \$533 million increase in total net revenue and other sources and a \$1.9 billion increase in net expenditures and other transfers from the General Revenue Fund. The General Revenue Fund is appropriated to support general government expenditures.

Balances in Special Revenue and Trust Funds increased from \$19.9 billion in fiscal 2011 to \$30.3 billion in fiscal 2012, primarily due to the differences in the timing of the receipt of the Tax and Revenue Anticipation Notes in the two years. The Economic Stabilization Fund finished fiscal 2012 with \$6.1 billion, up \$1.1 billion, and the Unemployment Trust Fund ended fiscal 2012 at \$1.3 billion, up \$480 million from the end of fiscal 2011.

Net revenues for all funds excluding trust increased by \$376 million, or 0.4 percent, from fiscal 2011, to a total of \$94.7 billion in fiscal 2012. Tax collections totaling \$44.1 billion, accounted for the largest revenue category and the largest dollar increase in revenue, up \$5.2 billion, or 13.4 percent, from fiscal 2011. Federal income, the second largest revenue category, totaled \$32.9 billion, a decrease of \$5.5 billion, or 14.3 percent, from fiscal 2011.

Total net expenditures for all funds excluding trust decreased by \$1.3 billion, or 1.3 percent, from fiscal 2011, to a total of \$94.3 billion in fiscal 2012. The largest dollar spending decrease by governmental function was in General Government – Executive, which contracted by \$1.3 billion to a total of \$2.6 billion.

We hope this information is helpful. Please let us know if we can be of further assistance.

Sincerely,

Susan Combs

Acknowledgements

The 2012 Annual Cash Report was prepared by the Texas Comptroller of Public Accounts, Fiscal Analysis Section with assistance from other sections within the Fiscal Management Division.

Introduction

The *2012 Annual Cash Report* for the State of Texas is a cash-basis presentation of the state's financial condition at Aug. 31, 2012. The financial information is derived from the Uniform Statewide Accounting System, which is maintained by the State Comptroller's Office. Various table presentations for the financial information allow the reader to view the data from many perspectives.

The report shows revenue and expenditure details for all funds in the State Treasury. (The Office of the State Treasurer was combined with the State Comptroller on Sept. 1, 1996, per S.B. 20, S.J.R. 1, 74th Leg., R.S. The constitutional amendment authorizing the merge was passed on Nov. 7, 1995.) Revenue is reported in the period when cash is collected, and expenditures are reported in the period when cash disbursements are made. A small percentage of funds are held outside the State Treasury and are not included in the report.

The report includes summary and detail tables. Revenue presentation includes sources such as taxes and federal income as well as categories such as transportation and insurance. Expenditure information is shown by governmental functions (education, health and human services, etc.) and by categories (salaries, supplies, etc.). Additional information on

investments held by the state, aggregate cash balances and major taxes can be found in this report. Balances for petty, travel or imprest cash are shown by fund.

The report shows information for all funds maintained in the State Treasury. Each fund includes the following information:

- date of origin;
- administering agency;
- authorizing statute;
- revenues at the object code; and
- expenditures at the category level.

Timing differences may result in a variance between the Annual Cash Report, which is on a cash basis, and the Comprehensive Annual Financial Report, which is on an accrual basis. Net revenue is gross revenue less any discounts, allowances, refunds allowed by law, or any other negative revenue adjustments. Net expenditures are gross expenditures less any discounts, allowances, refunds, or any other negative expenditure adjustments. Negative amounts occurring within the expenditure or revenue sections of each fund may occur due to prior year corrections, refunds or transfers processed during the current year.

Review of the Texas Economy: One of the Healthiest State Economies

The Texas economy added 259,500 nonfarm jobs in fiscal 2012, expanding during the year at a slightly faster rate than in fiscal 2011. Employment in the state's private industries grew by a solid 3.2 percent during the year, while government employment (federal, state, and local) dropped by more than 1 percent. Total nonfarm employment grew during every month of the fiscal year, indicating stability in the state's economic growth.¹ Energy-based industries charged ahead in response to

¹ Unless otherwise stated, fiscal 2012 Texas employment figures in this article are based on the preliminary August 2012 employment estimates (Texas Workforce Commission (TWC), released September 21, 2012) as compared to TWC estimates for August 2011.

strong oil prices and construction employment also revived, while the information industry continued to experience job losses. During fiscal 2012, Texas passed the pre-recession nonfarm employment peak that was reached in the summer of 2008, replacing the number of jobs lost in 2008 and 2009, and adding 206,000 more. The post-recession recovery has been sluggish compared to past recoveries, but Texas accounted for more than 14 percent of the nation's jobs added during Texas' fiscal year. Total nonfarm employment in Texas totaled 10.85 million in August 2012, an increase of 2.5 percent from August 2011.

Texas had the third fastest rate of job growth among all 50 states in fiscal 2012.

Texas had the third fastest rate of job growth among all 50 states in fiscal 2012, exceeded only by the far less populous states of North Dakota and Oklahoma. Texas added more new jobs than any state except California, and had the lowest rate of unemployment among the 10 most populous states at the end of the fiscal year. This comparatively vibrant economic picture during a slow national recovery encouraged an influx of new residents into Texas. The state population grew by 202,500 from net migration alone during the year. Job growth exceeded the number of migrants and native entrants to the Texas labor force, so the unemployment rate fell from a fiscal 2011 average of 8.1 percent to 7.3 percent in fiscal 2012. Texas' unemployment rate fluctuated between 6.9 and 7.9 percent throughout the fiscal year, but continuously remained below the national jobless rate, which closed the year at 8.1 percent.

Taxable sales (as measured by state sales tax collections) increased by a robust 12.6 percent.

Consumer Spending Boosts the Economic Engine

Consumer spending is a major component of the health of the Texas economy. Spending dropped markedly in fiscal 2009 and 2010 before recovering in fiscal 2011 to grow by 9.4 percent. Fiscal 2012 was even better, with taxable sales (as measured by

state sales tax collections) increasing by a robust 12.6 percent. That consumer activity did not include the state taxes from automobile sales, which jumped by an extraordinary 19.5 percent during the year, following a 12.7 percent gain in fiscal 2011, as many older automobiles and trucks were replaced. Brisk oil and natural gas drilling and production activity, largely in the Permian Basin and Eagle Ford Shale regions, further lifted sales of equipment and vehicles.

Texas Industry Performance

Of the 11 major industries² of the Texas economy, all except information and government had net nonfarm employment growth during fiscal 2012. Goods-producing industries expanded by 4.3 percent, exceeding growth in service-providing industries for the second year, as services had a 2.1 percent annual growth rate. Goods-related industries were spurred by the strength of oil and natural gas exploration and the manufacturing of energy-related machinery and drilling rigs. Job growth occurred in mining and logging, construction, manufacturing, trade/transportation/utilities, financial activities, professional and business services, education and health services, leisure and hospitality, and other services. The information industry lost 2 percent of its jobs, primarily due to cuts in the telecommunications sector, but also from another year of job declines among businesses engaged in printing and publishing. Government, mostly due to a loss of jobs in state educational institutions, local school districts and the postal service, ended the year with a 1.1 percent employment loss. The industry that added the most jobs was trade, transportation and utilities, at 55,100 jobs, followed closely by professional and business services at 48,900. Professional and business services advanced mostly because of hiring by administrative and support services agencies providing temporary workers to companies deferring permanent hiring.

² These industries are defined as "supersectors" by the U.S. Bureau of Labor Statistics, but referred to as major industries in this section. They include Mining/Logging, Construction, Manufacturing, Trade/Transportation/Utilities, Information, Financial Activities, Professional and Business Services, Education and Health Services, Leisure and Hospitality, Other Services, and Government.

“Made in Texas” Manufacturing

After losing 130,000 jobs from June 2007 through December 2009, the Texas manufacturing industry has added back nearly 46,000 jobs, including 11,100 in fiscal 2012. The added fiscal 2012 jobs were mostly in the production and processing of durable equipment and machinery related to oil and natural gas drilling, but also included 3,500 jobs in the manufacturing of transportation equipment. Although there were several sectors in durable goods manufacturing that lost jobs, more than 5,000 Texas workers were added in machinery manufacturing, with even more (over 7,000) added in the fabricated metal products sector. Overall, durable goods manufacturing employment grew by 2.5 percent during the year. Weakness still grips the nondurable goods manufacturing sectors that are affected by outsourcing, productivity improvements and technological changes, with ongoing erosion in printing, paper and food processing. Nondurable manufacturing sectors in Texas lost 2,500 jobs (down 0.8 percent) during the year.

The value of Texas exports set a new record in fiscal 2012, reaching \$263 billion. Texas exports escalated by 8.7 percent during the year, and according to the World Institute for Strategic Economic Research (WISER), Texas is the nation’s leading exporting state, as it has been since 2002. Because of a surge in sales to North American Free Trade Agreement partners and throughout Latin America, the value of Texas exports have grown faster than the nation’s total exports. Texas exports now account for nearly 17 percent of the U.S. total, and they represent 19 percent of the state’s gross domestic product.

With Texas economic activity swelled by the demand for the products and services of the state’s energy industry, the economic value of Texas manufacturing increased in fiscal 2012, from an estimated \$190 billion in fiscal 2011 to \$196 billion in 2012³. Productivity improvements, and manufacturing em-

Texas exports have grown faster than the nation’s total exports. Texas exports now account for nearly 17 percent of the U.S. total, and they represent 19 percent of the state’s gross domestic product.

³ Based on estimates from the U.S. Bureau of Economic Analysis and the Texas Comptroller’s Office for recent quarters.

Exporting of Texas Manufactured Products from the Port of Houston

ployment growth of 1.3 percent, contributed to this increase. The state's manufacturing employment was estimated at 852,800 in August 2012, up from 841,700 in August 2011.

Once Again, Mining and Logging Grows the Fastest

The fastest growing major industry in Texas for the second consecutive year was mining and logging in fiscal 2012, propelled by the effects of firmer market prices and improved technology on oil and natural gas exploration. The number of operating oil and natural gas drilling rigs in the state increased by over 180 percent since its recent monthly average low of 329 in June 2009 to an average of over 900 rigs in the summer of 2012. The mining and logging industry reached record high employment levels in fiscal 2012, peaking at 263,500 in April. It still finished the year with 260,900 employees, up 9.0 percent from a year earlier compared to job growth of 2.3 percent in the remaining Texas industries. Two of the state's fastest growing metropolitan areas in fiscal 2012 were Odessa and Midland, each with an economy dominated by the Permian Basin's energy industry and averaging 4.7 percent job growth during the fiscal year.

Texas oil and gas remains four to five times greater than the share of oil and natural gas in the nation's economic mix.

Texas is the headquarters for many of the nation's oil and natural gas firms. Although the impact of oil and natural gas activity on Texas' economy has moderated over the past 30 years, its 17 percent share of the Texas gross product remains four to five times greater than the share of oil and natural gas in the nation's economic mix. As such, oil and natural gas sectors have helped Texas outperform the national economy during fiscal 2012, when energy prices have been relatively higher than average, even with the negative effect of these prices on the state's energy-consuming households and industries.

Construction Moves from Job Losses to 6.8 Percent Growth

After three years of losing employment, shedding 124,000 jobs from the pre-recession peak to the subsequent trough, the Texas construction industry recovered in fiscal 2012 to become the state's second fastest-growing industry. Texas construction employment bottomed in December 2011 and added 42,500 jobs since then, to post a growth rate of 6.8 percent from August 2011 to August 2012. Although residential construction remained muted in fiscal 2012, the industry benefited substantially from heavy and civil engineering construction projects, which accounted for nearly half (18,000) of the new Texas construction jobs. With job growth of 15.5 percent in this subsector during the year, it was the state's second fastest growing subsector, exceeded only by oil and natural gas extraction (17.4 percent). Utility system construction added 7,500 more jobs, tacking on 10.8 percent to its job count during the year, while 6,500 jobs were added in foundation, structures, and building exteriors. According to McGraw-Hill Construction, the total nonresidential building area (offices, fabrication facilities and warehouses) that was constructed in Texas in fiscal 2012 increased by 7.2 percent over the square footage built in fiscal 2011.

A positive sign for Texas construction is that the total number of single- and multi-family residential building permits in fiscal 2012, although remaining well behind its historical trends, was up by 36 percent over the count in fiscal 2011, increasing from 86,000 units in fiscal 2011 to nearly 118,000 in 2012. The

most rapid increase was in multi-family units, which soared from 27,000 to 47,000, while single-family units increased from 59,000 to 71,000. According to Multiple Listing Service data from the Texas A&M Real Estate Center, the median sale price for an existing Texas single-family home rose over 5 percent from \$153,000 in August 2011 to \$161,000 in August 2012. Without the growth in Texas construction jobs in fiscal 2012, the national construction industry would have seen another year of job declines, as the national increase of 17,000 construction jobs was less than Texas’ gain of 37,900 jobs, a solid 6.8 percent rate of growth. Statewide construction employment totaled 597,200 in August 2012.

Service-Providing Industries Continue Steady Growth

Texas’ service-providing industries, which account for more than 84 percent of the state’s total nonfarm employment, had job growth of 2.1 percent in fiscal 2012, following annual increases of 1.7 and 2.0 percent in fiscal 2010 and 2011, respectively. Services again underperformed the goods-producing industries in the rate of job growth, but still accounted for 73 percent of the jobs added during the

year. Six of the eight service-providing industries had job expansions, with losses only in information and government. Over the past 20 years, the average annual growth in service-providing jobs was 2.2 percent, so the growth in 2012 almost matched its historical average.

The Professional and Business Services Industry Tops Services Again

The professional and business services industry, often the state’s job growth leader, was once again the fastest-growing service-providing industry in fiscal 2012. This industry, which makes up about 13 percent of the state’s nonfarm employment, accounted for nearly 19 percent of the state’s employment growth. Industry job growth was a solid 3.6 percent for the year, with a net gain of 48,900 jobs.

Employment changes varied considerably among sectors of this industry, with particularly large increases in accounting jobs (up 10.2 percent) and jobs categorized as services to buildings and dwellings (7.2 percent). Administrative and support services added the majority of professional

Without the growth in Texas construction jobs in fiscal 2012, the national construction industry would have seen another year of job declines.

Private Early Childhood Education Class

and business service jobs. Of those, employment services grew by 5.5 percent. That sector includes temporary help agencies, and many of its jobs are temporary and part-time positions. Another 3,300 jobs were added in legal service occupations, where job growth topped 4 percent. Total professional and business services employment was 1,390,900 in August 2012.

All Sectors of Private Education and Health Services Expand

The education and health services industry, composed of private education, health care, home health, social assistance, and child day care services, added jobs slightly faster than total employment growth, tacking on 37,900 positions during the fiscal year, a 2.7 percent increase. Every industry sector had more jobs at the end of fiscal 2012 than at its beginning. For many years, the health services component grew much faster than the education component, but in fiscal 2012 the reverse was true. Jobs in private education services, including colleges and universities, expanded by 4.1 percent, while the larger health and social assistance sector grew by 2.4 percent. In the health care sector, employment in physicians' offices and hospitals grew the slowest (0.9 and 1.8 percent, respectively), while jobs were added much

Jobs in private education services, including colleges and universities, expanded by 4.1 percent.

faster (from 3.5 to 5.3 percent) in the less institutional sectors such as home health care, social assistance, and day care services. Overall, education and health services employment in Texas reached 1,467,600 at the close of fiscal 2012.

