Gentlemen:

We are pleased to submit the *Fiscal 2018 Annual Report for the Statewide Historically Underutilized Business (HUB) Program*.

The HUB program is a component of the Texas Procurement Division of the Comptroller of Public Accounts. Texas Government Code § 2161.121 requires the program to submit this report, which summarizes and analyzes expenditures made to certified HUBs by state agencies and institutions of higher education from Sept. 1, 2017, through Aug. 31, 2018.

During fiscal 2018, 15,667 firms were registered as Texas-certified HUBs with 4,278 of these firms received 13.08 percent, or \$2,682,307,194, of all statewide expenditures.

A comparison between the total HUB expenditures reflected in the fiscal 2017 and 2018 annual tables on page 3 of the Executive Summary shows that the state's total expenditures with HUBs increased in all six categories.

The HUB report includes state agency rankings, expenditure data and supplemental reports and letters from various state agencies documenting their continued efforts to educate HUBs about procurement opportunities.

This report is available online at www.cpa.state.tx.us/procurement/prog/hub/hub-reporting/hub-report-FY18. If you have questions or require additional information, please contact Laura Cagle-Hinojosa, Statewide HUB Manager, at Laura.Cagle-Hinojosa@cpa.texas.gov or 512-463-4583.

Respectfully,

Tres Lorton
Director, Statewide Procurement Division

Executive Summary

In Texas, certification as a historically underutilized business (HUB) can increase the opportunities of companies owned by minority members, service-disabled veterans and women to do business with the state, thus furthering the Legislature's goal of supporting such businesses. The HUB certification process is administered by the Statewide Procurement Division (SPD) of the Texas Comptroller of Public Accounts.

During fiscal 2018, Texas had 15,667 certified HUBs. About 27.31 percent of them participated in state contracts as prime contractors or subcontractors, collectively receiving 13.08 percent of all statewide expenditures.

State entities must search the Centralized Master Bidders List (CMBL) when planning to buy goods and services that cost more than \$5,000. Based on the results of their searches, they contact vendors directly by mail, fax, email or telephone with invitations for bids. At the end of fiscal 2018, about 21.71 percent of the state's certified HUBs were registered with the CMBL.

The state's overall spending through term contract purchases during fiscal 2018 totaled nearly \$81.4 million less than in the same period of the previous year. The percentage of dollars HUBs received as a result of term contract purchases fell from 3.73 percent to 2.07 percent.

The state's overall spending through group purchases for fiscal 2018 rose by nearly 42.78 percent from the same period in the previous year, from \$100.5 million to about \$175.7 million. Total group-purchasing dollars spent with HUBs, increased by about 85.88 percent.

This report summarizes current HUB status and spending trends.

Total Statewide Expenditures

The state's total spending for fiscal 2018 rose by more than \$236 million compared with the previous fiscal year (or 1.16 percent) during the same period, while the share of statewide expenditures to HUB increased from 11.97 percent to 13.08 percent.

**Supplemental Letter for FY 2018 Annual HUB Report
Agency Number-103**

The Texas Legislative Council (TLC) is committed to the State of Texas Historically Underutilized Business (HUB) Program. In FY18 TLC's total spend was \$ 8,933,241.16 of which \$ 2,112,927.75 or 23.65 percent, was spent with HUBs. TLC was recognized in the Fiscal 2017 Annual HUB report as the 10th out of the top 25 agencies spending more than \$5M with largest percentage spend with HUBs for FY17. The council will continue to maximize contract opportunities for HUB vendors in our procurement process. This effort is illustrated by the following activities since August 2017.

- TLC participated as an exhibitor in the 2017 Small, Minority, Women and Veterans Business Owners (SMWVBE) Bexar County Contracting Conference at the Freeman Expos Hall in San Antonio on December 06, 2017.
- TLC participated as an exhibitor in the Texas Comptroller of Public Accounts Statewide HUB Program's 2018 Procurement Connection Seminar and EXPO in Austin on October 4, 2017. The event included a variety of HUB Speakers that offered insight and tips to current and future HUB vendors through panels and workshops.
- TLC attended two HUB Discussion Work Group (HDWG) meetings on September 8, 2017 and January 26, 2018. The DHWG are composed of state agency HUB coordinators and purchasers who meet periodically to share information and provide proactive feedback to the Texas Procurement and Support Services Division of the CPA.
- TLC maintained HUB related information and upcoming HUB event links on our agency's web page.
- TLC participated as an exhibitor for Senator West's Doing Business Texas Style Spot Bid Fair in Irving, Texas on May 7 and 8, 2018. At the conclusion of this event, TLC awarded \$42,940.43 in contracts.

The Texas Legislative Council supports the State of Texas HUB program and will continue to keep HUB participation a priority. Should you have any questions regarding the agency's good faith efforts, please contact our HUB Coordinator, Mr. Craig O'Brien or our CFO, Mr. Mathew Richardson, at (512) 463-1155.

Jeff Archer

542 – Fiscal 2018 Annual HUB Report Supplemental Letter

Our small, General Revenue only funded judicial agency is comprised of 14 FTEs and our budget is mostly comprised of employee salaries and travel expenses for our Commissioners. As a small agency, we face unique problems that many larger agencies do not face since we only utilize 2 of the 6 HUB categories. We have actively sought out HUB vendors for our office supplies as well as our court transcriptions. We continue to make every effort to utilize HUBs whenever possible.

Sincerely,

Kathryn Crabtree

GOVERNOR GREG ABBOTT

300 & 301 – Fiscal 2018 Annual HUB Report Supplemental Letter

The Office of the Governor is committed to providing Historically Underutilized Businesses (HUBs) the opportunity to participate in the Office's procurement process for all goods and services. At every opportunity, the Office of the Governor contracts with vendors who are either HUBs or who sub-contract with HUBs.

Not reflected in our expenditure totals and percentages are the many small business forums and workshops that our office of Economic Development and Tourism – Office of Small Business Assistance performs. The office has helped to increase contracting opportunities for Texas small businesses by educating them through forums and workshops held statewide in collaboration with the Texas Workforce Commission. These provide a great opportunity to network and connect with industry specialists, government officials, service providers and other regional businesses.

Additional forums and workshops are scheduled for FY19 focusing on a wide range of opportunities available to all businesses, including minority and woman owned businesses, veterans, and businesses interested in expanding globally.

In addition, The Governor's Commission for Women provides resources and tools for the Women of Texas with a focus area on Women-owned businesses. A major event the Commission participated in was the State Agency Council Sponsored Female Entrepreneurship Panel which hosted a roundtable discussion on how women can start businesses in Texas.

The Office of the Governor will continue its' commitment to the State of Texas' HUB program.

Sincerely,

TEXAS GENERAL LAND OFFICE
GEORGE P. BUSH, COMMISSIONER

Agency 305 Fiscal 2018 Annual HUB Report Supplemental Letter

The GLO made the following good faith efforts towards increasing economic opportunities for Historically Underutilized Businesses (HUBs) during FY18:

Outreach

- The GLO attended 11 Economic Opportunity Forums, 12 Annual meetings, 12 Advocacy Group meetings (TAAAC and TAMACC), hosted 36 HUB events (HUB Discussion Work Group meetings, internal HUB forums, pre-proposal conferences) and attended 16 other events.
- Three (3) on-going Mentor-Protégé teams are actively communicating on a regular basis, pursuing business with the state and federal governments. One new Mentor-Protégé team was added in July.

HUB Subcontracting

- HUB Subcontracting Plan compliance has increased in combination with GLO's HUB Outreach team attending all pre-proposal conferences and offering HSP "courtesy" reviews.
- Although Governor Abbott's disaster declaration for Hurricane "Harvey" exempted the agency from all purchasing and HUB requirements, all emergency solicitations included HUB Subcontracting Plans, providing opportunities to HUBs in the recovery work.
- Direct HUB expenditures were \$ 17,058,441
- HUB subcontracting reported to the agency were \$12,894,480
- Second tier HUB subcontracting reported to the agency totaled \$217,000
- Total agency HUB expenditures were \$29,952,921

Factors affecting HUB goal attainment

HUB goals set forth in the 2009 Disparity Study are not appropriate to the agency due to specialized program requirements such as geographic locations of the work, unique missions of the agency (State Energy Management Program), the operation of the 8 skilled veteran nursing homes, certified land appraisers in remote areas of the state, architects experienced in world-class historical museum design, economic re-development, or compliance with the agency's federal partner, Housing Urban Development Community Development Block Grant.

- The agency has exceeded its HUB goals in 4 of 5 applicable procurement categories.
- Expenditures with local governmental entities, in the amount of \$3.8m, were deleted from the agency's total expenditures.
- Special Trades: Remote locations of the skilled veteran nursing homes make it difficult to find HUBs.
- Professional Services: Included here are certified land appraisers outside of the metropolitan cities, mortgage land or loan processing services.
- Other Services: Expenditures included Harvey related home repair, construction, general disaster services, modular housing, veteran home and veteran cemetery operations.
- Commodities: The GLO expended \$4m in pharmaceuticals, for the residents of the state's skilled veteran nursing homes and natural gas pipeline distribution costs in the amount of \$67.6m.