Investments and Insurance Boost the Financial Activities Industry

Financial activities industry employment grew more slowly than in the overall state economy, with losses in traditional depository banks, credit unions and nondepository credit institutions. However growth among securities businesses, investment services and real estate helped the industry expand employment. Overall, jobs in the state's financial activities industry grew by 2 percent, adding 12,900 during the year.

Depository and non-depository financial institutions such as banks, savings associations, and credit unions lost 1,800 jobs (down 0.8 percent), while securities and financial investment businesses mostly took up the slack with an additional 1,500 jobs (3.5 percent). But the news for banks was not all bad. According to the Federal Deposit Insurance Corporation, only 6.6 percent of Texas depository institutions were unprofitable during the period ending June 30, 2012, less than the national average of 10.6 percent. Texas banks had an average return on equity of 10.6 percent, compared to 8.9 percent nationally. The gap was even wider for savings institutions, where Texas savings institutions had a 15.1 percent return on equity as of June 30, 2012, compared to 8.7 percent nationally.

Maintenance of home equity values in Texas has shielded the state from the worst of the nation's retrenchment in real estate finance. The stability and resiliency of Texas home prices has protected the state from foreclosure rates that distressed real estate elsewhere in the nation. The Texas foreclosure rate has remained well below the national average for years, and in August 2012 the state had one foreclosure for every 1,203 mortgages, markedly better than other large states, such as Florida's one in 328, California's one in 340, and Georgia's one in 431. This comparative strength has bolstered

employment in Texas real estate, rental and leasing services, which accounted for most of the job gains over the past year in the financial activities industry.

Financial activities industry employment in Texas totaled 651,600 at the end of fiscal 2012.

Trade, Transportation and Utilities Add More Jobs than any Other Industry

The multifaceted Texas trade, transportation and utilities industry, the state's largest industry employer, added 55,100 jobs in fiscal 2012, just over one-fifth of all nonfarm jobs added. The industry now comprises nearly one-fifth of all nonfarm jobs, and job growth in fiscal 2012 was about as fast (2.6 percent) as total nonfarm job growth in the state. Generally growing in tandem with the overall economy, retail trade, wholesale trade and transportation employment each increased over the year, with only a handful of industry sectors experiencing declines. Employment in retail trade increased by 24,500 jobs, with the largest net increases in automobile dealerships (8,800), clothing and clothing accessory stores (8,000) and food and beverage retailers (4,400). Significant job losses persisted among department and

general merchandise stores (down 3,400) and among health and personal care stores (down 1,300). Employment in wholesale trade grew at a slightly faster 2.9 percent rate, to expand by 14,800 jobs, with a substantial part of this growth among wholesalers of machinery, equipment and supplies.

In the transportation and warehousing sector, employment increased by 3.5 percent in fiscal 2012, but consolidation, competition and fuel costs reduced Texas airline employment by 500 jobs (down 0.9 percent). Most other transportation sectors experienced solid growth, in addition to a mild 1.3 percent increase in warehousing and storage jobs. Truck transportation tacked on 5,900 jobs (5.1 percent) and support activities for transportation — which includes cargo, harbor operations, packing and towing — grew even faster, by 5.9 percent and 4,200 jobs. The industry's smallest sector, utilities, which had fewer employees in 2011 than 10 years earlier, grew by 3,300 more jobs, an uncharacteristically large 6.7 percent increase. Overall, the trade, transportation and utilities industry provided 2,159,700 Texas jobs at the end of fiscal 2012.

Information Jobs Down Again

The information industry is the smallest employer of all Texas industries, and it is getting smaller. After losing about one-fourth of its workers in Texas and the U.S. over the previous 10 years, the industry shed 4,000 more Texas jobs in fiscal 2012, a decline of 2.0 percent. Information is a multi-sided industry that includes sectors with very different prospects, as it encompasses both old and new technologies such as printing, publishing, data processing, television broadcasting, wired telephone services, cellular telephone providers, Internet providers, digital subscriber line (DSL) and software services. As in much of the nation, information is by far the weakest major industry in the state, with job losses in each reported subsector except Internet service providers in fiscal 2012. Internet service providers, with increased consumer spending on wireless services, added 800 jobs.

The largest sector job loss (3,900) and most severe percentage decline (4.5 percent) was in the tele-

The leisure and hospitality industry had the fastest rate of job growth among the Texas service-providing industries in fiscal 2012.

communications sector. Although the demand for telecommunications services has increased steadily, competitive pricing and productivity changes have resulted in fewer jobs. The Texas information industry ended the fiscal year with 192,100 jobs.

Travel and Restaurants Energize the Leisure and Hospitality Industry

The leisure and hospitality industry had the fastest rate of job growth among the Texas service-providing industries in fiscal 2012. Continued rapid growth in the restaurant and drinking place sector was accompanied by a resurgence in hotel and motel businesses, leading to 47,800 more leisure and hospitality jobs, a 4.6 percent increase. In particular, Texas added 2,700 more hotel and motel jobs, while restaurants and drinking places increased their employment by 5.3 percent, a substantial 45,000 employment gain that provided more than one in six new Texas jobs. Amusement, entertainment, arts and recreation services employment growth was more sluggish, but this sector still managed a 2 percent gain and an additional 2,300 jobs. In sum, the state's leisure and hospitality industry ended the fiscal year with 1,093,000 jobs, ranking fifth in employment among the state's 11 major industries.

Repair Services Dominate Other Services Job Growth

The other services industry is a catch-all mix of sectors that encompass disparate activities such as repair and maintenance services; laundry services; religious, political and civic services; funeral services; parking garages; beauty salons; and a wide range of personal services. With a mix of gains and losses among its other sectors, repair services accounted for all of the job growth in the industry. With the slow recovery of inflation-adjusted per capita personal income, which has not yet returned to its pre-recession peak, consumers have been wringing more years out of goods before replacing them. This has benefited the repair industry, which swelled by 10,900 jobs, or 9.7 percent, in fiscal 2012. Personal and laundry services contributed 700 jobs, but this was counterbalanced by a loss of 700 jobs among

SXSW Film Festival Crowd in Austin

religious, civic, grant-making and professional associations. All sectors of the other services industry combined for an overall employment growth of 10,600 jobs in 2012, for an increase of 2.9 percent, to reach 381,300 jobs.

Government Job Numbers Decline in Consecutive Fiscal Years

Government employed fewer Texans at the end of fiscal 2011 than at its beginning, and government again employed fewer Texans at the end of fiscal 2012 than at its beginning. This was the result of budget constraints, local school district and postal service cutbacks and a loss of jobs at state educational institutions.

Funding constraints led to a reduction of 2,700 federal workers in Texas, even with the addition of an additional 1,200 defense-related jobs. A loss of

1,100 postal service jobs was a major component of these losses, as the Postal Service closed many small post offices and cut the number of workers at many others.

State government employment had a small overall gain (200 jobs; 0.1 percent), although 2,300 jobs were lost at state-related colleges and other educational institutions. Local governments account for 68 percent of all government jobs in Texas, and they also accounted for most (over 7,000) of the overall government job decline.

Overall, government employment in Texas declined by 20,300 jobs (down 1.1 percent) in fiscal 2012, to total 1,798,500 jobs at the end of the fiscal year. This is first time since 2008 that government employment fell below 1.8 million in Texas.

Government employment in Texas declined by 20,300 jobs (down 1.1 percent) in fiscal 2012, to total 1,798,500 jobs at the end of the fiscal year.

Major Cities in Review

Austin-Round Rock-San Marcos MSA

The Austin-Round Rock-San Marcos metropolitan statistical area (MSA) includes Bastrop, Caldwell, Hays, Travis and Williamson counties and the Austin-Round Rock-Marble Falls combined statistical area. The Office of Management and Budget (OMB) designated the following principal cities in these regions—Austin, Marble Falls, Round Rock and San Marcos as of its Dec. 1, 2009 report. Due to population growth, the OMB renamed the Austin-Round Rock MSA the

Austin-Round Rock-San Marcos MSA without any change in geographic composition.

Between 2010 and 2011, the Austin-Round Rock-San Marcos MSA population climbed by 3.2 percent to almost 1.8 million, leading the other five major Texas metros. Williamson County recorded the highest population growth rate at more than 3.7 percent. Hays County's population grew by over 3.6 percent; Travis County's grew almost 3.2 percent; Bastrop County increased by almost 1 percent and Caldwell's population increased by more than 0.8 percent. Travis

County remained the largest county in the Austin-Round Rock-San Marcos MSA with 59.6 percent of the metro area's total population in 2011. *Forbes.com* ranked Austin first on its 2012 list of America's Fastest Growing Cities, ahead of Dallas, Fort Worth, Houston and San Antonio. The rankings included the 100 largest metropolitan areas based on Moody's projections of economic and population growth.

Ranking high on safety and security, several Austin metro cities scored well in fiscal 2012. A Congressional Quarterly Press Report named Round Rock the 11th safest city in the U.S. based on its low crime statistics among cities with 100,000 people or more. Austin took 10th position on Farmers Insurance Group's list of most secure U.S. communities, based on safety and security, among nearly 400 communities with a population of 500,000 or greater.

The capital city secured upper and top rankings on a wide range of lists for major U.S. metro areas studied in 2012. In a survey of 6,000 small businesses nationwide, *Thumbtack.com* and its Kauffman Foundation partner gave Austin an A+ for overall friendliness based on the ease of starting a business, employment, health and safety regulations, labor, hiring, tax code and zoning. Based on this year's financial forecasts, *Mainstreet.com* ranked Austin among the top U.S. metros in its "One of the 10 Cities Poised for Greatness in 2012" study. According to a McKinsey Global Institute report, Austin outperformed the rest of the U.S., recording above-average population and per-capita economic growth in 2012. Embracing new collaboration with San Antonio, Austin is expected to drive more than 10 percent of global growth through 2025 along with Los Angeles and New York.

Austin's blossoming creative sector continues to grow the local economy through film, music and vi-

sual arts industries, hospitality services, restaurants, special events and tourism. Austin's broad range of outdoor festivals, including Austin City Limits Music Festival, the Austin Film Festival, the Austin Fan Fest, the Fun, Fun, Fun Fest and the 2012 U.S. Grand Prix Formula 1 attract hundreds of thousands of residents and visitors combined. The South by Southwest festival alone draws more than 125,000 tech-savvy participants plus another 286,000 attending free public events in Austin's metro area. In fall 2011, *Forbes* included Austin on its list of the 10 best cities for a weekend vacation, while Trip Advisor, Inc. ranked the city second among the top 15 U.S. vacation destinations for 2012. *Hotels.com* named Austin a hotspot "foodie city" in its 2012 ranking based on its food-related events, annual Austin Food & Wine Festival and the *Foodspotting* food truck and street vendor contest.

A wonder of the "Silicon World," Austin's Silicon Hills was named one of seven silicon enclaves popping up around the globe, according to an *Upstart Business Journal* report. Other 'wonders' in the group include Silicon Forest in Portland, Oregon; Silicon Hill in Washington, D.C.; Silicon Border in Mexicali, Mexico; Silicon Sloboda in Moscow, Russia; Silicon Beach in Los Angeles and Silicon Valley in San Jose, California. The National Venture Capital Association ranked Austin among the best cities in the U.S. for technology startups. Based on the prior year's invested dollars in young tech companies, *USA Today* ranked Austin eighth behind first-ranked San Francisco, Boston, New York and Los Angeles. Startup companies with small budgets trying to tap into the area's technology sector growth flock to Austin, taking advantage of small business incubators and co-working spaces that allow multiple new small businesses and high-tech entrepreneurs and startups to reduce operating costs by sharing commercial space, available local talent and services at one location. Public and private sector incubators, including the Austin Technology Incubator, Tech Ranch and Dreamit, combined with new programs at The University of Texas at Austin and Texas State University in nearby San Marcos, provide support for local high tech and non-tech

startup leaders' new companies to propel the next generation economy forward.

The Austin metro economy continues to attract high tech companies for business expansions and new headquarters. Internet giants Facebook and Google opened offices in Austin attracted by talent graduating from local universities while building on the large technology presence initiated in the 1980s when Dell located its headquarters in Round Rock. Nanotech developer Superconductor Technologies Inc., of Santa Barbara, California, co-located its headquarters between Austin and Santa Barbara. San Marcos began work with the Texas South International Alliance to plan and grow business recruitment directed at future economic growth of the region and greater diversity of quality, high-paying jobs. California-based Apple Inc. announced plans to start construction of its new North American headquarters in northwest Austin in 2012.

Foreign investment dollars continued pouring into the Austin metro area the past year, attracted to the Austin metro area's winning combination of high tech manufacturing, research and development institutions and availability of diverse and low cost educational, medical and government employees. Samsung is considering at least \$1 billion in up-

A wonder of the "Silicon World," Austin's Silicon Hills was named one of seven silicon enclaves popping up around the globe, according to an *Upstart Business Journal* report.

Exercising Along the Trails of Downtown Austin's Lady Bird Lake

grades to its local electronic chip manufacturing complex. The additional project spending would bring Samsung's total investment in Austin to more than \$13 billion, ranking it as one of the largest foreign investments in the U.S. Samsung confirmed in August 2012 that it may invest between \$3 billion and \$4 billion during the next year to retrofit half of its Austin computer chip manufacturing operations to produce essential smartphone chips to keep pace with increasing global demand. Other foreign investors included Altis Semiconductor, based in France, which opened a sales and technical support office in Austin.

CBS Moneywatch named Austin a great place to retire in 2012.

A PricewaterhouseCoopers LLP and Urban Land Institute report, "Emerging Trends in Real Estate," ranked Austin second on its list of top five markets to watch in 2012 following Washington, D.C., San Francisco, New York City and Boston. The Intelligent Community Forum named Austin a finalist for its "Top Intelligent Community of 2012" list along with seven other major cities across the globe.

CBS Moneywatch named Austin a great place to retire in 2012. The city features plenty of outdoor amenities including spring-fed swimming spots, warm temperatures and Lady Bird Lake combined with good medical facilities, low housing costs and music festivals. U-Haul International Inc. ranked

Austin the sixth best U.S. destination city to relocate to in its "2011 Top 50 U.S. Destination Cities" report based on 1.6 million U-Haul truck transactions in 2011 of movers traveling more than 50 miles. *Realtor.com* ranked Austin the 23rd most-searched real estate market in the U.S. behind Dallas, San Antonio and Houston and ahead of Forth Worth and El Paso.

CNN Money ranked Austin the fourth most business-friendly city in its 2012 survey of the 40 largest metro areas based on business criteria including hiring, licensing, regulation and zoning. *Forbes.com* ranked Austin first on its list of best cities for jobs, based on Bureau of Labor Statistics data from November 2000 to January 2012, due to its strong record of business services growth, manufacturing and technology-related employment. Also, *On Numbers* ranked Austin the third most prosperous metro among 13 of the 100 biggest labor markets in the U.S. for jobs regained between 2006 and 2011. Austin placed second behind Washington, D.C. in an Addecco Staffing 2012 ranking of the 10 best cities to find work. Fostering small business prosperity, Austin took first place in *On Numbers'* 2010 through 2011 ranking based on five year population growth, five- and one-year private-sector employment growth, small business concentration per 1,000 residents, a one-year change in that concentration and one-year growth in the number of small businesses. *Sperling's* ranked Austin fourth, ahead of fifth-ranked San Antonio, on its "2011 Best Places for Military Retirement: Second Careers" list, a *Military.com* and USAA-commissioned study of military retirees' preferences for the best U.S. places for jobs that match their skill sets.

The Austin metro's booming technology sector and swelling population spawned consumer demand, which encouraged business expansions and commercial investments in 2012. Austin-headquartered Whole Foods expanded existing stores and added several more locally. San Antonio-based HEB also added stores in Austin. Central Texas has become a growing healthcare services hub of investment activity supporting managed care, medical research and health care services. Examples of related expansions in 2012 included St. David's HealthCare

additional investments in nine of its locations, including four surgery centers, six hospitals and 12 outpatient facilities. Healthtronics opened a urological equipment manufacturing facility; St. Jude Medical expanded its physician training programs and support for a medical school at The University of Texas at Austin continues to gain strength. Massachusetts-based Thermo Fisher Scientific Inc. moved to Round Rock in 2012.

In August 2012, the Texas Advanced Computing Center (TACC) at The University of Texas at Austin completed construction on a data center for the new Stampede supercomputer. Expected to launch in January 2013 as part of the National Science Foundation's (NSF) "eXtreme Science and Engineering Discovery Environment" program, the Stampede will be one of the most powerful supercomputer systems in the world, capable of peak performance of more than 10 petaflops. Built through a Dell and Intel partnership, Stampede will support the nation's scientists in addressing the most challenging scientific and engineering problems. Initial NSF investment will be more than \$50 million over four years with potential renewal in 2017 for another \$50 million to build a successor system. Stampede will support more than 1,000 computational, data-driven science and engineering projects from across the U.S. and provide a competitive advantage in attracting more research funding and support.

Just 30 minutes south of Austin, the 34,000-student Texas State University announced expansion plans which include almost half a billion dollars in construction. The university also confirmed it will receive a \$200,000 nanotechnology NSF grant to develop introductory and advanced nanotechnology safety courses.

According to *On Numbers*, Austin's total employment reached its highest level in the decade, as of October 2011, making it one of only five U.S. cities of 100 major markets to reach a new 10-year peak based on U.S. Bureau of Labor Statistics data. El Paso, Houston and San Antonio metros also made the top 10. Policom Corporation named Austin the fifth strongest economy based on its analysis of local and state economies released in May 2012.

Austin's job gains and population growth continued to induce demand for metro area apartments. Occupancy rates in 2012 reached 96 percent in August 2012, pushing all-time high rental rates even higher. Austin rental rates averaged more than \$770 for a one-bedroom and \$1,040 for a two-bedroom, according to Capitol Market Research. The limited new supply of apartments is expected to exert upward pressure on rents into 2013.

The Austin metro's 5.9 percent unemployment rate in August 2012 was the lowest unemployment rate among the six major Texas metros, having fallen from 7.1 percent the same month one year earlier. The metro added the most jobs in the professional and business services sector (up 8,200 jobs, 6.8 percent) in August 2012 over August 2011; followed by leisure and hospitality (up 4,100 jobs, 4.5 percent); local government (up 3,000 jobs, 3.8 percent) and the natural resources sector (up 2,900 jobs, 7.2 percent). Other sectors adding employees included financial activities (up 2,800 jobs, 6.3 percent); trade, transportation and utilities (up 2,100 jobs, 1.5 percent); wholesale trade (up 1,800 jobs, 4.2 percent); federal government (up 900 jobs, 8.1 percent); other services (up 800 jobs, 2.4 percent); manufacturing

The Austin metro's 5.9 percent unemployment rate in August 2012 was the lowest unemployment rate among the six major Texas metros.

PHOTO: Courtesy of Texas Advanced Computing Center

(up 700 jobs, 1.4 percent); transportation, warehousing and utilities (up 500 jobs, 3.8 percent); education and health services (up 500 jobs, 0.5 percent) and information services (up 100 jobs, 0.5 percent).

Between August 2011 and August 2012, the MSA lost jobs in only the state government sector (down 400 jobs, 0.6 percent) and the retail sector (down 200 jobs, 0.2 percent).

Single-family building permits issued in the region jumped by 28.1 percent in fiscal 2012, for a total of more than 7,500, compared to fewer than 5,900 for the previous year ending in August 2011. The average value of new single-family homes built rose slightly by 1.9 percent in fiscal 2012, to \$189,000 from \$185,500 in August 2011.

Nearby cities continue to grow their economies and add population.

Within 30 minutes and a short drive north of Austin, Georgetown offers a low crime rate compared to other U.S. cities, a cap on property taxes for those 65 and over, senior -friendly activities and business opportunities. Williamson County provides access to multiple medical care facilities including Seton Medical Center Williamson County, St. David's Georgetown Hospital and Scott & White Healthcare in Round Rock.

New business development and expansions in Central Texas between August 2011 and August 2012 included the final construction phases of the 2012 USGP racetrack southeast of Austin with its first race scheduled for November 2012.

New business development and expansions in Central Texas between August 2011 and August 2012 included the final construction phases of the 2012 USGP racetrack southeast of Austin with its first race scheduled for November 2012. Detroit-based General Motors (GM) announced plans to open a technology center in Austin adding 500 jobs. GM's Austin computer center will be the first of four the company plans to open nationally for technology development.

The Austin metro area's business climate soared between 2011 and 2012, prompting business expansions and job creation. Yodel, a New York-based Internet marketing company, plans to expand its Austin facility and double its workforce to about 800 employees. The largest Internet job listings search engine with a dual headquarters in Austin employing 175, plans to add another 90 jobs in the next year and leased space in Austin in 2012 for more than 400 employees. Scott & White Healthcare hospital system announced plans to construct a medical clinic, medical campus and medical center in Marble Falls, northwest of Austin, starting in the fall of 2012. Along the I-35 corridor, the cities of Georgetown, Round Rock and San Marcos continued to draw business investments to develop health-care, high tech, higher education and manufacturing projects. As of July 2012, Georgetown became a member of the Central Texas Foreign Trade zone.

According to the Texas A&M Real Estate Center and the Greater Austin Chamber of Commerce, the top 10 employers in the metro area are the State of Texas (69,800), the University of Texas at Austin (25,300), Dell (14,000), Seton Family of Hospitals (11,600), IBM Corp. (6,200), Texas State University-San Marcos (4,800), U.S. Internal Revenue Service (4,500), Freescale Semiconductor (4,300), AT&T (3,450) and Apple (3,000).

Dallas-Plano-Irving MD

The U.S. Office of Management and Budget combined the Dallas and Fort Worth metropolitan areas several years ago into a single metropolitan statistical area, the Dallas-Fort Worth-Arlington MSA, including a Dallas-Plano-Irving metropolitan division (MD) and a Fort Worth-Arlington MD. This report describes the divisions separately for consistent comparisons with previous reports.

The Dallas-Plano-Irving MD includes the eight counties of Collin, Dallas, Delta, Denton, Ellis, Hunt, Kaufman and Rockwall. The Dallas-Plano-Irving MD population swelled to more than 4.3 million in 2011. Dallas County, with more than 2.4 million residents, held first place as the MD's largest county with 55.6 percent of the metro area's total population. Collin County recorded the highest growth rate, up over 3 percent, followed by Denton County and Rockwall County both up 2.9 percent, Dallas County and Ellis County up more than 1.7 and 1.5 percent respectively. Kaufman County grew nearly 1.4 percent while Hunt County climbed 0.2 percent and Delta County's population dropped by almost 1 percent.

In 2012, the Dallas metro secured top rankings in a number of categories. The Dallas-Plano-Irving MD ranked sixth on *Forbes.com's* "Best Cities for Jobs" list and Dallas placed eighth on its "Top 25 Places for Business and Careers" ranking. The *Dallas Morning News* ranked Dallas fifth on its "Top Cities for College Graduates" list and *The Atlantic* ranked it eighth among America's Most Economically Powerful Global Cities. *Global Trade* listed the Dallas area 11th, with \$22.5 billion in export volume, on the magazine's ranking of the 50 largest metropolitan areas by export volume.

Amid strong site selection competition among North Texas cities, Irving secured United Health Group's commitment in 2012 for the site of its new Connections office near the DFW Airport which will add 800 jobs. United Health's decision was based in large part on Irving's available and capable labor force, supportive city permitting processes and dynamic business development market.

The metro's transportation infrastructure continues to flourish with the 2012 opening of the Dallas Area Rapid Transit (DART) Orange Line in July

The Dallas-Plano-Irving MD ranked sixth on *Forbes.com's* "Best Cities for Jobs" list.

DART Orange Light-Rail Line, Irving Convention Center Station (rendering)
 ARTWORK: Craig King and Dallas Regional Chamber of Commerce

2012. Connecting Irving, the third-largest of 13 member DART cities, the Orange Line’s associated improvements include new rail stations at the Irving Convention Center, Las Colinas and the University of Dallas; changed bus routes and new routes to downtown Dallas; several new rail station names and a new park-and-ride northwest of Plano. Future connection with the DFW Airport will stimulate further economic development in the Irving area.

Plano, Texas, located 19 miles north of downtown Dallas, offers a competitive business climate, 35-minute accessibility to DFW International Airport and a college graduation pipeline of 25 area universities and colleges. Plano also offers expanding businesses, a highly educated and skilled workforce and world-class business parks.

Dallas-Plano-Irving remains home to a number of Fortune 500 company headquarters, including Exxon Mobil, AT&T, J.C. Penney, AMR Corp., Kimberly-Clark, Texas Instruments, Dean Foods,

Southwest Airlines, Energy Future Holdings, Atmos Energy, Commercial Metals, Fluor Corp and Tenet Healthcare.

The Dallas-Plano-Irving MD’s August 2012 unemployment rate of 7 percent, down from 8.1 percent the previous August, tied with the Houston-Sugar Land-Baytown MSA’s rate. Total employment climbed to almost 2 million in August 2012 compared to one year earlier. During the same period, the MD added at least 10,000 jobs in two sectors and more than 4,000 jobs in four other sectors. The largest number of jobs added occurred in the professional and business services sector (up 10,800 jobs, up 3.1 percent); leisure and hospitality (up 10,100 jobs, 5.2 percent); education and health services (up 8,500 jobs, 3.4 percent); trade, transportation and utilities (up 5,200 jobs, 1.3 percent); transportation, warehouse and utilities (up 4,700 jobs, 6.2 percent); natural resources, mining and construction (up 4,500 jobs, 4.3 percent) and financial activities (up 2,500 jobs, 1.4 percent). Other sectors adding jobs included state government (up 900 jobs, 2.4 percent); other services (up 700 jobs, 1 percent);

The Dallas-Plano-Irving MD’s August 2012 unemployment rate of 7 percent, down from 8.1 percent the previous August.

retail (up 700 jobs, 0.3 percent) and information services (up 200 jobs, 0.3 percent). Industry sectors with job losses were manufacturing (down 2,200 jobs, 1.3 percent); local government (down 1,600, 0.8 percent); federal government (down 700 jobs, 2.3 percent) and wholesale trade (down 200 jobs, 0.2 percent).

Dallas-Fort Worth (DFW) International Airport is the world's third busiest airport located on 30 square miles of land halfway between Dallas and Fort Worth. A regional portal, DFW sits at a transshipping crossroads with major air, road and rail access to international markets generating an estimated economic impact of \$16.6 billion through the North Texas economy. With seven runways and 155 gates, DFW provides services to more than 190 destinations through its 11 domestic airlines and nine foreign-flag carriers moving more than 158,000 passengers daily and 57.8 million travelers annually, including 5.5 million international travelers. According to DFW International, the airport ranks fourth in operations and eighth in passengers served, provides more than 300,000 full-time jobs and will serve more than 1 billion passengers annually by 2024.

Businesses and economic activities within and surrounding the DFW Airport provide layer upon layer of jobs for the Irving area.

DFW is winding up the second year of a seven-year renovation of original Terminals A, B, C, D and E, with expected completion of Terminal A in 2014. Related renovation economic activities and construction will provide more than 2,000 design, construction and contracting jobs combined. In 2012, DFW announced new mixed-use development plans for the airport's south end to include office, hotel, restaurants and retail projected to be a "cash cow" of sales tax revenue for the metro area. Another 600 acres of airport property along State Highway 183 will also be developed.

Other Dallas metro area business expansions include Southwest Airlines which kicks off a \$100 million, 492,000 square foot corporate campus addition across from their current Dallas Love Field

Airport headquarters. Construction will start in fall 2012 and add 1,000 employees during the next few years to its current Dallas workforce of 4,000. Ericsson, the Swedish telecom firm, announced it will spend \$34 million over the next two years expanding its North American headquarters with two new buildings totaling 350,000 square feet and adding 1,600 jobs.

The Dallas area issued an increased number of single-family building permits in the year ending in August 2012, up 20.5 percent, for a total of more than 11,200, compared to just over 9,300 in the same period of 2011. The average value of new dwellings constructed in August 2012 rose by 9.4 percent, reaching \$276,500 from \$252,800 the previous year.

According to the Texas A&M Real Estate Center, the top 10 Dallas-Plano-Irving MD employers were Bank of America (20,000), the Dallas Independent School District (18,900), Baylor Health Care System (17,100), JPMorgan Chase (13,500), City of Dallas (13,400), Verizon Communications (10,500), UT Southwestern Medical Center (13,100), HCA North Texas (11,400), U.S. Postal Service (10,400) and Parkland Health & Hospital System (9,500).

Businesses and economic activities within and surrounding the DFW Airport provide layer upon layer of jobs for the Irving area.

El Paso MSA

The El Paso MSA includes El Paso County. According to the U.S. Census Bureau, the El Paso MSA population grew to nearly 821,000 climbing by 2.1 percent between 2010 and 2011. The El Paso MSA had the third largest population increase in Texas between 2010 and 2011. Combined with Juarez, Mexico, the area's population reached about 2.4 million. Factors contributing to El Paso's population growth include births, international in-migration from Ciudad Juarez and wealthy Mexican nationals.

Continuing its urban makeover, El Paso continued investments to further develop the downtown arts district, hotels, bars, restaurants and shopping venues. Thousands of convention visitors, residents and tourists flock to the metro's historical archeological sites; the Arts Festival Plaza and monthly

festivals featuring live music, food and art exhibits; the traditional El Paso Opera and the El Paso Symphony Orchestra; the archeological habitat at Hueco Tanks State Park; the Franklin Mountains, the largest urban state park in the U.S. and the oldest active Spanish missions in the U.S. including El Paso Mission Trails—Ysleta Mission, the Socorro Mission and San Elizario Church.

Key elements driving El Paso's economy include continued expansion at Fort Bliss, new construction of highways and transportation infrastructure, metro area real estate development and projects to reshape the metro's urban core. Ciudad Juarez and the area's maquiladora industries combined with monetary exchange rate fluctuations between the Mexican peso and the U.S. dollar also influence the El Paso metro economy.

El Paso offers businesses, university research and development departments, the military and technology companies a strategic location on a ma-

major fiber optics backbone at the intersection of three electrical grids at the far western tip of Texas. With a strong bilingual business environment, El Paso's critical economic advantages include its location on both national rail networks, the international railway system including Burlington Northern Santa Fe, Union Pacific and Ferromex; five international border crossings; 14 universities and colleges; two international airports and 40 industrial parks. The city is also the site of the world's largest inland desalination plant, producing almost 28 million gallons of fresh water from a vast underwater aquifer and the presence of the Rio Grande River.