Supplemental Summary for the FY 2018 Annual HUB Report for Agency 347

In compliance with Texas Government Code, Chapter 2161, the Board of the Authority has adopted the Comptroller's Statewide HUB Utilization Goals (34 TAC §20.284), as well as more detailed procedures for HUB participation goals in bond issues, in compliance with the published rules. These procedures are included in the Authority's strategic plan and reflected in its bond underwriting policies.

For negotiated bond underwritings approved during the FY 2018-2019 biennium, the Board has selected a pool of twenty (20) underwriting firms that includes one (1) HUB firm and six (6) disadvantaged business enterprise (DBE) firms. During this reporting period, the Authority completed two (2) negotiated bond sales. In accordance with its standing procedures for negotiated bond sales, underwriters are selected from the Authority's underwriting pool on a transaction by transaction basis. On one (1) of the negotiated bond transactions, 30% of the overall takedown of underwriting fees was paid to a DBE firm. Underwriter fees are netted from bond proceeds before being deposited into the state treasury; therefore, such fees are not reflected in the Authority's overall expenditures. For legal services for the biennium ending August 31, 2019, the Board pre-qualified a pool of eight (8) law firms, two (2) of which are HUBs, to serve as Bond Counsel on the Authority's bond issues. Bond Counsel firms are selected on a transaction by transaction basis. The two (2) HUB firms provided legal services on the negotiated bond transactions closing during the reporting period. On one (1) negotiated bond sale, a HUB firm received 58% of the compensation paid for legal services. On the other negotiated bond transaction, a HUB firm received 42% of the compensation paid for legal services. Finally, a DBE firm served as the Official Statement printer for the two negotiated bond sales and received 100% of the printing fees paid on both transactions during FY 2018. The Authority reports expenditures related to bond issues to the Bond Review Board on a per issue basis, sixty (60) days after the closing of the bonds.

During FY 2018, approximately \$771,239 or 81.05% of the Authority's total expenditures were related to Costs of Issuance and the ongoing administration of bonds. These include expenses such as rating agency, paying agent, escrow agent, verification agent, and arbitrage compliance to satisfy bond covenants, services that are only available from a few large service providers where qualified HUB and/or DBE firms are not available to perform the required services.

The Authority is committed to purchasing goods and services from certified HUB's and minority-owned businesses and continues to utilize the Centralized Master Bidders List to locate available HUB vendors.

Please contact me at (512) 463-5544 should you have any questions.

362 – Fiscal 2018 Annual HUB Report Supplemental Letter

The Texas Lottery Commission is committed to including Historically Underutilized Businesses (HUBs) in its procurements by providing substantial opportunities for both direct contracting and subcontracting. The agency promotes HUB inclusion by actively recruiting HUB vendors and encouraging prime contract vendors to extend subcontracting opportunities to HUBs. The Texas Lottery Commission's "good faith efforts" to ensure continued HUB participation during FY 2018 included the following:

- Estimating total value of contract awards and establishing agency HUB goals for FY 2018;
- Reviewing contract solicitations with an expected value of \$100,000 or more to determine the probability of HUB subcontracting, prior to releasing solicitation documents;
- Conducting pre-bid and pre-proposal conferences to educate bidders/proposers about the agency's HUB policy and HSP requirements;
- Assisting bidders/proposers with the HSP process by offering one-on-one workshops and review of draft HSPs;
- Participating in the HUB Discussion Workgroup, which is composed of state agency HUB Coordinators who meet to share information and provide proactive feedback to the Statewide Procurement Division of the CPA;
- Overseeing three Mentor Protégé relationships in accordance with 34 TAC 20.298;

Also during this reporting period, one of the Texas Lottery's prime HUB contractors re-certified as a Texas Certified HUB, which resulted in an to direct HUB spending during this reporting period.

The Texas Lottery Commission supports the State of Texas HUB Program and will continue to work to increase HUB participation. Should you have any questions regarding the agency's good faith efforts, please contact our HUB Coordinator, Mr. Eric Williams, at (512) 344-5241.

403-Fiscal 2018 Annual HUB Report Supplemental Letter

The Texas Veterans Commission (TVC) remains steadfast in good faith to promoting the participation of contracted and non-contracted procurement(s) of goods and services from Historically Underutilized Business (HUBs). The Semi-Annual report for FY 2018 shows TVC spent \$183,819 with HUBs, totaling 31.10%. The size of TVC typically does not offer opportunities for contracts other than office machines, Internal Auditor services, and hotel venues for training purposes.

There are times when TVC must order office supplies, toner, awards, and other items from vendors other than TCI, TIBH or TXMAS contracted vendors. TVC is diligent in getting three quotes for these types of items, showing preference to HUB vendors. This includes goods or services that are less than \$5000.00.

TVC will be attending the 2018 Statewide HUB Expo in Austin on November 2, 2018. TVC's Veterans Entrepreneur Program (VEP) participates in many outreach events throughout the year and provides information to vendors wanting to become HUB certified during the outreach events.

TVC is dedicated to improving HUB participation in our procurement process for Fiscal Year 2019 by:

- Continue to respond to all vendor email and phone call inquiries regarding the HUB certification process.
- Partner with TVC's Veterans Entrepreneur Program to reach potential and current HUB vendors thru community outreach events.
- Continue to search for active HUB vendors on the CMBL when quotes are required (including DIR contracts).
- TVC HUB Coordinator and Contract Manager will participate in the HUB Discussion Workshops and stay connected to "The HUB Wise" Newsletter.
- Express preference for HUB participation on RFPs and IFBs posted on the ESBD.

TVC strives to comply with the Texas Administrative Code, Chapter 34, §20.284 (Statewide Annual HUB Utilization Goals). For additional information, please contact Terri Kotara, Purchaser/CTPM/HUB Coordinator at 512-463-0627 or by email at terri.kotara@tvc.texas.gov.

TEXAS DEPARTMENT OF AGRICULTURE COMMISSIONER SID MILLER

Supplemental Letter for the FY 2018 Annual HUB Report – Agency 551

The Texas Department of Agriculture (TDA) is committed to creating an environment in which Historically Underutilized Businesses (HUBs) and Minority and Women-Owned Businesses (MWBEs) can compete fairly for business opportunities.

TDA receives both state and federal funds. This fiscal year, the HUB program worked closely with internal business units to further the mission to increase HUB (state) and MWBE (federal) expenditures with the Department. These efforts have resulted in an increased number of bids submitted to the agency by diverse vendors for procurement opportunities. The agency will continue to foster these business relationships by providing additional technical assistance to HUB and MWBE vendors that are qualified to do business with TDA.

Good faith efforts to expand HUB participation agency-wide:

- The HUB program partnered with trade and business development to assist with increasing expenditures with HUB vendors and MWBEs through the agencies Capital for Texas Loan program and the State Trade Expansion Program;
- The HUB program worked with the Community Development Block Grant (CDBG) staff to provide recommendations on how to increase use of economically disadvantaged businesses through CDBG grant funded projects;
- The HUB director worked with CDBG to provide guidance to local governments on the HUB and MWBE certification process and how to properly utilize the newly implemented MWBE email for sending procurement opportunities to TDA for CDBG projects to be sent to HUBs and MWBEs. Once these opportunities are shared with TDA via the MWBE email, they are forwarded to vendors whom have shown an interest in bidding on various goods and services.
- Hosted a webinar with agency departments regarding digital and radio communications as a means to further share opportunities.

Good faith efforts outreach activities:

- The agency participated as an exhibitor at Senator West's annual Spot Bid Fair spending a total of \$272,528.74 with HUB vendors many of which are also certified as MWBEs. Ranking the agency among the top six (6) spending the most with HUBs.
- Exhibited at the Texas Association of African American Chambers of Commerce's annual conference;
- Exhibited at the annual Houston Minority Supplier Development Council's Expo;
- Exhibited at the Bexar County's Annual Small, Minority, Women and Veterans Business Owners (SMWVBO) Conference;
- Exhibited at the Tri-County Black Chamber of Commerce Expo;
- Exhibited at the Asian American Chamber of Commerce HUB Expo;
- Exhibited at the HEB Supplier Diversity Expo in San Antonio;
- Panelist at the Greater Houston Business Procurement Forum in Houston;
- Exhibited and participated in the Buyers Roundtable Breakfast at the Southwest Minority Supplier Development Council's Premier Face Time Expo;
- The HUB program director worked with senior leadership to sign on as an official partner with the Texas Association of African American and the Texas Association of Mexican American Chambers of Commerce through the Memorandum of Cooperation (MOC) agreement effective through March 30, 2019;
- Actively, participated in HUB Discussion Workgroup meetings; and
- Hosted HUB vendor meetings to provide information on TDA's procurement process and potential contracting opportunities with the agency;
- Presently organizing HUB event in the Valley focusing on increasing HUB/MWBE certifications and providing more information on TDA's needs.