Supporting El Paso's regional bundle of career, research and technology development assets are El Paso Community College and Western Technical College. Both offer two-year degree programs in automotive technology. The mix of certificate programs includes automated manufacturing, robotics, welding, precision machining and electronics. Student enrollments for the 2011-2012 academic year at El Paso's two largest universities totaled 23,000 at the University of Texas at El Paso (UTEP) and 28,000 at El Paso Community College. UTEP's W.M. Keck Lab is the largest rapid-prototyping facility located on a U.S. university campus. The Mechanical and Industrial Engineering Department's Alternative Fuels Research Lab offers faculty and students opportunities to pursue advanced technology research opportunities involving alternative fuels and internal-combustion engines.

Through the first half of 2012, the El Paso International Airport (EPIA) served more than 1.4 million passengers. EPIA plans to serve 2.8 million passengers by the end of 2012. Despite the decrease in passenger traffic at the airport, the amount of freight moving through the EPIA for 2012 increased by 7.9 percent over 2011. Aircraft operations including air carrier, air taxi and military aviation, however, increased in 2012 by 1.3 compared to 2011.

El Paso retains its strategic position as the U.S. hub of international trade and cross-border commerce with Mexico. The El Paso Foreign Trade Zone (FTZ) No. 68, the largest air cargo complex on the U.S. border, is ranked first in exports among U.S. General

Downtown El Paso Hotels and Theater District

Purpose Zones at \$1.7 billion. The FTZ is operated by the city of El Paso and is the largest air cargo complex on the U.S. border. More than 70 firms use the FTZ, handling more than 200 different products from more than 80 countries. The top five foreign investment trading partners are China, Mexico, Germany, Japan and Spain. During the past fiscal year, FTZ companies invested more than \$6.8 billion in El Paso. The FTZ's economic impact on El Paso includes more than 1,100 jobs directly related to the FTZ and more than 2,000 indirect jobs resulting from zone operations. Industries benefiting from use of the FTZ involve apparel and textiles, automotive parts, biotechnology products, consumer electronics and components, food products, metal and mineral products, medical equipment and components, plastic and rubber products and renewable energy equipment and components.

One of the busiest U.S. border crossing points, El Paso has four international ports of entry connecting to Ciudad Juarez, including the Bridge of Americas with a 2011 combined total of 4.6 million border crossings, followed by the Ysleta International Bridge (over 3.1 million crossings annually), the Paso del Norte Bridge (more than 2.7 million crossings annually) and the Stanton Dedicated Commuter Lane (DCL) (nearly 2 million crossings annually). El Paso recorded decreases in border traffic in

The El Paso Foreign Trade Zone (FTZ) No. 68, the largest air cargo complex on the U.S. border, is ranked first in exports among U.S. General Purpose Zones at \$1.7 billion.

2011 compared to 2010. In 2011, El Paso recorded 6.1 million pedestrians crossing the border (down 10.9 percent), 9.1 million vehicles (down 8.2 percent) and more than 700,000 trucks (up 1.3 percent).

In 2012, El Paso received top and upper rankings in several “best of” studies of U.S. metros. The metro ranked number one on *Forbes’* list of “Best Mid-Size Cities for Jobs,” second on the Milken Institute’s “Best Performing City” list and third on Farmers Insurance Group’s “Most Secure U.S. Places to Live” list among the large metro areas. *New Geography* magazine ranked El Paso fourth on its “Best Medium Sized City for Job Growth” list.

El Paso ranked number one on *Forbes’* list of “Best Mid-Size Cities for Jobs.”

While continuing to claim the highest unemployment rate of the state’s six largest metros, the El Paso MSA’s rate followed the downward trend in August 2012 (9.5 percent) compared to the same month of 2011 (10.8 percent). The metro added the most jobs in the trade, transportation and utilities sector (up 1,800 jobs, 3.1 percent); professional and business services (up 1,400 jobs, 4.5 percent); education and health services (up 1,300 jobs, 3.4 percent); leisure and hospitality (up 1,200 jobs, 4 percent); retail (up 1,200 jobs, 3.5 percent); federal government (up 800 jobs, 6.2 percent); natural resources, mining and construction (up 600 jobs, 4.4 percent); other services (up 400 jobs, 4.2 percent); financial activities (up 400 jobs, 3.2 percent); wholesale trade (up 300 jobs, 3 percent) and transportation, warehouse and utilities (up 300 jobs, 2.4 percent). El Paso lost jobs in local government (down 700 jobs, 1.7 percent) and manufacturing (down 200 jobs, 1.1 percent) while the information services and state government sectors remained constant.

The fastest growing U.S. Army installation and largest Department of Defense (DoD) controller airspace, Fort Bliss stands on 1.1 million acres and can accommodate every U.S. Army weapon system available. Originally an 1850s cavalry outpost in northeast El Paso, Fort Bliss is a technologically advanced complex of state-of-the-art defense training areas and facilities. Home of the First Armored Division’s headquarters, Fort Bliss includes the U.S. Army Forces Command, Training and Doctrine Command, U.S. Northern Command, Installation Management Command, Network Command, U.S. Army Reserves Command and William Beaumont Army Medical Center. Team Bliss Units include the U.S. Marine Corps, U.S. Air Force, U.S. Dental Corps, U.S. Army Field Support Battalion, 204th Military Intelligence, the El Paso Intelligence Center, Joint Task Force North, Veterans Affairs (VA) Hospital and the U.S. Border Patrol.

Fort Bliss reported a total 2012 population of 91,600, including nearly 34,100 active-duty soldiers, 46,700 family members and almost 10,800 civilian employees with continued demographic growth expected into 2013 and beyond. The largest single em-

ployer in El Paso, Fort Bliss will provide an estimated annual local economic contribution of more than \$3.8 billion; \$248 million in new property taxes; \$55 million in new sales taxes and 2,000 new engineering, industrial and technical jobs combined by 2013.

An Army energy leader, Fort Bliss continues efforts to become a Net Zero Energy Installation by 2015. Between 2011 and 2012, Fort Bliss reduced its electric energy use by more than three megawatts. The “city within a city” includes nearly 3,400 family housing units; more than 22,000 permanent training and movable Army barracks; more than 4,000 buildings; at least 900 miles of paved and 11,200 unpaved roads; nearly 400 miles of water lines; 700 miles of electric lines; more than 200 miles of gas lines and at least 200 miles of sanitary lines.

Freedom Crossing, a 517,000 square foot shopping mall on West Fort Bliss, includes a 114,000 square foot Commissary, Army and Air Force Exchange Services (AAFES) stores, a 242,500 square foot Post Exchange (PX), national name-brand retail stores, dining and movie theater venues. Freedom Crossing adds an estimated \$350 million in annual sales to Fort Bliss.

William Beaumont Army Medical Center (WBAMC), one of seven U.S. Army medical centers in the nation, provides quality health care and serves as a Level II Trauma Center for the Southwest Region. WBAMC, with more than 140 patient beds, a specialty outpatient clinic and 45 primary care physicians, serves nearly 72,500 enrolled beneficiaries. A partnership with the adjacent VA outpatient clinic helped consolidate services and enhances treatment to El Paso area veterans, the active duty and retired populations.

Located on West Bliss, the Wounded Warrior Battalion is a \$56 million complex supported by American Recovery and Reinvestment Act federal stimulus funds. The center provides comprehensive care for soldiers wounded, injured or taken ill while deployed or training for deployment. Among other health care facilities and services, the Wounded Warrior Battalion includes a Soldier and Family Assistance Center which can house more than 200 wounded warriors. The Soldier and Family Care Clinic in East Bliss,

which can serve up to 35,000 patients annually, includes a pharmacy and provides primary care physicians plus aviation medicine, behavioral health, dermatology, lab, ophthalmology, physical therapy, preventative medicine and radiology services. Fort Bliss has the largest dental clinic of any U.S. military installation with more than 60 dental treatment chairs and state-of-the-art equipment combined with 150 military, civilian and contract service providers and staff.

The average value of single-family homes being built decreased to \$148,000 in August 2012, down 2.4 percent from \$151,600 in August 2011. The El Paso area issued only 1.7 percent fewer single-family building permits in the year ending August 2012, for a total of about 3,100.

El Paso’s redevelopment includes new construction of apartments and multifamily units, historic building restorations and the development of urban

Freedom Crossing adds an estimated \$350 million in annual sales to Fort Bliss.

villages across the city. Two examples are the 300 acre Montecillo urban village with 2,500 apartments and 500 homes, townhomes, schools, retail, offices with 80 acres of open space and “The Fountains at Farah” 30 building lifestyle retail and restaurant development next to Cielo Vista Mall with a trolley and shuttle for shoppers. Other El Paso metro real estate projects include the downtown Magoffin Park and the Union Plaza entertainment district tenement renovation known as The Mix featuring apartments, new restaurants and retail shops.

The City of El Paso plans further urban development projects to improve El Paso’s quality of life.

The City of El Paso plans further urban development projects to improve El Paso’s quality of life.

Dependent on voter approval, about \$470 million would be spent on parks, recreation and amateur sports facilities such as soccer complexes and a competition-level pool, cultural and entertainment facilities, libraries, museums and a zoo. In 2012, the City also proposed a 2 percent increase in hotel occupancy taxes to help support a \$50 million, 9000-seat stadium at the current City Hall location in downtown El Paso. Located within a sports district, the proposed stadium is designed to attract a Triple-A baseball team from Tucson.

Officials in El Paso and Juarez plan to build the first monorail for shipping cargo across the international border. The 15 mile “elevated gateway” would connect the customs facilities on both sides of the border, move an estimated 2,000 containers daily equal to the number currently crossing the four international bridges in El Paso in 2012. Projected to cost \$140 million, the monorail will take several years to build. Meanwhile, five ongoing Texas Department of Transportation (TxDOT) highway projects, totaling just under \$300 million, are expected to reach completion between 2013 and 2014—the I-10/Americas Interchange, Cesar Chavez Border Highway, Joe Battle/Zaragoza Direct Connectors, Woodrow Bean/TransMountain Extension and the TransMountain West Highway. The Fort Bliss Project Beaumont Overpass was completed in July 2012 at a cost of \$6 million.

In 2012, the City of El Paso approved the creation of a 30-year Tax Increment Reinvestment Zone (TIRZ) around University Medical Center to stimulate economic development in the area to be named the Medical Center of the Americas (MCA). The TIRZ, which includes about 70 non-contiguous acres, is owned in part by the City of El Paso, University Medical Center, Texas Tech University and MCA Americas Realty Inc. The MCA TIRZ is projected to encourage private investment locally and help develop an integrated campus of facilities to position the MCA as the premier regional center of health care delivery, education and research.

El Paso also plans to incubate biomedical companies at the MCA starting with \$3 million from the city between 2012 and 2013 to develop the

El Paso Museum of History

Fort Worth Skyline

PHOTO: Courtesy of Fort Worth Convention and Visitors Bureau

Biomedical Tech Center to complement the Paul L. Foster School of Medicine, University Medical Center, El Paso Children’s Hospital and the Texas Tech Health Sciences Center. Projections call for the MCA to receive approximately \$8.8 million between 2013 and 2030. The University of Texas at El Paso is expected to receive about \$3.4 million from the City of El Paso between 2013 and 2019 to develop methods to secure commercial and energy systems in West Texas and Southern New Mexico against cyber-attacks, equipment failures and natural threats.

The top 10 El Paso metro employers, according to Texas A&M Real Estate Center’s 2012 El Paso Market Report, are Fort Bliss (37,800 military and civilian), T&T Staff Management LP (4,700), Tenet Healthcare Ltd. (3,100), University Medical Center (2,300), Dish Network (1,800), GC Services (1,800), RM Personnel (1,300), Texas Tech University Health Science Center (1,200), Del Sol Medical Center (1,100) and Automatic Data Processing (1,000). El Paso is also home to Western Refining, a Fortune 500 company.

Fort Worth-Arlington MD

In 2009-2010, the U.S. Office of Management and Budget combined the Dallas and Fort Worth metropolitan areas into a single metropolitan statistical area, the Dallas-Fort Worth- Arlington MSA. This MSA is divided into the Dallas-Plano-Irving MD and the Fort Worth-Arlington MD.

The Fort Worth-Arlington MD — including Johnson, Parker, Tarrant and Wise counties — had a calendar 2011 population of almost 2.2 million people, up 1.7 percent from 2010. Tarrant County remained the MD’s largest county with a 2011 population of more than 1.8 million, accounting for 84.8 percent of all residents in the metro area. Tarrant County added the most population, up 1.8 percent between 2010 and 2011, followed by Wise County (up 1.2 percent), Johnson County (up 0.9 percent) and Parker County (up 0.9 percent). The Fort Worth-Arlington MD experienced the sixth largest population increase in Texas.

The Fort Worth-Arlington MD experienced the sixth largest population increase in Texas.

The Fort Worth-Arlington region received a number of accolades between August 2011 and August 2012. In 2012, *Forbes.com* included the Fort Worth-Arlington MD as one of “10 Cities Where Real Estate is Ripe for a Rebound,” ranked the metro 15th in its June 2012 list of “Best Places for Business and Careers” and 16th for “Job Growth.” According to *New Geography* magazine, the MD’s ranking jumped to fourth from 15th among large-sized cities on its “2012 Best Cities for Job Growth,”

In 2012, *Forbes.com* included the Fort Worth-Arlington MD as one of “10 Cities Where Real Estate is Ripe for a Rebound.”

behind first ranked Austin-Round Rock, second-ranked Houston-Sugar Land-Baytown MSA and third-ranked Salt Lake City. *New Geography’s* large-sized cities ranking, released in 2012, was calculated using three-month rolling averages of the U.S. Bureau of Labor Statistics’ (BLS) unadjusted employment figures for the period November 1999 to January 2012 for all MSAs for which the BLS reports monthly employment data.

Making progress toward improving the quality of life for its residents, Fort Worth was among the top three Texas cities that exhibited the most change in the past year. Fort Worth jumped from 33rd place in 2011 to 17th on *CorporateKnights.com’s* “Our Green Cities” 2012 ranking. Taking the sustainability of its city operations seriously, Fort Worth cre-

ated a multi-agency Sustainability Task Force, an alternatively-fueled city vehicle fleet, a bicycle ridership program and other green building programs involving energy efficiency, rainwater harvesting and wastewater reuse.

The Fort Worth-Arlington MD’s unemployment rate dropped to 6.9 percent in August 2012 from 8 percent recorded the previous August. Industry sectors adding jobs in the metro area included education and health services (5,200 jobs, 4.7 percent); natural resources, mining and construction (5,100 jobs, 9.3 percent); professional and business services (4,700 jobs, 4.7 percent); trade, transportation and utilities (4,500 jobs, 2.2 percent); financial activities (2,600 jobs, 4.9 percent); manufacturing (2,500 jobs, 2.8 percent); retail trade (1,800 jobs, 1.8 percent); wholesale trade (1,400 jobs, 3.5 percent); transportation, warehouse and utilities (1,300 jobs, 2.1 percent); leisure and hospitality (1,200 jobs, 1.2 percent); state government (400 jobs, 3.3 percent) and other services (300 jobs, 0.9 percent). Sectors losing jobs during the same period included local government (down 3,600 jobs, 4.1 percent); information services (down 600 jobs, 4.3 percent) and the federal government sector (down 100 jobs, 0.7 percent).