SUBJECT: Supplemental Summary for FY 2018 Annual HUB Report for Agency 555

The Texas A&M AgriLife Extension Service (AgriLife Extension) remains firmly committed to increasing the utilization of Historically Underutilized Businesses (HUB). Our active participation in Economic Opportunity Forums, as well as, the Texas University HUB Coordinators Alliance, and the HUB Discussion Workgroup, provides important opportunities to meet prospective HUB vendors, network with other state agencies and share strategies for improving HUB participation.

AgriLife Extension, a founding member of the Texas A&M University System (TAMUS) Cooperative Mentor-Protégé Program, continues to actively seek both mentors and protégés to participate in the program.

During Fiscal Year 2018, the AgriLife Extension HUB Office has worked with potential and existing HUB vendors; this includes not only providing education about the HUB program, but also meeting with vendors to provide guidance regarding state purchasing in general, our agency purchasing processes, and the TAMUS Cooperative Mentor-Protégé Program.

A substantial percentage (73%) of AgriLife Extension's biddable purchases were made against existing contracts, such as: State Term contracts, TXMAS contracts, DIR contracts, TAMU System-wide contracts, cooperative contracts such as E & I Cooperative contracts, as they represent the best value for the agency in both time and financial savings. A significant portion of our expenditures are for vehicles and vehicle maintenance, throughout the state, areas in which it is often difficult to find HUB vendors.

Through a cooperative effort, Texas A&M AgriLife's Purchasing Department and Administration have written agency purchasing procedures to require a minimum of six bids, four from HUB vendors, for all purchases in excess of \$10,000. For purchases under \$10,000, units are diligent in their efforts to place orders that fall below the bidding threshold with HUB vendors.

Training on the HUB Program is provided to faculty and staff as needed throughout the year.

The agency outreach activities during Fiscal Year 2018 include the following:

1. HUB Discussion Work Group – January 26, 2018, February 20, 2018 and May 17, 2018
2. Texas A&M University Systems HUB/Procurement Meeting January 30, 2018
3. TUHCA Meetings – February 9, 2018 and June 12, 2018
4. HUB Procurement/Expo Beaumont, TX – February 15, 2018
5. University of Houston HUB Forum & Workshop – April 10, 2018
6. 2018 HUB Vendor Fair Austin, TX – April 18, 2018
7. Senator Royce West “Doing Business Texas Style” Spot Bid Fair – May 7-8, 2018
8. HUB Subcontracting Plan Contract Requirements – May 16, 2018

SUBJECT: Supplemental Summary for FY 2018 Annual HUB Report for Agency 556

Texas A&M AgriLife Research (AgriLife Research) remains firmly committed to increasing the utilization of Historically Underutilized Businesses (HUB). Our active participation in Economic Opportunity Forums, as well as, the Texas University HUB Coordinators Alliance, and the HUB Discussion Workgroup, provides important opportunities to meet prospective HUB vendors, network with other state agencies and share strategies for improving HUB participation.

AgriLife Research, a founding member of the Texas A&M University System (TAMUS) Cooperative Mentor-Protégé Program, continues to actively seek both mentors and protégés to participate in the program.

In an effort to provide greater access for HUB businesses, AgriLife Research continues to work closely to encourage, notify and assist qualifying businesses with the HUB certification process. This includes not only providing education on state HUB Certification, but also visiting meeting with vendors to provide guidance regarding state purchasing in general, our agency purchasing processes, and the TAMUS Cooperative Mentor-Protégé Program. During Fiscal Year 2018, the AgriLife Research HUB Office has assisted vendors in completing the HSP subcontracting plans for numerous construction projects by identifying numerous potential and existing HUB vendors;

A substantial percentage (45.5%) of AgriLife Research's biddable purchases were made against existing contracts, such as: State Term contracts, TXMAS contracts, DIR contracts, TAMU System-wide contracts, and E & I Cooperative contracts, as they represent the best value for the agency in both time and financial savings. Given the agricultural, highly technical, and scientific nature of the majority of our purchases, it is often difficult to find HUB vendors. Of the purchases made by AgriLife Research, 24% were sole source purchases, available only from the manufacturer.

Through a cooperative effort, Texas A&M AgriLife Purchasing Department and Administration have written agency purchasing procedures to require a minimum of six bids, four from HUB vendors, for all purchases in excess of \$10,000. For purchases under \$10,000, units are diligent in their efforts to place orders that fall below the bidding threshold with HUB vendors.

Supplemental Letter for FY 2018 Annual HUB Report for Agency 557

Texas A&M Veterinary Medical Diagnostic Laboratory (TVMDL) is committed to promoting and encouraging the use of Historically Underutilized Businesses (HUBs) and provides this summary as a statement of our good faith effort. TVMDL continues to make HUB opportunities an integral part of its procurement activities. Our active participation in Economic Opportunity Forums provides important opportunities to meet prospective HUB Vendors, network with other State agencies, and share strategies for improving HUB participation.

TVMDL, a founding member of the Texas A&M University System (TAMUS) Cooperative Mentor-Protégé Program, continues to actively seek both mentors and protégés to participate in the program.

In order to provide greater access for HUB procurement, TVMDL continues to work closely with our outlying regional laboratories to provide guidance regarding state purchasing and the HUB program. These relationships provide the chance to educate others on HUB vendors. For competitive purchases in excess of \$10,000.00, TVMDL works closely with the Texas A&M AgriLife Purchasing Office to ensure a minimum of six bids, including four from HUB vendors.

Due to the highly scientific and technical nature of our biddable purchases, 46.43% were sole source purchases, only available from one manufacturer, 35.71% of the purchases made utilized competitively bid state or cooperative contracts. There were no biddable opportunities for the agency thus far this year.

Through a cooperative effort, AgriLife's HUB Office, Purchasing Department and Administration have written agency purchasing procedures to require a minimum of six bids, four from HUB vendors, for all purchases in excess of \$10,000. For purchases under \$10,000, units are diligent in their efforts to place orders that fall below the bidding threshold with HUB vendors. The agency spent 16.78% of purchasing card expenditures with HUB vendors.

The agency outreach activities during Fiscal Year 2018 include the following:

1. HUB Discussion Work Group – January 26, 2018, February 20, 2018 and May 17, 2018
2. Texas A&M University Systems HUB/Procurement Meeting January 30, 2018
3. TUHCA Meetings – February 9, 2018 and June 12, 2018
4. HUB Procurement/Expo Beaumont, TX – February 15, 2018

TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

Protecting Texas by Reducing and Preventing Pollution

10/10/18

Supplemental Summary for Fiscal Year 2018 Annual HUB Report for Agency 582

The Texas Commission on Environmental Quality (TCEQ) is dedicated to supporting the goals and intent of the Historically Underutilized Business (HUB) program. Accomplishments during FY18:

- participated in 23 Economic Opportunity Forums at which HUBs received information on how to do business with TCEQ
- maintained sponsorship of one Mentor-Protégé agreement
- provided information to HUBs on state procurement requirements and how to do business with TCEQ through one-on-one meetings, email, and by phone
- held workshops for HUB vendors on the HUB program and on state and agency procurement requirements
- presented HUB-related information at all pre-solicitation conferences, covering areas, such as, HUB subcontracting plan compliance, the selection of HUBs, the procedure for searching the Central Master Bidders List, and the Mentor-Protégé program
- assisted in development of solicitations that emphasized regional service areas, as opposed to the solicitation of service contracts on a statewide basis
- ensured specifications did not include unnecessary requirements that would impede HUB participation by, for example, reviewing bond and insurance requirements
- provided information regarding TCEQ procurement opportunities, HUB certification, and state purchasing requirements, at three events of the Texas Association of African-American Chambers of Commerce and the Texas Association of Mexican-American Chambers of Commerce
- participated on the planning committee for a CPA Statewide Procurement Division HUB Expo, and conducted a workshop on marketing to state government
- participated in the Texas Association of African-American Chambers of Commerce and the Texas Association of Mexican-American Chambers of Commerce forums throughout the state in accordance with the Memorandum of Cooperation (MOC) agreement
- participated in statewide HUB Discussion Workgroup legislative subcommittee and outreach subcommittee meetings
- a total of \$5M was paid to governmental entities (i.e., federal agencies, municipalities, etc.). If these expenditures were factored out, TCEQ's HUB utilization would increase in Professional Services (15.45%), Other Services (44.27%) and Commodities (38.07%). Excluding governmental expenditures is a more accurate representation of the agency's actual HUB performance.
- TCEQ continues its efforts to maximize HUB participation in the Professional Services category, recognizing constraints due to the specialized nature of the agency's engineering contracts and limited vendor availability.

Should you have any questions, please contact TCEQ HUB Coordinator Claribel Diaz at either (512) 239-5369 or by email at claribel.diaz@tceq.texas.gov.

Sincerely,

Donna White

Supplemental Letter for FY 2018 Annual HUB Report for Agency #608

The Texas Department of Motor Vehicles (TxDMV) continues to aggressively support the goals and intent of the Historically Underutilized Business (HUB) program. Management and staff dedicated themselves in committing TxDMV resources to provide opportunities both direct and indirect access and communication for HUB vendors. The good-faith effort to expand HUB participation for FY18 included the following:

- TxDMV established two (2) Mentor-Protégé relationships and currently is working on one (1) other agreement.
- TxDMV attended thirty-four (34) economic forums at which HUBs and small businesses received information on doing business with the TxDMV. TxDMV spoke or led out in round table discussions at seven (7) of these forums. TxDMV encouraged and/or assist thirty-one (31) small businesses to register to be a HUB. TxDMV also assisted one large prime vendor to re-establish its CMBL relationship.
- TxDMV hosted forty-seven (47) HUBs for in-house meetings with purchasers and end-users. These meetings were to help increase their business opportunities with TxDMV. Several of these vendors were able to do business with TxDMV. TxDMV hosted five prime vendors to discuss mentoring HUB vendors. TxDMV is also working with a consortium to join several IT HUBs for work. TxDMV also corresponded via phone and e-mail directing HUB vendors on the business process with the TxDMV and other state entities.
- Hosted five (5) joint state agency/county meetings for HUBs that were coming from surrounding areas outside of Austin. This allowed the HUBs to have an increased exposure to other agencies.
- TxDMV hosted its sixth annual HUB event in April inviting HUB and prime vendors to discuss doing business with state agencies. There were sixteen mentors and 321 HUBs in attendance. Additionally, there were 73 state agencies, universities and local entities hosting booths.
- TxDMV has a program to inform HUBs of Request for Proposals (RFPs) by e-mailing the information from not only TxDMV, but other state agencies and universities. This has proved valuable because some HUBs have received awards that they would not have known about.
- TxDMV is actively participating in the HUB Discussion Group (HDW) which is comprised of state purchasers and HUB coordinators from state agencies and universities throughout the state. This group remains current of legislative HUB changes and makes recommendations to the State Comptroller's Office to strengthen the HUB program.
- TxDMV provided lists of HUBs by NIGP class and item to prime vendors for solicitations requiring HUB Subcontracting Plan.
- TxDMV utilized several new HUB vendors this fiscal year.
- TxDMV provided internal monthly HUB expenditure reports to executive management to ensure tracking of performance in a timely manner.

TxDMV remains committed to the success of its HUB program and will continue to explore every opportunity for HUB use. We will continue to work with the vendor community, minority organizations and chambers to further HUB outreach and utilization throughout the state of Texas. If I can provide any additional information or answer any questions, I can be reached by phone at (512) 465-1257 or via e-mail at david.chambers@txdmv.gov.

The Texas A&M Engineering Experiment Station (TEES) is the engineering service agency of the State of Texas. We collaborate with industries, communities, and academic institutions to solve problems to help improve the quality of life, promote economic development and enhance the educational systems of Texas. TEES is also committed to the broad utilization of Historically Underutilized Businesses (HUBs) and minority-owned firms in its procurement process.

TEES participated in six (6) Economic Opportunity Forums and HUB Vendor Fairs in FY 2018. TEES also participated in the "Doing Business Texas Style" Spot Bid Fair in Irving, TX. Additional HUB promotion endeavors include continuation of the TEES HUB Vendor Forums, participation in the quarterly meetings of the Texas Universities HUB Coordinators Alliance and the HUB Discussion Workgroup. TEES is also supporting a Mentor Protégé Agreement. We also continue to provide training to the researchers and staff in an effort to increase their awareness of and utilization of HUBs in the procurement of all goods and services.

While we continue to actively research and pursue potential HUB vendors, TEES has few opportunities for Heavy Construction, Building Construction, Special Trade, and Professional Service contracts. As a research entity, TEES also faces some unavailability in the areas of research/industrial laboratory equipment and supplies, as is evident by an average HUB response rate to bid requests of only 1%.

As required, the supplemental information for TEES regarding utilization of historically underutilized businesses for FY 2018 is as follows:

Expenditure Chart for the Reporting of Term, Payment Card, and Subcontracting Purchases

	Treasury	Non-Treasury	Total Dollar	Total Dollar/HUB

720 – Fiscal 2018 Annual HUB Report Supplemental Letter

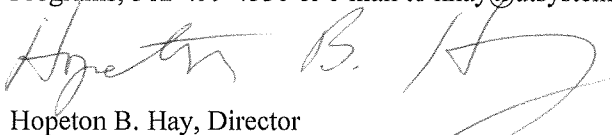

It is the policy of The University of Texas System and each of its institutions, to promote and encourage contracting and subcontracting opportunities of Historically Underutilized Businesses (HUBs) in all contracts. Measurements of supply marketplace variables, including demand for goods and services for which no HUB suppliers are available, and payments to non-certified HUB firms are important considerations in evaluating HUB program performance. This fiscal year there is a significant reduction in HUB and total expenditures for UT System because it no longer manages capital projects for The University of Texas at Austin and UT Medical Branch at Galveston.

Good faith efforts include but are not limited to:

- Participation and facilitation of HUB forum events in all regions of the state.
 - Participated in 13 Minority functions
 - Attended 16 Regional HUB conferences, workshops and outreach sessions
 - Facilitated 26 One-on-ones between HUB firms and key U.T. System decision makers
 - Facilitated 18 Training events
- The U.T. System Office of HUB Programs is a partner with several other state agencies and institutions of higher education in a Memorandum of Cooperation with TAAACC and TAMACC. In addition, the HUB office supports regional minority organizations by co-hosting numerous outreach opportunities.
- Sponsorship of technical assistance workshops by the HUB office.
 - Sponsored 13 UT Construction Subcontractor training sessions in partnership with Hensel Phelps Construction in El Paso, Texas, Vaughn Construction in San Antonio, Texas, and Linbeck Construction in Dallas, Texas. Thirty-nine (39) HUB and M/WBE firms participated in these training opportunities.
 - Sponsored or Co-Sponsored 4 Bonding Workshops with HUB organizations and other governmental agencies or institutions, with participation of more than 19 HUB firms.
- Notifications of UT System contracting opportunities sent to 109 HUB firms
- Focus on Mentor Protégé Program
 - Currently there are 10 active partnerships: 6 Construction, 3 Professional Services, and 1 Commodities.

The University of Texas System Administration, in partnership with the institutions within The University of Texas System, is committed to maximizing HUB participation by fostering collaborative efforts and innovative approaches ensuring HUB inclusion in local communities throughout the state in an effort to facilitate economic development.

The University of Texas System Administration submits this supplemental letter to provide additional information and background related to its HUB program. Please address inquiries to the Office of HUB Programs, 512-499-4530 or e-mail to hhay@utsystem.edu.

Supplemental Summary for FY 2018 Annual Report Agency 721

This supplement to The University of Texas at Austin's Semi-Annual Historically Underutilized Business Report for Fiscal Year 2018 has been prepared to provide a broader and more comprehensive representation of The University of Texas at Austin's efforts in its attempt to reach the Good Faith Effort Goals set by the State Legislature.

In accordance with the *Texas Government Code*, Sections 2161.181-182 and Section 111.11 of the *Texas Administrative Code* (TAC), state agencies shall make a good faith effort to utilize State of Texas certified, Historically Underutilized Businesses (HUBs) in contracts for construction, services, including professional and consulting services, special trade, and commodities.

The University of Texas at Austin's annual HUB percentage has averaged 17.7% over the last five fiscal years: 2013 (17.83%); 2014 (20.13%); 2015 (16.56%); 2016 (15.11%); and 2017 (18.87%). Currently, the University's percentage for annual FY 2018 is 19.67% or \$104,129,905 awarded to HUB vendors. As an institute of higher education, the University expends a large amount in research areas, as well as in its infrastructure support. Taking into account "non-availability" payments for FY 18, HUB payments, would equal 21.4% of overall spend at the University.

Following are a few of the good faith efforts demonstrated in the HUB/Small Business Program during the 2018 fiscal year:

- Increased HUB utilization across all six HUB eligibility categories doubling utilization to African American, Native American, and Service Disable owned firms
- Increase in the number of HUB firms (503) awarded contracting dollars with the University. the most significant increase going to firms earning \$501 - \$1 million cumulatively for FY18
- Hosted 1st annual reverse economic opportunity forum introducing over 170 HUB participants to purchasing representatives from top 10 spending university departments
- Successfully advocated for HUB suppliers adding one to nationally recognized group purchase organization (GPO) used by the university through UT System Supply Chain Alliance (UTSSCA) and over \$300,000 being awarded in subcontracting to new suppliers through job order contracting (JOC) efforts
- HUB utilization of 76.49% (\$26,467,762) through UTAustin Market Place;
- Provided targeted bid notifications to over 5,367 certified HUB vendors and Memorandum of Cooperation partners - Texas Association of African American Chambers of Commerce (TAAACC) and Texas Association of Mexican American Chambers of Commerce (TAMACC).