The Fort Worth-Arlington MD is served by four area airports – DFW International, Fort Worth Alliance (FWA) Airport, Meacham and Spinks. The world’s first master planned industrial-use airport, FWA is home to over 265 companies including FedEx, the Drug Enforcement Agency, Bell Helicopter, Cinram, Hyundai, LEGO, Motorola, GENCO, Callaway Golf and many others as a designated foreign trade zone. Approximately 80 percent of the products received at Alliance come from China; another 12 percent draw from South Korea and 8 percent originate from Denmark. FWA also transacts business with Mexico, Taiwan, the Philippines and Thailand. Ranked first among U.S. general purpose Foreign Trade Zones (FTZs) for the value of foreign merchandise admitted to the zone, FWA has ranked first in the nation four out of the last five years. For three consecutive years, FWA took the number one spot on the Foreign Trade Zone Board’s Annual Re-

port (2012) ranking of top U.S. general purpose foreign trade zones based on the value of goods admitted which reached more than \$4 billion in foreign products in 2011.

In 2012, *U.S. News & World Report* ranked more than 120 hospitals in the Dallas and Fort Worth metro areas based on their high-performing specialties. Texas Health Harris Methodist Hospital ranked fifth with six high performing specialties – gastroenterology, nephrology, pulmonology, geriatrics, orthopedics and urology; Baylor All Saints Medical Center at Fort Worth ranked seventh with five high performing specialties—gastroenterology, nephrology, pulmonology, orthopedics and urology; JPS Health Network ranked 10th with two high performing specialties – nephrology and pulmonology and Texas Health Arlington Memorial Hospital tied for 10th with two high performing specialties—geriatrics and neurology/neurosurgery.

Six major universities and metro area colleges help support the Fort Worth MD’s health care infrastructure including Southwest Baptist Theological Seminary, Tarrant County College with five locations, Texas Christian University, Texas Wesleyan University, University of North Texas Health Sciences Center and the University of Texas at Arlington.

The Trinity River “vision” will receive \$15 million in federal funds to build the Henderson and Main Street Bridges in the Fort Worth MD. Part of a larger project forecasted at more than \$900 million, the Trinity River vision involves rerouting and changing the flow of the river through Fort Worth which will create two islands and a 33-acre lake just north of the area. The Texas Rangers in Arlington completed an \$11 million renovation to their center-field Vandergriff Plaza which will include a mezzanine, club pavilion, a renovated sports bar suite and a family entertainment area.

Fort Worth’s tourism draws about 7.5 million visitors and contributes an estimated \$900 million annually to the city’s economy. Major attractions include the Modern Art Museum of Fort Worth, the second largest contemporary museum in the U.S., the Amon Carter Museum and the Kimbell Art

Museum plus the \$60 million 2,000 seat Bass Performance Hall and the Fort Worth Zoo with more than 5,000 exotic animals and 1.2 million visitors. A number of major events attract residents, tourists and competitors to the Starplex Amphitheater for the “Olympics” of classical piano music at the annual Van Cliburn International Piano Competition, the Fort Worth Stockyards, the Cowboys Stadium in Arlington and the Texas Motor Speedway.

The Fort Worth MD attracted 140 new jobs through an expansion of LINKAMERICA Corporation. The City of Fort Worth and Tarrant County completed 15 economic development agreements estimated to stimulate an economic impact of \$1.2 billion. Ferris Manufacturing Corporation, a producer and distributor of PolyMem and Shapes wound care dressing and RhinoPak dressings for nasal surgery, plans to invest \$5.5 million that will create 100 new metro area jobs. Regal Entertainment Group announced it will construct a 14-screen movie theater and a shopping center creating 6,250 jobs. Texas Health Harris Methodist Hospital is scheduled to open a \$57.7 million emergency department in fall 2013 that will boost its bed capacity by 50 percent and triple its footprint to provide training facilities,

Fort Worth’s tourism draws about 7.5 million visitors and contributes an estimated \$900 million annually to the city’s economy.

Fort Worth Museum of Science and History
PHOTO: Courtesy of Fort Worth Convention and Visitors Bureau

a simulation lab for emergency care providers and a clinic for care for elderly patient follow-up care.

For the 12 months ending August 2012, single-family building permits for the Fort Worth-Arlington MD totaled about 14.3 percent more than the previous year, up to more than 5,000 units from 4,400. The average value rose 15.4 percent to \$227,300 in August 2012 from \$197,000 the previous August, according to the Texas A&M Real Estate Center.

According to the Fort Worth Chamber of Commerce, the 10 largest employers in the Fort Worth-Arlington MD are American Airlines Inc. (22,200 employees), Texas Health Resources (18,900), Lockheed Martin Aeronautics, Inc. (15,000), NAS Fort Worth JRB (11,300), Fort Worth Independent School District (11,000), Arlington Independent School District (8,100), City of Fort Worth (6,200), University of Texas at Arling-

ton (6,200), JPS Health Network (4,900) and Cook Children's Health Care System (4,800). Fortune 500 companies headquartered in Fort Worth include American Airlines.

Houston-Sugar Land-Baytown MSA

The Houston-Sugar Land-Baytown MSA includes Austin, Brazoria, Chambers, Fort Bend, Galveston, Harris, Liberty, Montgomery, San Jacinto and Waller counties. The state's largest MSA had the fifth largest population increase in Texas, up more than 1.8 percent. From 2010 to 2011, the Houston metro population rose by 2 percent to nearly 6.1 million people. Two of the three fastest-growing counties, Fort Bend and Montgomery, grew at just over 2.7 percent while Harris expanded by more than 1.7 percent.

In 2012, Houston ranked first in the following categories: America's Coolest Cities to Live, Big

From 2010 to 2011, the Houston metro population rose by 2 percent to nearly 6.1 million people.

Cities Where Self-Employment is Growing the Fastest, Cities Where a Paycheck Stretches the Furthest by *Forbes* and Top Destination City by U-Haul International.

According to the Texas Manufacturing Output Survey, manufacturing factory activity in Texas inched up slightly in 2012. The Houston Purchasing Managers reported reduced sales and slower production during the first half of 2012 while economic activity in Houston’s regional economy remained positive for 32 consecutive months.

The Houston-Sugar Land-Baytown metro’s August 2012 unemployment rate of 7 percent rate tied with the Dallas-Plano-Irving MD’s rate, down from 8.4 percent in August 2011. More than 12 industry sectors added jobs including trade, transportation and utilities (up 21,300 jobs, 4 percent); leisure and hospitality sector (up 18,900 jobs, 7.6 percent); education and health services (up 14,900 jobs, 4.6 percent); natural resources, mining and construction (up 13,600 jobs, 5.1 percent); retail (up 11,000 jobs, 4.1 percent); professional and business services (up 10,200 jobs, 2.6 percent); transportation, warehouse and utilities (up 7,500 jobs, 6.2 percent); other services (up 7,300 jobs, 7.8 percent); manufacturing (up 5,700 jobs, 2.5 percent); financial activities (up 3,800 jobs, 2.8 percent); wholesale trade (up 2,800

jobs, 2 percent) and state government (up 1,100 jobs, 1.6 percent).

Industry sectors losing jobs in the Houston metro included local government (down 6,400, 2.5 percent); federal government (down 600, 2.2 percent) and the information services sector (down 300, 0.9 percent).

Every year, tourists of all ages visit Houston to attend cultural, music and sports events and explore indoor and outdoor spaces in Texas’ largest city. The Houston Zoo is home to more than 4,500 animals and 900 species. The metro’s downtown performing arts scene is home to professional ballet, opera, symphony and theater companies. The Houston Museum District, the fourth largest in the U.S., offers free admission to at least 19 museums including the Houston Museum of Natural Science, The Menil Collection, the Museum of Fine Arts, The Jung Center, the Holocaust Museum, the Houston Center for Photography, the Rice University Art Gallery and the Contemporary Arts Museum among others. Other heavily visited attractions include the 130,000 square foot entertainment Bayou Place megaplex with lounges, restaurants and theaters; the Downtown Aquarium; the Space Center Houston; the Gerald D. Hines Waterwall

Park; the Williams Tower and the Houston Museum of National Science's Burke Baker Planetarium.

The Houston area issued an increased number of single-family building permits in the year ending in August 2012, up 28 percent, for a total of 23,000, compared to just under 18,000 in the same period of 2011. The average value of new homes built in Au-

gust 2012 jumped by 21.9 percent from \$171,200 in August 2011 to \$208,700 in August 2012.

The Houston Airport System (HAS), comprised of George Bush Intercontinental Airport, William P. Hobby Airport and Ellington Airport, is the fourth largest multiple airport system in the U.S., serving more than 50 million passengers between July 2011 and July 2012. With a total economic impact of \$27 billion and 20 airlines serving Bush

and Hobby Airports, the HAS accounts for more than 230,000 jobs in the region. Hobby Airport was the only airport of the three that recorded an increase in passenger traffic for the second consecutive year at 9.8 million, up 8 percent from 2010. By 2020, according to projections released in 2012, the

three airports will serve a total of 80 million traveling passengers. While most passengers traveled domestically, international travel saw 8.6 million travelers in 2011 for an increase of 1.5 percent over 2010. For the last two years, the HAS reported increased international passenger totals. The number of aircraft operating in the Houston Airport System saw its first increase of 0.3 percent after three consecutive years of declines in aircraft operations due largely to increased Hobby Airport aircraft operations. Ellington and Bush Intercontinental Airport aircraft operations fell for a fourth consecutive year. Domestic and international air freight (pounds), excluding airmail going through the system, increased by 5.9 percent during 2011, with international air freight having the most marked increase of 10.7 percent. The HAS operates regularly scheduled flights arriving and departing to and from countries that reach all six continents including London, England; Frankfurt, Germany; Luanda, Angola; Dubai, United Arab Emirates; Hong Kong; Lagos, Nigeria; Sao Paulo, Brazil; Panama City, Panama; Santiago, Chile; Johannesburg, South Africa; Seoul, South Korea; Auckland, New Zealand and more than 30 destinations in Mexico. The HAS also expects to start flight services to Istanbul, Turkey, in April 2013.

The Bush Intercontinental Airport, the 7th largest airport in the U.S., served more than 40.1 million passengers in 2011 with more than 700 daily departures. Bush Intercontinental Airport is ranked third in the U.S. for most scheduled nonstop destinations and eighth in the U.S. for both total passenger traffic and international passenger traffic according to the City of Houston.

A strong business and energy center, top ranked Houston's location, port facilities, advanced transportation and healthcare infrastructure make it a desirable headquarters site for a cluster of large energy, health care research and medicine, nanotechnology, petrochemical, technology and transportation companies. The Houston metro is a magnet for space and aviation, electronics, engineering, information technology and biotechnology businesses and related jobs including NASA's Johnson Space Center

Bush Intercontinental Airport is ranked third in the U.S. for most scheduled nonstop destinations, eighth in the U.S. for both total passenger traffic and international passenger traffic according to the City of Houston.

and the major aerospace and aviation contractors of Boeing, Lockheed Martin, Raytheon and SPACE-HAB. In 2012, Houston also became the new home for Direct Energy, a new electricity, natural gas and home energy services company previously based in Toronto, Canada. Energy leader Exxon Mobil and Anadarko Petroleum both embarked on consolidation of their U.S. operations in the Houston metro area. Exxon Mobil is building a 385-acre corporate campus for 10,000 employees, transferring 2,100 from Fairfax, Virginia and more than 100 from Akron, Ohio.

The energy exploration and production capital of the U.S., Houston has 3,700 energy-related businesses, the top 25 public exploration firms, 16 of the 20 largest U.S. oil pipeline companies and 17 of the 20 largest gas transmission companies. The metro area claims the bulk of operations for more than 150 companies involved in aircraft or space vehicle manufacturing, space research and technology among other transportation support activities. As well as, more than 41.9 percent of the U.S.-based petrochemical manufacturing capacity consisting of more than 400 chemical plants that employ more than 33,000 and connect 200 plants, refineries and salt domes combined with several thousand miles of product pipeline.

An international oil and gas center, 28.8 percent of U.S. jobs are directly or indirectly involved with Houston's oil and gas extraction businesses, 14.7 percent in oil and gas construction machinery manufacturing with 11.3 percent of jobs supporting activities for mining. An estimated 48 percent of oil pipeline capacity and 64 percent of gas transmission capacity is controlled from Houston.

The Houston metro's electronics industry includes more than 250 computer and electronic manufacturers employing nearly 20,000. Electronics and software development employers include Hewlett-Packard, Siemens, Texas Instruments, Texas Medical Center, Johnson Space Center, Rice University, University of Houston and Texas A&M University. Eight major Texas Medical Center research institutions collaborate on medicine, biology, materials science, public policy and nanotechnology.

Houston has 94 foreign consulates, 18 foreign trade and commercial offices, 30 active foreign chambers of commerce and 17 sister city relationships including one in Australia, six in Asia, seven in Europe, one in Africa and two in Latin America. More than 450 European-owned companies make Houston home and another 300 Houston-based subsidiaries conduct business in Europe.

The Houston MSA continues to be a strong center for business. In 2012, the Houston area ranked second among the nation's metropolitan areas in its number of Fortune 500 headquarters with 26 companies. Fortune 500 companies on *CNNMoney's* 2012 Fortune 500 list included Anadarko Petroleum, Cameron International, Conoco Phillips, El Paso, Marathon Oil, Sysco, Enterprise Products Partners, Plains All American Pipeline, Halliburton, Baker Hughes, Frontier Oil, National Oilwell Varco, Apache, Waste Management, EOG Resources, KBR, Enbridge Energy Partners, Centerpoint Energy, Kinder Morgan, Targa Resources, Calpine, Group 1 Automotive, FMC Technologies, CVR Energy, MRC Global and Spectra Energy.

The largest port in Texas, the Port of Houston, was expanded in 2011 and 2012 with plans to in-

invest \$3 billion over the next 15 years to improve its wharves and cranes and upgrade its container terminals to accommodate larger ships which will be able to sail the Gulf of Mexico within two years resulting from the widening of the Panama Canal. Through the first five months of 2012, the Port of Houston Authority held title to number one U.S. port in foreign tonnage and was the second ranked U.S. port in total tonnage. The Port of Houston Authority is the largest port in Texas with a 44 percent market share by tonnage and a 95 percent share in containers. A 2012 study by Martin Associates indicates that ship channel-related businesses contribute more than 1 million jobs throughout Texas, up from 785,000 jobs in the 2007 study. Port activity created more than \$178.5 billion in statewide economic impact, up from \$118 billion in 2007. Port-related business activities also contributed more than \$4.5 billion in state and local tax revenues, up from \$3.7 billion in 2007.

The Port of Houston Authority is the largest port in Texas with a 44 percent market share by tonnage and a 95 percent share in containers.

The Port of Houston, a critical air and sea transportation hub, has a 52-mile stretch of public and private facilities that handle more tonnage than any other U.S. port and is second to Los Angeles in total tonnage in the U.S. The largest Gulf Coast container port, the Port of Houston handles almost 70 percent of U.S. Gulf Coast container

traffic. Comprised of the Port Authority and more than 150 private industrial companies along the Houston Ship Channel, the Port of Houston ranked second in terms of cargo value in 2011 according to the U.S. Customs and Border Protection which reported a 3 percent increase in the amount of cargo over 2010. With its extensive intermodal rail infrastructure and four nearby terminals serving BNSF, KCS and Union Pacific, the port recorded a 1.2 percent increase in imports in 2011 and a 1.1 percent increase in exports over the previous year. Containerized products from China account for 20 percent of all imported items coming through the port, followed by Germany (9 percent) and Brazil (6.7 percent). The top three countries receiving containerized products exported from the Port of Houston are Brazil, Belgium and Turkey. Almost 60 percent of all exports through the port consist of resins and plastics (35.4 percent), chemicals and minerals (14.1 percent) and food and drink (10 percent). The Port of Houston engages in commerce and trade with more than 90 percent of the world's countries including the "BRIC" nations Brazil, Russia, India and China which are considered the world's fastest growing economies.