Agency 727 – Fiscal 2018 Annual HUB Report Supplemental Letter

The Texas A&M Transportation Institute (TTI) remains committed to the State of Texas Historically Underutilized Business (HUB) Program. The agency goal is to provide procurement and contracting opportunities for qualified businesses through a competitive procurement process. - Identification of subcontracting opportunities in contracts over \$100,000.
- Sponsoring agency for mentor/protégé agreement.
- Participation and training within the HUB Discussion Workgroup and the Texas Universities HUB Coordinators Alliance (TUHCA). Host of TUHCA Central/Gulf Coast Chapter website.
- Advertisement in Minority Business Organization publications through TUHCA membership.

Re: Supplemental Letter for FY2018 Annual HUB Report for Agency Number 783

The University of Houston System (UHS) HUB Program is committed to expanding business opportunities available in order to promote the successful development of growing businesses, to have a positive impact on improving our local economy and to give back to our community. We encourage solicitations from HUB vendors in an effort to award more contracts to those businesses. The HUB Operations Department is responsible for compliance with state HUB requirements, ensuring the university meets its HUB goals, and conducting HUB outreach.

Good faith effort and key accomplishments for the UHS HUB Program during the reporting period (September 1, 2017-August 31, 2018) include:

- HUB Procedures/Past Performance has been added as an evaluation criteria for all solicitations over \$10 million. The weight of the criteria is 10%.
- Hosted Construction HUB Vendor Fair (November 8, 2017) in which HUB vendors were invited to hear about upcoming construction projects and meet one on one with UH prime contractors.
- Hosted UHS HUB Vendor Fair (October 11, 2017), in which 92 HUB exhibitors and over 300 university personnel were in attendance (annual event held in October)
- Attended various outreach events in Houston and around the state as a panelist or exhibitor.

- In collaboration with Univision, American Spanish language broadcast television network, hosted a business summit (POSible HTX). The goal of the summit was to drive local entrepreneurship within the Hispanic community. Entrepreneurs & seasoned businesses had access to critical resources such as new products, tools, platforms industry leaders, keynotes and boot camps to launch and grow their business.

**ANNUAL SUPPLEMENTAL SUMMARY FOR FY2018
HUB REPORT FOR AGENCY #785**

The University of Texas Health Science Center at Tyler (UTHSCT) has made using Historically Underutilized Business (HUB) a continuing part of all its procurement strategies as demonstrated through its internal and external efforts to procure needed goods and services with these firms whenever these firms are available. UTHSCT provides a supportive outreach and community awareness to promote the HUB program through educating all purchasers on the HUB program through weekly meetings, HUB reports, and hosting HUB vendor presentations. In addition, Purchasing Services actively uses the Central Master Bidders List and its HUB information to make the greatest use of all-discretionary spending.

UTHSCT is a founding member of the Texas Universities HUB Coordinators Alliance (TUHCA) and was the President for FY2005-2006, which brings together the resources and experience of 14 North and Northeast Texas Universities HUB Coordinators to share program information.

As a healthcare and research institution, UTHSCT must contract for goods and services for which there is minimal or no HUB sources identified such as some medical supplies (\$8,599,755) laboratory (\$2,927,795), blood products (\$667,160), anesthesia (\$968,323) and pharmaceuticals (\$13,935,411). We make every effort to find HUB vendors in these categories but have limited access in the East Texas and surrounding areas.

UTHSCT supports the minority and women owned business through outreach efforts including participation in vendor fairs and hosting or co-hosting trade shows.

Supplemental Letter for Fiscal Year 2018 Annual HUB Report for Agency 802

Texas Parks and Wildlife Department (TPWD) continues to be fully committed to making a good faith effort to effectively promote and increase contract participation with Historically Underutilized Businesses (HUB) in TPWD's procurement of goods and services and through subcontracting opportunities. Our good faith efforts to expand HUB participation include the following:

In coordination with the Texas Comptroller of Public Accounts (CPA) staff, TPWD established agency specific goals based on expenditures over the previous five year period. These goals are re-evaluated annually and compared with anticipated budgets to determine if the adjustments are necessary.

HUB Outreach:

- TPWD works diligently with our Memorandum of Cooperation (MOC) partners, the Texas Association of African American Chambers of Commerce (TAAACC) and the Texas Association of Mexican American Chambers of Commerce (TAMACC), in an effort to improve HUB vendor responses. The conjoined partnership is used as an educational vehicle to educate members of both organizations on "How to Do Business" with TPWD, as well as encourage obtaining a Texas HUB Certification.
- TPWD HUB Staff distributes weekly active agency solicitations to TAAACC, TAMACC and other minority/women trade organization development centers.
- TPWD participates in various state agency and minority business groups, Economic Opportunity Forums (EOF), Roundtable Discussions, One-On-One Sessions, Workshops and Enhanced Training Modules throughout the state; connecting with different vendors to assist with educational information on how to do business with our agency and discuss TPWD upcoming projects.
- TPWD HUB Staff conducts HUB Subcontracting Plan presentations at pre-bid conferences to ensure vendors understand the "Good Faith Effort" requirements of subcontracting with HUBs.
- TPWD HUB staff participate in HUB Discussion Workgroup meetings, whose mission is to promote and enhance an effective statewide HUB Program through education, networking, and proactive feed-back.
- TPWD facilitate vendor presentations in an effort to offer HUB owned companies the opportunity to introduce and discuss their products and services to the agency purchasing staff.
- In an effort to increase the number of HUB bids received, during FY2018 Annual, TPWD Purchasers solicited 12,656 HUB vendors from both the Centralized Master Bidders List (CMBL) and certified HUB vendor listing at the CPA's website, which currently consist of approximately 13,348 HUB firms. In return, TPWD received 595 bid responses from HUB vendors.

For additional information, please contact Tammy Dunham, HUB Coordinator/Purchasing and Contracting Director, at (512) 389-4752 or by email at tammy.dunham@tpwd.texas.gov.

STATE PRESERVATION BOARD

The Honorable Greg Abbott, Governor, Chairman
The Honorable Dan Patrick, Lieutenant Governor, Co-Vice Chairman
The Honorable Joe Straus, Speaker of the House, Co-Vice Chairman
The Honorable Lois Kolkhorst, Texas Senate
The Honorable Charlie Geren, Texas House of Representatives

Rod Welsh, Executive Director

Supplemental Summary for Fiscal Year 2018 Annual HUB Report - Agency #809

The State Preservation Board continues to be fully committed to making a good faith effort to conduct business with HUB certified businesses to achieve the goals of the HUB program while sustaining a fair, open and competitive procurement process. Our ongoing "good faith efforts" to promote HUB participation include:

- Conduct one-on-one specialized forums with HUBs and procurement staff to provide vendors with a better understanding of how to do business with the agency.
- Post HUB program and bid opportunity information on the Agency's web site.
- Attend all agency pre-bid meetings and give instruction on successful completion of the HUB Subcontracting Plan.
- Provide monthly HUB reports to agency management regarding HUB participation.

As a result of our good faith efforts, the agency awarded one hundred sixty-two (162) contracts to certified HUB vendors in FY 18. Notable FY 18 HUB contracts include interior painting services, construction services, video production services, and fire sprinkler system maintenance services.

The majority of HUB reportable agency funds are spent on either competitively bid projects or for the purchase of specialized goods and services. The agency requested competitive bids on fifty-one (51) projects in FY 18. Of the 1419 HUBs solicited for competitive bids, less than 2% of these businesses responded with a bid. As a result of the unique mission of the State Preservation Board, the agency contracts directly with vendors for many highly specialized goods and services where the HUB vendor base is very limited or non-existent. One example is the leasing and ongoing maintenance of the IMAX® projection system at the Bullock Texas State History Museum. Another example from the Museum operation is the leasing of traveling exhibits for display in the temporary exhibit area. An additional challenge for the agency HUB program is the purchase of products for resale in the Capitol and Museum Gift Shops and in the agency ecommerce operation. The purchase of products for this auxiliary enterprise accounted for 50% of the agency's HUB reportable commodities expenditures and 18% of agency HUB reportable expenditures overall. Typically, these items are unique products available from only one vendor or are products that are mass-produced and available at the best price from large, national suppliers. The agency must choose resale products that satisfy the needs of our visitors, while providing the most profitable return for this self-funding enterprise.

The State Preservation Board supports the State of Texas HUB Program and will continue to pursue HUB participation in the agency's procurement process.

Linda Gaby, CTPM, CTCM
Director of Administration/Purchasing Manager/HUB Coordinator

GENERAL INFORMATION

According to Texas Government Code, Chapter 2161, the Office of the Comptroller of Public Accounts (CPA) is responsible for managing the Statewide Historically Underutilized Business (HUB) Program for minority- and women-owned businesses. CPA is required to compile a semi-annual and annual report of contracts awarded to HUBs by state agencies and institutions of higher education. The report documents expenditures in six (6) procurement categories identified as Heavy Construction, Building Construction, Special Trade, Professional Services, Other Services and Commodities. The report also documents the total dollar amount of contracts awarded. This report must be submitted to the presiding officer of each House of the Legislature and the Joint Committee.

Electronic versions of the HUB Reports are available on-line free of charge at <https://comptroller.texas.gov/purchasing/vendor/hub/reporting.php>

HUB REPORT FORMAT

The format for the HUB Report reflects six (6) procurement categories. The report shows one state agency or institution of higher education per page. The comptroller object (expenditure) codes that are inclusive to compiling the HUB Report are identified on **Attachment A**.