The oil and gas industry fuels the Houston metro economy, creating 50 percent of jobs related to export of goods and services outside the region. The Motiva Port Arthur Refinery completed its multi-year expansions in 2012 making it the largest oil refinery in the U.S., capable of processing at least 600,000 barrels of crude oil daily. Designed to meet the challenge of rising demand for oil, the joint venture between Saudi Refining Inc. and Shell Oil Company was estimated to cost \$10 billion. The completed project's total estimated economic impact to the Houston region is more than \$17 billion.

Houston's Texas Medical Center (TMC), with 52-members, remains the world's largest medical complex with 92,500 employees. Annually, the TMC serves 7.1 million patients and 16,000 visitors through its 20 academic institutions; 14 renowned hospitals; two specialty institutions; a regional blood center, a vaccine institute and other institu-

PHOTO: Courtesy of Greater Houston Convention and Visitors Bureau

tions providing myriad services for specialized cancer treatment, spiritual and thermal energy treatments among others. TMC includes the University of Texas MD Anderson Cancer Center (MD Anderson), Texas Children's Hospital and St. Luke's Episcopal Hospital.

In July 2012, seven hospitals in the Houston area ranked in the top 20 nationally according to *U.S. News & World Report's* special medical services edition. Methodist Hospital ranked 12th in cardiology and heart surgery, 18th in gastroenterology, 20th in gynecology and 17th in neurology/neurosurgery; MD Anderson ranked first in cancer care, fifth in ear, nose and throat and sixth in gynecology; St. Luke's Episcopal Hospital ranked 19th in diabetes and endocrinology, and 19th in pulmonology; Cullen Eye Institute-Baylor ranked 15th in ophthalmology; Memorial Hermann Hospital ranked third for rehabilitation; Texas Heart Institute ranked sixth for cardiology and heart surgery with The Menninger Clinic ranked fourth in psychiatry. The Texas Children's Hospital was ranked second for neonatology, third in cardiology and heart surgery, third in pulmonology, fourth in cancer care, fourth for gastroenterology, fifth for nephrology, fifth for neurology and neurosurgery, seventh in urology and 14th in diabetes and endocrinology among rankings for children's specialties. Also included on the list of children's health care was Children's Cancer Hospital at MD Anderson which ranked 15th for cancer care.

For the sixth consecutive year and nine of the past 11 years, *U.S. News & World Report* ranked MD Anderson America's number one Best Hospital. The Cancer Center admitted nearly 110,000 patients in fiscal 2011. MD Anderson provided \$215 million in uncompensated care to Texans with cancer in fiscal 2011, including unreimbursed costs of care for either the uninsured, the underinsured or patients whose care was not fully covered by government sponsored health programs. In fiscal 2011, MD

Houston Doctors in Surgery

Anderson had nearly 7,000 trainees, including physicians, scientists, nurses and allied health professionals taking part in its educational programs. MD Anderson employs more than 18,000 people, including 1,500 faculty members, a volunteer work force of 1,100 contributing approximately 200,000 hours of service annually. In 2011, MD Anderson ranked first in the number of grants awarded, including 11 Specialized Programs of Research Excellence (SPORE) grants and total amount of grant dollars from the National Cancer Institute.

According to the Texas A&M Real Estate Center 2012, the 10 largest employers in the Houston metro are ExxonMobil (19,500 employees), Memorial Hermann Healthcare System (19,500), the MD Anderson (17,000), United Continental Airlines (17,000), Schlumberger Limited (15,500), The Methodist Hospital System (13,000), Shell Oil (13,000), Kroger Company (12,000), United Space Alliance (10,200) and National Oilwell Varco (10,000).

For the sixth consecutive year and nine of the past 11 years, *U.S. News & World Report* ranked MD Anderson America's number one Best Hospital.

San Antonio-New Braunfels MSA

The San Antonio-New Braunfels MSA includes Atascosa, Bandera, Bexar, Comal, Guadalupe, Kendall, Medina and Wilson counties. San Antonio, the MSA's principal city, is the second largest city in Texas and the seventh largest city in the nation. Between 2010 and 2011, the San Antonio MSA's population grew by 1.9 percent to nearly 2.2 million. Bexar County, with more than 1.7 million residents, accounts for 80 percent of the MSA's total population.

The eight-county MSA's largest percentage of growth (3.2 percent) occurred in Kendall County, followed by Guadalupe County (2.5 percent), Comal County (2.3 percent), Bexar County (1.9 percent), Wilson County (1.5 percent), Atascosa County (1.3 percent) and Medina County (0.5 percent). Bandera County's population fell by 0.8 percent. The San

Antonio-New Braunfels MSA had the fourth largest population increase in Texas between 2010 and 2011.

The San Antonio-New Braunfels MSA came in first among the top "Best Performing Cities in America" measured by the Milken Institute, first on *Forbes'* "Best Cities for Jobs Right Now" and fourth on its "Best Retirement Places" lists. San Antonio also ranked third on *CNN/Money Magazine's* "Most Business Friendly City" list, seventh on *NewGeography.com's* "Best City for Manufacturing Growth" ranking, fifth on U-Haul's list of "Top 2010 Destinations," seventh in *Travel & Leisure's* "America's Most Romantic Cities" ranking and 14th on *Portfolio.com's* list of "Great Cities for College Graduates." *CNN/Money Magazine's* national ranking for 2011 and 2012 recognized six San Antonio companies on its "Best 100 Companies to Work For" list: Darden Restaurants, EOG Resources, NuStar Energy, RackSpace Hosting, SRC and USAA Insurance.

San Antonio, the MSA's principal city, is the second largest city in Texas and the seventh largest city in the nation.

Yahoo's "Top 8 Cities with Surprising Job Growth" included San Antonio which is projected to attract 150,000 new jobs during the next five years due to energy sector growth, availability of commercial lease space and low housing costs which will attract high technology companies to the MSA.

The San Antonio-New Braunfels MSA's unemployment rate decreased to 6.7 percent in August 2012 from 7.8 percent recorded the previous August. The metro added the most jobs in the leisure and hospitality sector (up 8,800 jobs, 7.9 percent); education and health services (up 3,900, 3 percent); trade, transportation and utilities (up 3,000 jobs, 2.1 percent); natural resources, mining and construction (up 2,800 jobs, 6.1 percent); professional and business services (up 1,900 jobs, 1.9 percent); retail (up 1,800 jobs, 1.9 percent); transportation, warehouse and utilities (up 600 jobs, 2.9 percent); wholesale trade (up 600 jobs, 2.1 percent); other services (up 600, 1.9 percent); manufacturing (up 500 jobs, 1.1 percent); federal government sector (up 400 jobs, 1.1 percent) and financial activities (up 200, 0.3 percent). Comparing the same period, the MSA lost jobs in the state government sector (down 500 jobs, 2.6 percent) and local government (down 500 jobs, 0.5 percent), followed closely by the information services sector (down 400 jobs, 2.2 percent).

A number of Fortune 500 companies maintain headquarters in San Antonio. Top companies on the list include Tesoro, USAA, NuStar Energy, CC Media Holdings and Valero Energy.

San Antonio continues to develop new and renovate existing education, healthcare and transportation infrastructure to meet the demand of its growing population. The metro's higher education institutions include the University of Texas at San Antonio, Texas A&M-San Antonio, Trinity University, the University of Texas Health Science Center at San Antonio, University of the Incarnate Word, St. Mary's University, Our Lady of the Lake University and Baptist University of the Americas' plus five junior colleges. In August 2012, Texas A&M University regents approved \$75 million for two new buildings including a massive future campus centerpiece at Texas A&M-San Antonio to supply

the needs of its 52 percent enrollment increase since 2009. Former military installation Brooks City-Base added 250,000 square feet of retail, apartments, hospitals and playgrounds during the first half of 2012 to meet the needs of an influx of technology consulting firm employees.

The metro's business expansions continued through August 2012 fueled by multiple economic developments. The San Antonio Lighthouse received \$12.7 million from a tax credit program for construction of a 60,000 square foot rehabilitation and manufacturing facility expected to add 100 jobs for full-time blind and vision-impaired workers. Maxim Integrated Products Inc. plans to invest \$65 million to expand its San Antonio fabrication facility. United Health Group anticipates adding 250 new jobs to its current 1,000 San Anto-

The metro added the most jobs in the leisure and hospitality sector.

nio operations center workforce. Chase Bank, one of San Antonio's largest employers, plans to hire another 100 fraud risk operations analysts and 50 customer service workers while expanding bank operations. Calling Solutions expects to add more than 130 workers to its San Antonio-based call center. TechnoCycle, a Houston-based electronic waste recycling company, plans to build a new 30,000 square foot San Antonio facility. Partnering

with RackSpace Hosting on a medical industry cloud computing project, Chinese computer technology firm hiSoft Technology International Ltd. will open a sixth U.S. office in San Antonio and hire 200 people within two years. More than \$26 million in federal funds will help the Texas Biomedical

Research Institute expand its facilities by 70,000 square feet with eight laboratories to research stem cells and work on AIDS, heart disease, diabetes and tuberculosis with another six laboratories for virology, immunology and biomedical safety.

San Antonio's medical care facilities remain a key component of the region's economy. In the midst of the metro's medical construction boom, the

area's biomedical industry provides one out of six local jobs. In 2012, plans for a new children's hospital moved forward for the Christus Santa Rosa Health System, South Texas Medical Center and Methodist Healthcare System. Christus Santa Rosa Health System's downtown campus will become a stand-alone children's hospital at a cost of \$135 million. South Texas Medical Center will pipe in \$1 billion towards plans and new construction during a five year medical center expansion and renovation to be completed in 2014. The Methodist Healthcare System plans \$18.6 million in hospital upgrades, more than \$10 million for Methodist Children's Hospital improvements and \$4.5 million for the Methodist Specialty and Transplant Hospital. The University of Texas Health Sciences Center, while partnering with the Children's Hospital of Philadelphia's pediatric care operations, will pour \$300 million into construction of a new children's hospital. Another \$40 million in construction and renovation funds will flow from the South Texas Veterans Health Care System to develop its new polytrauma center.

San Antonio's transformation into an energy hub continues with economic activities driven by development of the Eagle Ford Shale. According to a University of Texas at San Antonio (UTSA) Institute study, the Eagle Ford Shale provided more than 47,100 full-time jobs and contributed \$25 billion in total economic output in a 20-county region of South Texas in 2011. The powerful economic Eagle Ford engine has attracted domestic and foreign investors, hiring workers and professionals for advanced hydraulic drilling and related projects required for the extraction of increasing amounts of oil and natural gas from the tight shale rock. Construction, design, engineering, logistics and equipment parts suppliers among other businesses employ engineers, geologists, large and small commercial construction contractors, information technology professionals, oil and gas equipment operators plus thousands of other support workers. Projected employment growth may reach nearly 117,000 full-time jobs by 2021. Flint Hills Resources Company plans to invest more than \$250 million to upgrade one of its refineries to process more crude oil from the Eagle Ford Shale.

More than \$26 million in federal funds will help the Texas Biomedical Research Institute expand its facilities.

Texas Biomedical Research Institute

PHOTO: Courtesy of Clem Spalding and San Antonio Economic Development Foundation

Fortune 500 oil giant Baker-Hughes Inc. has partnered with Halliburton to develop products expected to replace the guar bean ingredient in hydraulic fracturing. Baker-Hughes plans to hire 400 employees and Halliburton expects to create between 1,000 and 1,500 jobs.

San Antonio's Toyota plant continues to recover since the March 2011 tsunami hit Japan. In order to meet increased sales demand for the Toyota Tacoma and Tundra models, the plant added an extra production day, increasing production to 900 in April 2012 from 800 three months earlier. Toyota employs about 3,000 workers and the entire San Antonio Toyota campus employs about 6,000. Increased sales and production prompted local and state officials to begin discussions on Phase II of the Project Starbright agreement, originally used to attract Toyota to San Antonio in 2003. Phase II would provide economic incentives for Toyota's planned San Antonio plant workforce expansion to at least 3,800. Incentives include a mix of abatements and tax credits plus \$27.3 million in workforce development funding.

The 1,900 acre industrial park, Port of San Antonio, employs 14,000 workers and produced more than \$4.2 billion in 2011. Of the 80 businesses at the port, 14 include aerospace giants Boeing, Kelly Aviation Center—an affiliate of Lockheed Martin Corporation, Chromalloy, Gore Design Completion, StandardAero San Antonio, Pratt & Whiteley and St. Philip's College Southwest Campus. Half of the workforce is made up of military units such as the Air Force Real Property Agency, the Air Force Center for Engineering and the Environment and the 24th Air Force Cyber Command which moved in earlier this year. Private sector employees comprise the other half of the workforce. Port of San Antonio's East Kelly Railport plans to add 15,000 feet of additional track to move 22,500 railcars annually compared with nearly 4,600 handled in 2011 due to growing rail traffic of industrial and sand pipe used for Eagle Ford Shale oil wells and hydraulic fracturing.

The third largest airport system in Texas behind DFW and Houston, the San Antonio Airport System

(SAS) includes the San Antonio International Airport (SAIA) and Stimson Municipal Airport (SMA). SAS is responsible for nearly 99,000 direct, indirect and induced full-time jobs in the region and generates \$5.1 billion in regional economic output annually.

San Antonio completed the last of the Base Re-alignment and Closure recommendations after \$3.4 billion in construction and approximately \$8.3 billion in economic impact to the city by consolidating five major medical training institutions across the nation at Fort Sam Houston. Brook Army Medical Center transitioned to the San Antonio Military Medical Center and the Wilford Hall Ambulatory Surgical Center at a cost of \$802.3 million; the U.S. Army's Installation Management was consolidated at Fort Sam Houston at a cost of \$121 million. Joint Base San Antonio (JBSA), the Department of Defense's largest base organization, was created through the consolidation of Fort Sam Houston, Camp Bullis, Lackland and Randolph Air Bases. With its 200 mission partners, JBSA recently completed several laboratory projects including the Joint Excellence for Battlefield Health and Trauma Research and the Tri-Service Research laboratory at a cost of approximately \$181 million. JBSA has

The 1,900 acre industrial park of Port of San Antonio employs 14,000 workers and produced more than \$4.2 billion in 2011.

more than 111,000 military personnel and dependents, nearly 33,100 appropriated and non-appropriated civilians and contractors, more than 32,000 military retirees from all military branches and nearly 203,500 veterans for a total of 527,700. JBSA's total regional economic impact of \$11.6 billion includes \$7.2 billion in payroll and contract expenditures of \$2.6 billion with an aggregated jobs count of 42,400 including military construction, contracts and other support services employment.

The MSA's number of new single-family building permits rose 12.6 percent for the year ending in August 2012, for a total of more than 4,500, compared to just over 4,000 recorded the previous Au-

gust. The average value of new single-family dwellings fell by 1.4 percent to \$182,000 in August 2012 from \$184,500 in August 2011, according to the Texas A&M Real Estate Center.

According to the Texas A&M Real Estate Center 2012, the 10 largest private and regional employers in the San Antonio metro are USAA (15,000), Northside ISD (12,200), North East ISD (8,400), Methodist Healthcare System (7,700), Baptist Health System (6,300), University of Texas Health Science Center at San Antonio (6,200), University Health System (5,100), Wells Fargo (4,700), Bexar County (4,500) and Lackland AFB Military (4,500).

The State's Financial Condition: Revenues, Expenditures and Cash Balances

Annual Cash Report vs. Comprehensive Annual Financial Report

The State of Texas issues two financial reports each year: the *Annual Cash Report* and the *Comprehensive Annual Financial Report* (CAFR).

The Annual Cash Report, issued the first Monday in November, presents cash-basis information on revenues, expenditures and balances for funds held in the State Treasury. Balances for funds held outside the Treasury are not reported.

The CAFR, issued the last day of February each year, is prepared in accordance with generally accepted accounting principles (GAAP). It presents a more comprehensive picture of the state's financial condition than the Cash Report by combining the annual financial reports of all state agencies and universities. It also contains additional financial and statistical information necessary to conform to standards set by the Governmental Accounting Standards Board.

The major differences between the Cash Report and the CAFR are:

- (1) The *Cash Report* includes revenues and expenditures for funds held in the State Treasury. The CAFR presents information on all state funds, including those held outside the State Treasury.
- (2) The *Cash Report* presents information for cash receipts and disbursements during the reporting period. The CAFR presents information on the accrual basis recognizing amounts owed by the state but not paid at the end of the fiscal year, as well as amounts due to the state but not received by the end of the fiscal year.
- (3) The *Cash Report* does not show information on real property and other capital assets, long-term obligations or investments held outside the State Treasury. The CAFR includes these items and other items relating to the net worth of the state.
- (4) The *Cash Report* does not include statistical and economic data that is reported in the CAFR.

Funds Consolidation

Consolidated funds are reported as accounts within the Consolidated General Revenue Fund. Dedicated revenues are retained by the special accounts. Tables 1, 2, 17 and 19 present information on the dedicated accounts within the Consolidated General Revenue Fund.

Cash Condition

(Tables 1-2, Chart 1)

Table 1 reports the state's beginning cash balances, receipts, disbursements and ending cash balances for all funds. The ending cash balance for all funds includes cash available for general state spending, cash held in trust, and cash designated for specific purposes. Total cash balances for all funds ended fiscal 2012 with \$32.3 billion, an increase of \$9.7 billion – up 43.3 percent from fiscal 2011 as shown in Table 2, which presents the ending cash balances for all funds for the past five fiscal years.

Consolidated General Revenue includes activity and balances for the General Revenue Fund 0001 (the state's primary general operating and disbursing fund) as well as dedicated accounts consolidated in General Revenue. The ending cash balance of the Consolidated General Revenue Fund for fiscal 2012 was \$1.99 billion, a decrease of \$640 million, or 24.4 percent, from fiscal 2011. Contributing to this decrease was the net effect of a \$533 million increase in total revenue and other sources and a \$1.9 billion increase in net expenditures and other transfers from the General Revenue Fund. The General Revenue Fund is appropriated to support gen-

(1) Consolidated General Revenue contains activity and balances for the General Revenue Fund and dedicated accounts in General Revenue.

(2) Does not include payments made by retailers.

(3) Beginning cash balances have been restated due to reclassification of funds and accounts.

Totals may not sum due to rounding.

eral government expenditures. Because this report does not include accruals a portion of the balance must be reserved for liability of the state and a constitutionally required transfer to the ESF. Thus, the ending cash balance cannot be considered a surplus.

Special Revenue Funds consist of constitutional funds (nonexpendable or expendable for specific purposes) and pledged funds. The State Highway Fund, the Property Tax

Relief Fund (PTRF), Tax and Revenue Anticipation Note (TRAN) Fund, the Economic Stabilization Fund (ESF) and numerous bond and note proceeds funds are among the funds included in Special Revenue Funds. The ending cash balance of the Special Revenue Funds for fiscal 2012 was \$24.7 billion, an increase of \$10 billion, or 68.2 percent, from fiscal 2011. The increase was attributable in part to the receipt in fiscal 2012 of \$9.8 billion in TRAN for cash flow manage-

CHART 1
Ending Cash Balance – All Funds

Years Ended August 31 (Amounts in Thousands)

ment in fiscal 2013. The ESF finished fiscal 2012 with \$6.1 billion in cash, an increase of \$1.1 billion from fiscal 2011.

All Other Funds include trust and suspense funds, such as the Lotto Prize Trust Fund 0895, the Teacher Retirement System Trust Account 0960, and the City, County, MTA and Special Districts Sales Tax Trust Account 0882. All Other Funds ended fiscal 2012 at \$5.6 billion, up \$378 million from the \$5.2 billion at the close of fiscal 2011.

Net revenue for all funds decreased to \$111.5 billion in fiscal 2012, or .04 percent from fiscal 2011. Net expenditures in fiscal 2012 for all funds decreased to \$110.3 billion or 1.4 percent from fiscal 2011.

Net Revenues Excluding Trust Funds

(Tables 3 – 6, Chart 2)

In fiscal 2012, net revenues for all funds, excluding trust, totaled \$94.7 billion, up 0.4 percent from fiscal 2011. Tax collections accounted for 46.6 percent of total net revenues followed by Federal income, which accounted for another 34.8 percent.

For additional detail on state revenue, see Tables 12 and 13.

Tax Collections

Tax collections are the major source of revenue for the State of Texas. The state collected \$44.1 billion in taxes for fiscal 2012, a 13.4 percent increase from fiscal 2011 tax collections.

Texas' sales tax is the largest single tax revenue producer for the state. Bringing in \$24.2 billion in fiscal 2012, the sales tax accounted for 54.9 percent of tax collections and 25.6 percent of net revenue for all funds, excluding trust. Sales tax collections were up 12.6 percent in fiscal 2012 for the second year in a row.

The franchise tax, the state's primary tax on business, was the second largest source of tax revenue in fiscal 2012, accounting for 10.4 percent of total tax collections. Franchise tax receipts were up 16.1 percent from fiscal 2011, totaling \$4.6 billion in receipts.

Sales and rental taxes on motor vehicles and manufactured housing were the third largest tax type. These taxes totaled \$3.6 billion for fiscal 2012, a 19.5 percent increase from fiscal 2011.

Motor fuels taxes on gasoline; diesel and liquid petroleum gas (LPG) were the fourth largest source of tax revenue in Texas, accounting for 7.2 percent of tax collections. Motor fuels taxes contributed \$3.2 billion to the State Treasury in fiscal 2012, an increase of 2.1 percent from fiscal 2011.

Natural gas production taxes continued their significant gains with an increase of 38.3 percent from fiscal 2011, bringing in \$1.5 billion in fiscal 2012. Oil production tax accounted for 4.8 percent of tax collections and also showed a significant increase in fiscal 2012 totaling \$2.1 billion, up 42.8 percent from 2011.

Insurance taxes were up in 2012 with collections totaling \$1.5 billion, a 10.9 percent increase from fiscal 2011. This is due to an increase in insurance premium taxes.

Licenses, Fees, Permits, Fines and Penalties

This category contributed \$7.6 billion to the state. The category includes more than 230 different types of licenses, fees and permits including higher education tuition fees, motor vehicle registration fees, professional fees and various inspection fees. This category accounted for 8 percent of total net revenue in fiscal 2012. In fiscal 2012, total licenses, fees, permits, fines and penalties decreased 3.4 percent from fiscal 2011 collections.

Interest and Investment Income

Interest and Investment Income was up for the first time in four years, increasing 6.2 percent from fiscal 2011. This category contributed \$1.1 billion in fiscal 2012 and accounted for 1.2 percent of total net revenue.

Net Lottery Proceeds

Net lottery proceeds deposited into the State Treasury for fiscal 2012 were \$1.8 billion; up 9.3 percent from fiscal 2011. The proceeds figure represents retailer lottery sales, net of commissions and prize payments made by retailers.

Land Income

Land Income decreased in fiscal 2012 bringing in \$1.4 billion, down \$89.5 million or 6.1 percent from fiscal 2011.

Federal Income

Texas received \$32.9 billion in federal funds during fiscal 2012, a decrease of \$5.5 billion, or 14.3 percent from fiscal 2011. Federal funds accounted for 34.8 percent of total net revenue, the second largest source of revenue in fiscal 2012.

The program categories benefiting from federal money are shown on Table 5. This table distinguishes between

matched and unmatched federal funds that flow through the State Treasury. To receive matched federal funds, the state must spend its own funds first. The table includes federal pass-through funds that are received by the state and passed through to other entities administering federal programs. Direct federal grants to local governments and state universities are not included in this table.

Totals may not sum due to rounding.

Health and Human Service programs received more federal money than any other governmental function bringing in \$21.5 billion. The federal money was used for medical aid and public assistance programs, with some of the funding being distributed to other agencies to administer the programs.

Education and highway construction programs also benefit from large amounts of federal funds. Federal funds funneled into the Texas education system totaled \$5.9 billion, which is almost entirely unmatched revenue. The Texas Department of Transportation (TxDOT) received \$2.9 billion of federal money, all of which is matched.

Table 6 lists the agencies receiving the largest amounts of federal funds. The top sixteen agencies are identified with the remaining recipients of federal funds grouped together in “All Other Agencies.”

The Health and Human Services Commission saw the largest dollar decrease in federal funds of \$2.9 billion. The Texas Education Agency and the Texas Department of Housing and Community Affairs saw the next two largest dollar decreases of \$1.3 billion and \$661 million, respectively, from fiscal 2011.

Net Expenditures Excluding Trust Funds

(Tables 7-8, Charts 3-4)

In fiscal 2012, net expenditures for funds, excluding trust, totaled \$94.3 billion, a decrease of 1.3 percent from fiscal 2011. By government function, health and human services expenditures were the largest, accounting for 40.5 percent of total net expenditures. By expenditure object, public assistance payments accounted for 37 percent of total net expenditures.

Expenditures by Function

Expenditures by governmental function are determined by the primary function of an agency. Expenditures that are applicable to many agencies are reported separately in a spe-

cific expenditure category. Employee benefits include specific expenditures for all agencies as well as all expenditures for agencies having employee benefits as their governmental function.

In fiscal 2012, Texas' largest expenditure function was health and human services. Total health and human services expenditures were \$38.1 billion, a decrease of \$591 billion, or 1.5 percent from fiscal 2011.

Texas' second-largest expenditure was for education, totaling \$33.7 billion in fiscal 2012, an increase of \$145 million, or 0.4 percent over fiscal 2011. This increase is due to increased payments to school districts.

For additional detail on expenditures by function, see Table 14.

Expenditures by Expenditure Category

State spending is shown under various expenditure categories in addition to the broad governmental function categories. Expenditure categories include salaries and wages, public assistance payments and intergovernmental payments.

Accounting for 37 percent of total expenditures, public assistance payments ranked as the largest expenditure category for the state totaling \$34.9 billion in fiscal 2012, a decrease of 2.8 percent from fiscal 2011.

The state's largest intergovernmental payment is the Foundation School Program, which is administered by the Texas Education Agency. Under this program, grants are made to local school districts to pay the state's share of the public school bills. In fiscal 2012, these grants amounted to \$19.2 billion, an increase of 8.8 percent over fiscal 2011. Once

again, these payments represent the state's larger share of total public education funding in conjunction with a reduction in local school district property taxes. Other public education grants were made to purchase textbooks and to provide funding for students at risk, students with disabilities and child nutrition programs. These expenditures added \$6.3 billion to the education total, a decrease of 16 percent from fiscal 2011.

Salaries and wages for state employees, including faculty at state colleges and universities, accounted for the third largest use of state funds. These expenditures totaled \$10.3 billion in fiscal 2012, a slight decrease from fiscal 2011 of .7 percent.

For additional detail on expenditures by object, see Table 15.

Flow of Funds to Local Governments – All Funds

(Table 9)

Each year, Texas distributes money from state and federal sources to local governments for a variety of program categories. In fiscal 2012, Texas disbursed \$36 billion to local governments, school districts and junior colleges. Funds flowing to judicial districts and political subdivisions are included under “Other” in the table.

Education accounts for 91.4 percent of state and federal funds (74.4 percent of all funds) flowing to local governments. In support of education programs, \$26.8 billion was

sent to school districts, junior colleges, and other local governments in fiscal 2012. Appropriations, in addition to normal funding from the Foundation School Program, were provided for payments in fiscal 2012 to provide for local school district property tax relief.

The largest percent increase in flow of funds to local governments in fiscal 2012 was for Natural Resources/ Recreational Services, totaling \$470.2 million, an increase of 152.4 percent over fiscal 2011.

“Shared Revenue” includes mixed drink gross receipts tax, bingo receipts tax and hotel tax. “Taxes Collected in Trust” includes local sales and use tax and other local taxes collected by the state and distributed to local governments.

(1) In accordance with Statement Number 25 and 31 of the Governmental Accounting Standard Board, applicable investment's ending balances are reported at fair value.
(2) Data presented is unaudited and subject to change prior to publication of the State of Texas Comprehensive Annual Financial Report.
(3) Investment balances in the Lotto Prize Trust Fund are excluded, as the original value is shown as cash in the State Treasury.

Totals may not sum due to rounding.

Investment Accounts

(Table 10)

At the end of fiscal 2012, investments held by funds within the State Treasury totaled \$185.7 billion, excluding securities lending collateral. Securities lending collateral accounted for another \$23.8 billion, bringing the total investment balance to \$209.5 billion at the end of fiscal 2012.

In 1998, the state implemented GASB Statement 31, which requires certain investments to be reported at fair value.

Fair value reporting for investments in pension funds was implemented in fiscal 1996 under GASB Statement 25.

Various agencies are authorized by the Constitution or by statute to invest fund balances in securities. Limitations are placed on most of these agencies as to the type of securities in which they can invest.

Some of the state funds with investment authority are non-expendable funds. Principal in these funds cannot be appropriated for state spending; however, earnings on investments can be appropriated.

(1) Tobacco suit settlement receipts and other revenues received in General Revenue Account 5040 are included in the General Revenue Fund 0001 totals. Account 5040 was created to receive settlement money resulting from the final judgment in the State of Texas v. the American Tobacco Company et. al. All monies received are considered unrestricted.

(2) Due to statutory or contractual restrictions, these amounts are dedicated for specific purposes and are not considered available.

(3) As required by Article III, Section 49-g of the Texas Constitution, a transfer to the Economic Stabilization Fund 0599 in the amount of \$1,087,635,776.78 was made in fiscal 2012.

Totals may not sum due to rounding.

Unrestricted General Revenue

(Table 11)

Table 11 shows the amount of General Revenue that is available after constitutional allocations and other restrictions. The \$42.3 billion shown is to support bond debt service payments and general revenue appropriations.

All allocations and transfers are shown in the year in which the actual allocation or transfer occurred. Restrictions

for transfers to the Economic Stabilization Fund are classified as constitutional on a separate line item and not attributable to any specific revenue source.

The statutory definition of limitation on debt payable from general revenue does not consider state statutory restrictions in determining the amount of Consolidated General Revenue available for bond payments.