The HUB Report contains total expenditure data for treasury, non-treasury, subcontracting, group purchasing, term contract, and procurement card purchases. ***It is the responsibility of each state agency and institution of higher education to ensure the accuracy of their expenditure and supplemental data (e.g., treasury, non-treasury, credit card, subcontracting, bond issuance, bids and proposals received, and competitive and non-competitive contracts awarded).***

Following the procedures herein, each state agency and institution of higher education will report their **non-treasury, subcontracting, group purchasing, term contract, and procurement card expenditures** online to the CPA using the on-line HUB Reporting System at <https://checkout.na1.netsuite.com/c.852252/checkout/login.ssp?n=2&login=T#login-register>. The Comptroller's Office shall report the **treasury expenditures** of each state agency and institution of higher education.

Object codes for benefits, claims and judgments, interfund transfers, interagency payments, investments, payment of interest, payment of principal, public assistance payments, rentals and leases, utilities, salaries, wages, travel, grants, scholarships, real estate purchases, rights-of-way, emergency abatement response, and other expenses, as determined by the 2009 State of Texas Disparity Study (as defined by 34 TAC § 20.281), will be excluded from the HUB Report.

See **Attachment A** for a list of Comptroller object codes used to prepare the HUB Report. Expenditures must be reported to the CPA according to the following legislatively mandated timelines. If the due date for the HUB Report expenditure data falls on a weekend, all data will be due on the Friday before the weekend.

The **treasury, non-treasury, subcontract, and term contract** data received for the semi-annual reporting period (September 1 - February 28 or 29) and the annual reporting period (September 1 - August 31) of the current Fiscal Year will be compiled by the CPA. The system electronically cross references the State's certified HUB Directory to search for the first 11 digits of the Vendor Identification Number (VID). All VID number matches will be used to record the state agencies' and institutions' total dollar amount of contracts awarded to certified HUB vendors.

The HUB Report identifies for each state agency, institution of higher education, and the State as a whole, the total expenditures with all vendors, the total spent with Non-HUBs, and the total spent with certified HUBs. The CPA Statewide HUB Program certifies businesses by ethnicity and gender and by service disabled veteran status. Minority men and women certified as HUBs are counted as an ethnic minority. The "American Woman" category includes all American Women other than Black American, Hispanic American, Asian-Pacific American, Native American or Service-Disabled Veteran.

HUB Eligible Groups are identified as follows:

- AI** = Native American;
- AS** = Asian-Pacific American;
- BL** = Black American;
- HI** = Hispanic American;
- DV** = Service-Disabled Veteran; and
- WO** = American Woman

Data for the consolidated total expenditures, (treasury, non-treasury, subcontracting, delegated, open market, term contracts, emergency, proprietary, catalogue, exempt, etc.) must be reported to the CPA according to these reporting procedures and legislatively mandated timelines.

STATE OF TEXAS HUB GOALS

There are six procurement categories and each procurement category has a HUB goal (see table below). The six procurement categories and HUB goals are from 34 TAC § 20.284. Pursuant to Section 2161.002(c), the HUB goals are based on the 2009 State of Texas Disparity Study.

For more details on HUB Goals, please refer to 34 TAC § 20.284

Procurement Category	HUB Goal
Heavy Construction	11.2%
Building Construction	21.1%
Special Trade	32.9%
Professional Services	23.7%
Other Services	26.0%
Commodity Purchases	21.1%

HUB EXPENDITURE CREDIT

State agencies and institutions of higher education will receive HUB credit for payments made to HUBs certified by the CPA within the reporting period. Certification is determined by verifying that the 11-digit VID number used for HUB certification matches the 11-digit VID number used for issuing the purchase order and making the payment. Representatives of the Statewide HUB Program may access the Comptroller's Texas Identification Number System (TINS) to verify the payment history under the VID number submitted by the vendor on the HUB certification application. **(This verification does not automatically confirm the correct assigned VID).**

If a state agency or institution of higher education determines that there is a discrepancy between the VID number identified in the HUB Directory, TINS and/or their payment records, the agency/institution of higher education should notify the vendor, and also contact a representative of the Statewide HUB Program at 512-463-5872 or 1-888-863-5881. Research will be conducted by the CPA, and the vendor record will be updated accordingly. CPA will notify the requesting entity regarding the correct VID number for the certified HUB. The CPA and the agency's Accounting Office must also update the vendor's record.

- ◆ **HUB CREDIT** - State agencies and institutions of higher education **will receive** HUB credit for payments made to 11-digit VID numbers that were a certified HUB for any period of time during the current fiscal year's reporting period. Payments meeting this criterion are added to the total expenditure column and HUB expenditure column.
- ◆ **NO HUB CREDIT** - State agencies and institutions of higher education **will not receive** HUB credit for payments made to 11-digit VID numbers that were not a certified HUB for any period of time during the current fiscal year's reporting period. Payments meeting this criterion are added to the total expenditure column and are considered to be Non-HUB expenditures.

If a vendor's HUB status was active (i.e. HUB status code "A") for any period of time during the current fiscal year's reporting period, state agencies and institutions of higher education will receive HUB credit for the payments that were awarded to the HUB vendor during the entire fiscal year (retroactive).

There are eleven Status Codes in the CPA HUB Directory. These status codes are identified below:

A - Active*	I - Inactivated*	R - Rejection
D - Decertified*	M - Returned Mail*	V - Vendor Requested Removal*
G - Graduated*	N - Not HUB	X - Audit Removal*
O - Old VID Number*	P - Pending	

*Note: Provided that the VID number was HUB certified/active during the current fiscal year's reporting period, state agencies and institutions of higher education will receive HUB credit for payments made to VID numbers displaying these HUB status codes.

State agencies and institutions of higher education are encouraged to reference the "**HUBs Active During Current Fiscal Year Master File (hub_name.dat)**" online at <https://comptroller.texas.gov/purchasing/> which is a list of vendors who have been a Texas certified HUB (i.e., HUB status code "A") for at least one day during the current fiscal year. For the purposes of producing the HUB Reports, payments that are awarded during the current fiscal year to the Vendor ID Numbers contained within this file will be counted as HUB expenditures.

EXPENDITURE (OBJECT) CODES INCLUDED IN HUB REPORT (ATTACHMENT A)

The object codes included in the HUB Report were reviewed and developed by a subcommittee of the HUB Cooperative Committee, which evaluated all existing Comptroller object codes. The subcommittee reviewed each object code definition and made a determination whether to include or exclude the object code. The selection criteria allows and includes all object codes that pertain to the purchase of goods, services, and public works contracts and excludes all object codes that pertain to benefits, claims and judgments, interfund transfers, interagency payments, investments, payment of interest, payment of principal, public assistance payments, rental and leases, utilities, salaries, wages, travel, grants, scholarships, real estate purchases, right-of-way, emergency, abatement response, and other expenses as determined by the 2009 State of Texas Disparity Study. Total expenditures are awarded contracts with allowable object codes, which are actually paid from treasury and non-treasury funds. This includes delegated, open market, term contract, proprietary, emergency, and exempt purchases.

The 2009 State of Texas Disparity Study used a list of object codes and corresponding procurement categories to identify results of state agency expenditures and utilization of HUBs. The CPA includes these object codes as part of the HUB Report.

For the purpose of the HUB Report, an object code is either entirely included or entirely excluded.

Therefore, if a contract is awarded under an excluded object code, then HUB credit cannot be received because the contract dollars are not part of the state agency's or the institution's total expenditures. CPA encourages the state agencies and institutions to seek creative options to report good faith efforts and contract opportunities from the excluded object codes. It may require state agencies and institutions to shift from the current way of coding an excluded contract by breaking down the contract and using included object codes for coding part of the contract. See the examples below:

Example #1: 7666 - Medical Services and Specialties - The Health and Human Services Commission (HHSC) has a large client service contract with National Heritage Insurance Company (NHIC). NHIC is the Health Care Financing Program's Prime Contractor for processing insurance claims for the Texas Medicaid Program. This contract is classified under object code 7666 (an exempt code). NHIC subcontracted part of the contract with a HUB. Since the NHIC contract is not part of the base for this state agency's or the institution's total expenditures, HUB subcontracting cannot be reported. In order for HHSC to receive HUB subcontracting credit, all expenditures under 7666 must be included, not just the NHIC contract. This would adversely affect HHSC's overall percentage and would greatly influence other state agencies and institutions as well. For example, the NHIC contract could be coded as follows:

If the NHIC contract was a \$10 million contract and the actual payments made by NHIC to clients for medical reimbursements were \$7 million, the remaining \$3 million would be the amount paid to NHIC for administering this client reimbursement contract. CPA proposes that only \$7 million (actual client reimbursements) should be coded as 7666. The other \$3 million should be coded under an object code from the list of object codes used to compile the HUB Report which will best describe the service that NHIC is performing. All questions regarding expenditure codes should be directed to the Comptroller's Office, Claims Division, at 512-463-4850. Any other contracts with related administrative fees must be included under the same selected object code so that HHSC can hold NHIC accountable for subcontracting with HUBs. HHSC can then submit the HUB subcontractor dollars and receive credit on the HUB Report.