Revenues, Expenditures and Cash Balances of State Funds

TABLE 12

Net Revenue by Source and Object

Years Ended August 31

This table shows revenue for the prior and current fiscal year by object code within source for all state funds. Current year revenues are also presented net of trust funds.

Each revenue item is identified by a unique code described in the Comptroller Manual of Accounts. The four digit object code is the lowest level of detail provided for state receipts. The source code can correspond to a single object code, but generally represents a grouping of two or more object codes.

SOURCE/OBJECT	2011 Revenue (All Funds)	2012 Revenue (All Funds)	Percentage Change	2012 Revenue (Excludes Trust)

TABLE 13

Net Revenue by Receipt Category, Type and Object

Years Ended August 31

This table shows revenue for the prior and current fiscal year by object code within category and type. Current year revenue is also presented net of trust funds.

The category represents a homogenous grouping of revenues collected by the state. The category typically translates to the function of government. Within each category, revenues can be further grouped using the receipt type.

Receipt Category/Type/Object	2011 Revenue (All Funds)	2012 Revenue (All Funds)	Percentage Change	2012 Revenue (Excludes Trust)
TRANSPORTATION

TABLE 14

Net Expenditures by Function and Department

Years Ended August 31

This table shows expenditures for the prior and current fiscal year for departments within governmental functions for all state funds. The current year is also presented net of trust funds.

The primary function of a department is the basis for determining expenditures by governmental function. Expenditures that are significant in amount and that apply to numerous agencies are shown separately, rather than being shown under the individual agency's function. These include employee benefits, capital outlay, and debt service – interest. This presentation provides better information to the reader. Employee benefits include both specific expenditures for agencies having the employee benefit function, as well as expenditures made for employee benefits by agencies having other governmental functions.

FUNCTION/DEPARTMENT	2011 Expenditures (All Funds)	2012 Expenditures (All Funds)	Percentage Change	2012 Expenditures (Excludes Trust)
LEGISLATIVE

TABLE 19

Petty, Travel and Imprest Cash Advance Funds by Fund and Department

Year Ended August 31, 2012

This table presents balances of petty, travel, and imprest cash for each agency maintaining these accounts outside the State Treasury. The cash is transferred from the State Treasury to a local bank account or kept on hand for use by the agency.

Travel, imprest, and petty cash advance funds are specifically authorized by statute. The funds are reimbursed by warrants drawn and approved by the Comptroller of Public Accounts out of funds in the State Treasury. Closing a petty cash account does not increase an agency's appropriations. The statutes governing these funds are Texas Government Code Annotated, sections 403.241 – 403.252.

Fund/Department	Petty Cash	Travel Cash	Imprest Cash
0001 General Revenue Fund			
102 House of Representatives	\$	\$ 3,500.00	\$

Notes to the Annual Cash Report

Note 1 Annual Cash Report Presentation

The 2012 Annual Cash Report for the state includes all funds in the State Treasury and has been prepared primarily from accounts maintained by the State Comptroller's Office. Additional data has been derived from reports prescribed by the Comptroller and prepared by various agencies of the state. Report table totals may not sum due to rounding.

Note 2 Summary of Significant Accounting Policies

a. Basis of Accounting

The funds in the State Treasury are accounted for on a cash basis as required by the Texas Constitution and by law. Revenue is reported in the period when the related cash collection is made and expenditures are reported in the period when the cash disbursements are made.

b. General Ledger

Amounts presented on Tables 1 and 10 represent account balances from the general ledger maintained by the Uniform Statewide Accounting System (USAS). These accounts are adjusted after year end (8/31/2012) to reflect accrual based activity reported in the Comprehensive Annual Financial Report. Timing differences may result in a variance between the two reports.

c. Pooled Cash and Cash Equivalents

Amounts reflected in this report as cash in the Treasury are pooled and reinvested by the Treasury in various financial instruments. The depository interest on the cash pool is credited proportionately to each fund eligible to receive the interest. Depository interest earnings are transferred to each fund on a periodic basis.

The following is a reconciliation of total cash in the Treasury account per this report to the actual balance of the pool of cash reinvested.

Cash Reconciliation Comptroller and State Treasury	
Cash in State Treasury (Comptroller Records)	\$ 32,255,241,843
Less: Lottery Investments held as cash	(525,524,610)
Less: Balance of Fund 0938 (In Federal Treasury)	(1,308,242,301)
Plus: Items in Transit and Outstanding Warrants	421,678,000
Plus: GASB 31 Mark to Market	<u>89,749,120</u>
Pooled Cash and Cash Equivalents (State Treasury Division Records)	<u>\$ 30,932,902,051</u>

The following is a breakdown of the pooled cash and cash equivalent investments which is reported at fair market value (FMV) in financial institutions by type of instrument:

Treasury Fund Cash	
Time Deposit	\$ 6,397,700
Non-interest-bearing Demand Accounts and NOW Accounts	29,518,535
BIDTX	511,800,000
Repurchase Agreements	6,474,000,000
US Government Securities (FMV)	14,941,768,810
Mortgage Backed Government Securities (FMV)	2,614,197,349
Asset Backed Securities	2,245,194,951
Commercial Paper	1,660,279,123
Mutual Funds	522,000,000
Accrued Interest	40,836,385
Cashier's Cash (cash and checks in transit)	1,378,611
Investment in Treasury Safekeeping Trust Company	1,000,000
Supranational	355,583,000
Israel Bond	44,000,000
Corporate Obligations	1,551,784,622
Less: Obligations under Reverse Repurchase Agreements	<u>(66,887,034)</u>
Total Pooled Cash and Cash Equivalents	<u>\$ 30,932,902,051</u>

d. Interfund Borrowing

The Comptroller is authorized by law to borrow money from statutory funds to cover General Revenue Fund shortfalls. These transfers to the General Revenue Fund are temporary and are returned to the lending fund as soon as practical. The Comptroller preserves the fund equity, and the depository interest is allocated as if the transfers had not been made.

On August 31, 2012, all short-term borrowings of the General Revenue Fund had been returned to the lending statutory funds and no liability existed.

e. Investments

Various agencies of the state are authorized by law to invest and reinvest the balances of certain funds in the State Treasury. Unlike the cash pool investments of the State Treasury in Note 2c, these agency investments are purchased directly from individual fund resources and thus reduce the cash balance of the related funds. The investments are maintained as an asset of the fund from which they are purchased.

Investments held by non-pension trust funds are reported at fair value in the balance sheet and investment income is recognized as revenue in the operating statement. However, money market investments and participating interest-earning investment contracts can be reported at amortized cost provided the investment has a remaining maturity of one year or less at the time of purchase. Pension trust funds are reported at fair value.

f. Bonded Indebtedness

Outstanding bonded indebtedness is maintained as a long-term liability. This includes the constitutionally authorized general obligation bonds – which are accounted for in special funds in the State Treasury – higher education constitutional appropriation bonds and Permanent University Fund bonds. These bonds are recorded at par and are reduced by the amount of each payment of principal.

Note 3 Tax and Revenue Anticipation Notes

The Tax and Revenue Anticipation Note Fund (0577) had a balance at fiscal year-end that included \$98,000,000 in “good faith money” the State received on August 21, 2012 when the Series 2012 Tax and Revenue Anticipation Notes (TRAN) in the amount of \$9,800,000,000, were sold. On August 30, 2012, \$9,924,920,660 was received (the proceeds less “good faith money” of the Series 2012 TRAN, plus the

premium). The State of Texas sold \$9,800,000,000 in Series 2012 Tax and Revenue Anticipation Notes at a coupon rate of 2.50% and a net interest cost of .2253%. The Series 2012 TRAN will be repaid on August 30, 2013.

Note 4 Tax Rates and Taxable Bases for Major Texas State Taxes

The following table shows the rates and tax bases for major State taxes collected in the State of Texas for the year ended August 31, 2012. The rates shown are for state taxes only and do not include any local tax component. Taxes not shown include: Cement Tax, Oil and Gas Well Servicing Tax, Bingo Tax, Sulphur Tax, Coin-Operated Amusement Machine Tax, and minor occupation taxes.

Note 5 Notable Agency Changes

The 82nd Legislature made several agency changes. The Texas Juvenile Probation Commission (Agency 665) and the Texas Youth Commission (Agency 694) were abolished and the duties transferred to the new Texas Juvenile Justice Department (Agency 644).

Although established in statute, the new Office of Violent Sex Offender Management (Agency 544) is funded as a separate division under the Department of State Health Services (Agency 537) for the 2012-2013 biennium.

The Texas Department of Rural Affairs (Agency 357) became a department within the Department of Agriculture (Agency 551).

Texas Real Estate Commission (Agency 329) was changed to a self-directed, semi-independent agency.

Note 6 The American Recovery and Reinvestment Act

The American Recovery and Reinvestment Act (ARRA) of 2009 is a bill, enacted by the 111th United States Congress and signed into law by the President on Feb. 17, 2009, for economic stimulus purposes.

The Texas Legislature appropriated \$14.4 billion of the ARRA funds for fiscal 2009, 2010 and 2011 in anticipation of known allocations available to the state. Five state agencies account for 93% of those appropriations: Texas Education Agency, Health and Human Services Commission,

Tax Rates and Taxable Bases for Major Texas State Taxes

Fiscal 2012

<u>Tax</u>	<u>Rate and Base</u>
Sales Taxes	<p>Limited Sales and Use: 6.25 percent of the retail sale price of tangible personal property and selected services.</p> <p>Boat and Boat Motor: 6.25 percent of the total consideration paid for a boat or boat motor; \$15 tax for each boat or boat motor brought into the State by a new resident.</p> <p>Fireworks: 2.0 percent of the sales price of fireworks, in addition to the 6.25 percent limited sales and use tax.</p> <p>Texas Emissions Reduction Plan Surcharge: 2.0 percent of the sale or lease price of all off-road, heavy-duty diesel equipment (other than some implements of husbandry).</p>
Natural Gas	7.5 percent of the market value of natural gas produced in the State.
Production Taxes	4.6 percent of the market value of condensate produced in the State or 4.6¢ per barrel of condensate produced in the State, whichever is higher.
Oil Production and Regulation Taxes	<p>Production: 4.6 percent of the market value of oil produced in the State or 4.6¢ per barrel of crude oil produced in the State, whichever is higher.</p> <p>Regulation: 3/16 of 1¢ on each barrel produced in the State.</p>
Motor Fuel Taxes	<p>Motor Fuel: 20¢ per gallon of gasoline or diesel fuel (eligible transit companies qualify for a refund of 1¢ per gallon on gasoline and 1/2¢ per gallon on diesel fuel).</p> <p>Special Fuels: 15¢ per gallon of liquefied gas.</p>
Motor Vehicle Sales and Use, Rental, and Manufactured Housing Sales Taxes	<p>Sales and Use: 6.25 percent of vehicle sales price, less any trade-in; \$90 tax for each motor vehicle brought into the State by a new resident; \$10 tax paid by donee for each gift of a motor vehicle; \$5 tax paid by each party in an even exchange of two motor vehicles; 1.0 percent or 2.5 percent Texas Emissions Reduction Plan surcharge on certain diesel trucks.</p> <p>Rental: 10 percent of gross receipts on rentals of 30 days or less; 6.25 percent on rentals of 31 to 180 days.</p> <p>Manufactured Housing Sales: 5 percent of 65 percent of the sales price on the initial sale or use of a new manufactured home.</p>
Cigarette, Cigar and Tobacco Products Taxes	<p>Cigarettes:</p> <ol style="list-style-type: none"> (1) \$70.50 per 1,000 weighing 3 pounds or less (\$1.41 per pack of 20). (2) \$72.60 per 1,000 weighing more than 3 pounds (\$1.452 per pack of 20). <p>Cigars and Tobacco Products:</p> <ol style="list-style-type: none"> (1) Cigar rates vary with weight per 1,000 cigars, constituents, and price: From 1¢ per 10 cigars for weight under 3 lbs. to \$15 per 1,000 cigars for weight over 3 lbs. (2) Snuff, chewing tobacco, pipe tobacco, and roll your own tobacco: \$1.16 per ounce of manufacturer's list weight in fiscal 2012.

Concluded on the following page

Tax Rates and Taxable Bases for Major Texas State Taxes (concluded)

Fiscal 2012

Tax	Rate and Base
Franchise Tax	1.0 percent of taxable margin (taxable entities not primary engaged in wholesale or retail trade), or 0.5 percent of taxable margin (taxable entities primarily engaged in wholesale or retail trade). Taxpayers with total revenue of \$10 million or less may elect to pay tax on revenue apportioned to Texas at a rate of 0.575 percent.
Alcoholic Beverage Taxes	<p>Beer: \$6.00 per 31 gallon barrel.</p> <p>Liquor: \$2.40 per gallon.</p> <p>Wine: Alcohol volume not over 14 percent – 20.4¢ per gallon. More than 14 percent – 40.8¢ per gallon. Sparkling wine – 51.6¢ per gallon.</p> <p>Malt Liquor (Ale): 19.8¢ per gallon.</p> <p>Mixed Beverage: 14 percent of gross receipts.</p> <p>Airline/Passenger Train Beverage Tax: 5¢ per serving.</p>
Insurance Premium Taxes	<p>Life Insurance and Health Maintenance Organizations: 0.875 percent of the first \$450,000 in taxable gross life premiums or HMO taxable gross receipts, and 1.75 percent of taxable gross life premiums or HMO taxable gross receipts in excess of \$450,000.</p> <p>Property and Casualty Insurance: 1.6 percent of gross premiums written in Texas.</p> <p>Accident and Health Insurance: 1.75 percent of gross premiums written in Texas.</p> <p>Unauthorized, Independently Procured, and Surplus Lines Insurance: 4.85 percent of gross premiums written for the insured whose home state is Texas.</p> <p>Title Insurance: 1.35 percent of gross premiums written in Texas.</p>
Inheritance Tax	None: Federal law incrementally phased out the State's share of the federal tax until it was fully eliminated for deaths occurring in calendar 2005 and beyond.
Utility Taxes	<p>Public Utility Gross Receipts Assessment: One sixth of 1.0 percent of gross receipts</p> <p>Gas, Electric and Water Utility:</p> <ol style="list-style-type: none"> (1) Cities 1,000 – 2,499 population – 0.581 percent of gross receipts; (2) Cities 2,500 – 9,999 population – 1.070 percent of gross receipts; (3) Cities 10,000 population or more – 1.997 percent of gross receipts. <p>Gas Utility Pipeline: One half of 1 percent of gross income (gross receipts less the cost of natural gas sold) of gas utilities.</p>
Hotel Occupancy Tax	6 percent of room rate paid by occupant.

Texas Department of Transportation, Texas Department of Housing and Community Affairs, and the Texas Workforce Commission. The major federal programs awarded with ARRA funds include State Fiscal Stabilization Fund – Education State Grants, Medical Assistance Program, and Highway Planning and Construction. The American Recovery and Reinvestment Act Fund 0369 was created by House Bill 4583, 81st Legislature, to account for ARRA funds. Fund

0369 began fiscal 2012 with a balance of \$65 million. The State of Texas received \$2.120 billion of ARRA funds and made expenditures of \$2.156 billion during fiscal 2012 resulting in an ending balance of \$29 million in Fund 0369.

The federal government is also awarding ARRA funds directly to local governments and other entities, such as military bases, in Texas in the form of grants, loans and contracts.