Example #2: 7462 - Rental of Office Buildings or Office Space - HHSC has very large leasing contracts throughout the state. The expenditure (object) code for leasing (7462) is currently exempt from the HUB Report. However, within a lease contract, there are contracting opportunities where a good faith effort could be made. A lease contract can be broken down to reflect the actual services performed within the contract. For example, at a minimum, the following object codes could be used to report services included in a full lease or a net lease contract: **7277 - Cleaning Services; 7271 - Real Property - Land - Maintenance and Repair - Expensed; and 7266 - Real Property Buildings - Maintenance and Repair - Expensed.**

Breaking down the lease contracts with these included expenditure codes allows HHSC to hold the lessor accountable for subcontracting with HUBs. HHSC can now be measured on all transactions that are within the included expenditure codes and receive full credit through the HUB Report for their committed efforts. **All subcontracting must be reported under the same object code under which the Prime Contractor was paid.**

REPORTING OF SUPPLEMENTAL DATA

In accordance with Texas Government Code § 2161.122, state agencies and institutions of higher education shall report the following information to the CPA. Historically Underutilized Business (HUB) information must be reported by ethnicity and gender. The supplemental data must be submitted on-line through the HUB Reporting System at

<https://checkout.na1.netsuite.com/c.852252/checkout/login.ssp?n=2&login=T#login-register>

Approximately mid-February and mid-August, as a courtesy, the CPA's Statewide HUB Program will send the state agencies and institutions of higher education reminder notices for the submission of their semi-annual and annual HUB Report data, respectively.

- BUSINESSES PARTICIPATING IN STATE BOND ISSUANCES

These purchases are not individual contracts for the purpose of HUB Reporting. Individual requisitions against a blanket purchase order or against an IDQ (Indefinite Delivery Quantity) should not be counted as individual contracts.

SUPPLEMENTAL SUMMARY LETTER (Optional)

In accordance with 34 TAC § 20.284(e), state agencies and institutions of higher education may also demonstrate good faith under this section by submitting a supplemental letter with documentation to the CPA with its HUB Report or legislative appropriations request identifying its progress, including, but not limited to the following, as prescribed by the CPA:

- ◆ Identifying the percentage of contracts awarded to women-, minority- and/or service-disabled veteran-owned businesses that are not certified as HUBs;
- ◆ Demonstrating that a different goal from that identified in § 20.284(b) was appropriately given for the state agency's/institution's mix of purchases;
- ◆ Demonstrating that a different goal was appropriately given for the particular qualifications required by the state agency/institution for its contracts; or
- ◆ Demonstrating assistance to non-certified HUBs in obtaining certification with the CPA.

The Supplemental Letter **must** outline a state agency's or institution of higher education's good faith effort regarding procurement opportunities for HUBs. The Supplemental Letter should provide a comprehensive representation of the state agency's/institution's efforts and may address any unique purchasing requirements not directly reflected within the totals and percentages.

Supplemental Letters are limited to one page (front side only) on the state agency's/institution's official stationary letterhead.

- Include a point of contact, as well as the agency address, phone number, and/or e-mail address.

Supplemental Letters which include negative language regarding other state agencies or institutions of higher education will NOT be published. The subject of the summary must be directly related to your agency's or institution's outreach and good faith effort.

NOTE: The one page Supplemental Letter is optional. If submitted, the letter must adhere to the guidelines specified above, and must be received no later than **5:00 PM, Tuesday, October 2, 2018** at the Texas Comptroller of Public Accounts, Attn: Statewide HUB Program, 1711 San Jacinto Blvd., Austin, Texas 78701 (P.O. Supplement Letters that are emailed must be of high resolution, properly centered, and free of erroneous marks and must comply with 508 Accessibility Program standards.

DRAFT REPORT REVIEW

As a courtesy to state agencies and institutions of higher education, the CPA compiles each agency's expenditure data and places it on the CPA website in a Draft Report format prior to publishing the final HUB Report. The Draft Report allows state agencies and institutions of higher education to review their expenditure data and make any necessary corrections prior to publication of the final report.

It is the responsibility of each state agency and institution of higher education to determine the accuracy of their entity's expenditure data. If the agency discovers any inaccuracies they must resubmit their entire data file(s) on-line through the HUB Reporting System at <https://checkout.na1.netsuite.com/c.852252/checkout/login.ssp?n=2&login=T#login-register>. Note, corrections and resubmissions to your agency/university's data may only be done during the draft review period.

If the agency fails to resubmit their entire data file(s), including the corrections, the data will be rejected. The CPA must receive re-submission of data no later than the deadline previously identified.

REPORTING OF TREASURY FUNDS (DATA PROVIDED BY COMPTROLLER'S OFFICE)

Treasury funds are funds deposited and maintained in the State Treasury. These are payments made (not processed) from treasury funds during the reporting period. They are purchases of goods, services, and public works contracts (which include delegated, open market, term contracts, proprietary, emergency and exempt purchases) from the approved/included list of object codes. These payments are processed and reported by the Comptroller's Office for each state agency and institution of higher education. The treasury data reported will be identified by using the Comptroller's object codes listed on **Attachment A. State agencies, which only have treasury funds and do not use subcontractors or the agency procurement card, do not need to report expenditure data to CPA.**

Format for Electronically Submitting Treasury Data (Comptroller's Format)

ASCII or text detail records with the following fields:

- | | | |
|-------------------------------|-----------------------|--|
| • Payee/Vendor Identification | 11 numeric characters | If the PIN/VID contains more than 11 numeric characters, submit only the first eleven. No dashes or space. |
| • Agency Code | 3 characters | For example, 999 |
| • Object Code | 4 characters | The 4-digit object code must be on the approved/included list of object codes. |
| • Dollar Amount | 13 numeric characters | First 10 are whole dollars, then a period, and the last two are decimals. |
| • Vendor Name | 20 characters | Uppercase. If less than 20 characters, fill in with spaces after the vendor name. |
| • Contract Identifier | 1 character | A, B, C, or blank space (for non-term contracts). |
| • TPFA Identifier | 1 character | Y (for TPFA). |
| • DIR Identifier | 1 character | Y (for DIR). |

Note: The contract identifier is requested because CPA must identify and report all Term Contracts (automated, scheduled, non-automated, and delegated). These would be the ones with the Purchase Category Codes (PCC) of **A** = automated term contracts, **B** = scheduled purchases, and **C** = non-automated term contracts.

REPORTING OF NON-TREASURY FUNDS (ALL STATE AGENCIES/INSTITUTIONS)

Non-treasury Funds are funds which are not deposited or maintained in the State Treasury. These are payments made (not processed) from non-treasury funds during the reporting period. These purchases of goods, services, and public works contracts (*which include delegated, open market, term contracts, proprietary, emergency and exempt purchases) from the approved/included list of object codes. These payments are processed through a local bank (not through the Comptroller's Office) and must be reported by each state agency or institution. The non-treasury expenditure data will be reported to CPA by each state agency or institution of higher education that has non-treasury funds, in accordance with the timelines and guidelines set by the Legislature. Using the approved Comptroller's object codes listed in Attachment A will identify the non-treasury data reported. Note, state agencies/institutions may remove payments made to governmental entities prior to submitting file(s). *All other payment data noted above must be reported.

Format for Electronically Submitting Non-Treasury (Local Funds) Data (Programmer's Format)

State agencies and institutions of higher education submitting non-treasury ("N") data for the HUB Report are required to submit the detail summary records of each non-treasury payment made during the reporting period. Agencies and institutions must submit their payment data on-line through the HUB Reporting System at <https://checkout.na1.netsuite.com/c.852252/checkout/login.ssp?n=2&login=T#login-register>

ASCII or text detail records with the following fields:

• Agency Code	5 characters	Fill with leading zeroes (i.e., 00999 or HW14).
• Payee/Vendor Identification	11 numeric characters	If the PIN contains more than 11 numeric (PIN/VID) characters, submit only the first 11. No dashes, or spaces.
• Vendor Name	20 characters	Uppercase. If less than 20 characters, fill in with spaces after vendor name.
• Object Code	4 characters	The 4-digit object code must be on the approved/included list of object codes.
• Dollar Amount	12 characters	The first nine (9) characters must be whole dollars or zeros followed by a decimal point with the two (2) remaining characters identifying the cent values. All dollar values must be preceded by leading zeros. If reporting a negative dollar amount, the first character (41) must be a hyphen (dash).
• Type of Record	1 character	N, or A, B, C, G, S, or H; "N" to identify non-treasury data including payments to Procurement Card Vendor (CitiBank); "A", "B", or "C" to identify non-treasury term contracts. Do not report twice. If non-treasury <u>and</u> a term contract use "A", "B", or "C". Use "H" to report and identify purchases made directly from HUBs using the procurement card as the method of payment and wanting HUB credit. Use "G" to identify group purchasing data, and use "S" to identify subcontracting data.

- ◆ In the first record, agency 999 paid vendor 17514873201, BAILEY BOILER WORKS, under object code 7286, a total of \$4,635.65 from non-treasury funds.
- ◆ In the second record, agency 999 paid vendor 14528870315 SACHEM GROUP, THE under object code 7286, a total of \$3159.00 for a term contract payment from non-treasury funds.
- ◆ In the third record, agency 999 paid vendor 11349946506, CITIBANK, under object code 7327, a total of \$3,000.00 using non-treasury funds.
- ◆ In the fourth record, agency 999 made a credit card purchase from vendor 17601161528, NATEX CORPORATION, under object code 7324, a total of \$1,000.50.

Note: If a VID is submitted in an invalid format (not enough or too many numbers or the wrong prefix or check digit is use), then the VID cannot be validated to determine HUB status or term contract vendor status.

REPORTING OF TERM CONTRACTS

Term Contracts (automated, scheduled, non-automated, books and library reference materials on contract) will be identified and verified by the Purchase Category Code (PCC) and the vendor identification number (VID). In accordance with Texas Government Code § 216.122 (e), Term Contract expenditures will be subtracted from each agency's base total and will be shown under CPA's Statewide Purchasing Section VI of the HUB Report. It is an agency's or institution's responsibility to identify expenditures against term contracts by entering the correct PCC in USAS when processing a payment voucher. The PCCs A, B, and C will be used to identify the term contract expenditures paid from both treasury and non-treasury funds. Non-treasury term contracts must be reported and identified (i.e., "A", "B", or "C") for the Semi-Annual and Annual HUB Reports. The state agency or institution will identify purchases from State Term Contracts, which are paid from non-treasury funds so that those purchases may be included in the CPA's Statewide Purchasing Section VI.

Note: The CPA is verifying and validating the treasury and non-treasury term contract payments identified through PCCs A, B, or C. If the VID for term contract payment can be verified as a term contract vendor with CPA, then it will be subtracted from the agency's or institution's base total expenditures and shown in CPA's Statewide Purchasing Section VI. If the VID for a term contract payment cannot be verified as a term contract vendor with CPA, then the payment will remain in the agency's base total expenditures. These payments will be shown in the agency's or institution's section of the HUB Report (Section VII). If a VID is submitted in an invalid format (not enough or too many numbers or the wrong prefix or check digit is used) then the VID cannot be validated to determine HUB status or term contract status. CPA includes the Term Contract vendor's VID number in the contract on the website.

REPORTING OF SUBCONTRACTOR FUNDS (ALL STATE AGENCIES/INSTITUTIONS)

Subcontractor Funds are payments made to CPA certified HUBs by a Prime Contractor or supplier under contract with the State. State agencies and institutions of higher education must submit the subcontracting participation for all Non-HUB contracts for the purchase of goods, services, and public works contracts paid (not processed) during the reporting period in accordance with Texas Government Code, § 2161.122 (b).

HUB Subcontracting **double reporting is not allowed on the HUB Report**. An agency or institution may receive 100% HUB credit participation if the Prime Contractor is a HUB and performs at least 25% of the work. The contracting agency or institution of higher education may submit subcontracting data to any tier until a HUB subcontractor is utilized. Once credit for doing business with a HUB is received, **no more credit** can be received, even if that HUB further subcontracts with another HUB.

As part of a provision of the HUB Subcontracting Plan (HSP) the respondent must submit monthly compliance reports (Prime Contractor Progress Assessment Report – PAR) to the contracting agency, verifying their compliance with the HSP, including the use/expenditures they have made to subcontractors. The PAR form is available at <https://comptroller.texas.gov/purchasing/vendor/hub/forms.php>

State agencies and institutions of higher education shall report subcontracting participation paid from treasury and non-treasury funds. However, if submitting subcontracting data from non-treasury funds, the agency or institution must have also reported their non-treasury funds detail records as outlined above. This Subcontracting expenditure data shall be reported to CPA by each state agency or institution that uses subcontractors in accordance with the guidelines and timelines set by the Legislature. Using the approved Comptroller's object codes shown in Attachment A will identify the subcontractor data reported.

For example, to receive credit for HUB subcontracting, state agencies and institutions of higher education must require their Prime Contractors to report HUB subcontracting. Progress of subcontract amounts actually paid to Texas certified HUBs should be documented in writing by Prime Contractors submitting invoices for payments to the paying agency or institution. The reporting agency should ensure the accuracy of the data reported by the Prime Contractor. The Prime Contractor payment data can be verified with the HUB subcontractor or by requiring the Prime Contractor to submit copies of canceled checks payable to the subcontractor with the subcontracting report to the agency. The state agency or institution of higher education must submit detail summary records to CPA of each HUB subcontractor payment made by a Prime Contractor to each HUB vendor for the specific object code which is being used to pay the Prime Contractor. The total spent with Prime Contractors for each object code reported will be determined by CPA from the consolidated data reported for each object code. This procedure for submitting data must be followed for each object code in which an agency or institution wants to receive credit for HUB subcontracting (such as the object codes relating to construction, legal, engineering, janitorial, etc.).

Format for Submitting Subcontract Data Electronically (Programmer's Format)

State agencies and institutions of higher education submitting subcontract ("S") data for the HUB Report are required to submit detail summary records of each subcontract payment made by a Prime Contractor to each HUB vendor for each specific object code. The total spent with Prime Contractors for each object code reported will be determined from the consolidated data reported for that object code. Agencies and institutions can submit their subcontracting data on-line through the HUB Reporting System at <https://checkout.na1.netsuite.com/c.852252/checkout/login.ssp?n=2&login=T#login-register>

ASCII or text detail records with the following fields:

◆ Agency Code	5 characters	Fill with leading zeroes (i.e., 00999 or 0HW14).
◆ Payee/Vendor Identification	11 numeric characters	If the PIN contains more than 11 numeric (PIN/VID) characters, submit only the first 11. No dashes, spaces, or alpha characters.
◆ Vendor Name	20 characters	Uppercase. If less than 20 characters, fill in with spaces after vendor name.
◆ Object Code	4 characters	The 4-digit object code must be the same object code that was used to pay the Prime Contractor and must be on the HUB Report's approved/included list of object codes.
◆ Dollar Amount	12 characters	The first nine (9) characters must be whole dollars or zeros followed by a decimal point with the two (2) remaining characters identifying the cent values. All dollar values must be preceded by leading zeros. If reporting a negative dollar amount, the first character (41) must be a hyphen (dash).

♦ Type of Record	1 character	"S" to identify Sub-Contractor. "H" to report and identify purchases made directly from HUBs using the procurement card as the method of payment and wanting HUB credit.
------------------	-------------	--

The following are example detail records submitted by Agency 999:

```
|--5-|-----11-----|-----20-----|-4-|-----12-----|1|
0099917601799384BLUE BOY VENDING      7341000300000.00S
0099917426913301RADCON INC             7341000200000.00S
```

NOTE: The sets of numbers identified in the first line of the example indicate the number of characters for each section.

In the records identified, agency 999 is identifying a payment made to a HUB subcontractor. PIN/VID number 17601799384, BLUE BOY VENDING processed under object code 7341 (the same object code used to pay the Prime Contractor) in the amount of \$300,000.00. A second payment was made to a HUB subcontractor with PIN/VID number 17426913301, RADCON INC. This HUB subcontractor was processed under object code 7341 for \$ 200,000.00. The total spent with Prime Contractors for object code 7341 will be derived from the consolidated Non-HUB total (treasury + non-treasury) paid within this object code. If this object code total is less than the HUB subcontractor amount submitted for this object code, the records will be rejected and an exception report will be generated. The CPA will notify the agency of the discrepancy. If the discrepancy can be documented and resolved within 24 hours, the data records will be corrected. A HUB subcontractor cannot be paid more than the Prime Contractor.

AVOIDING HUB SUBCONTRACT DISCREPANCIES

During previous HUB Reporting periods, CPA has discovered discrepancies from agencies that submitted HUB subcontracting data. CPA identifies discrepancies in the following ways:

- 1) When comparisons are made between an agency's reported Non-HUB Prime Contractor expenditures and an agency's reported HUB subcontractor expenditures for the same object code. HUB subcontracting payments must not be more than the Non-HUB Prime Contractor payments.
- 2) HUB subcontracting double reporting is not allowed. An agency can submit HUB subcontracting dollars to any tier level until a HUB subcontractor is paid. Once HUB credit is received, HUB reporting is not allowed beyond the first level reported.
- 3) There are object codes that are allowed on the HUB Report and object codes that are not allowed. If an agency reports expenditures under object codes which are not allowed, the data records are not reported on the HUB Report.
- 4) The HUBs included in the agencies' HUB subcontracting data must be CPA HUB certified (under the VID number in the CPA HUB directory) in order for an agency to receive HUB credit on the Statewide HUB Report. When discrepancies have occurred, CPA has contacted the agency and requested that corrections to the data submitted are corrected or the records would not be accepted as HUB subcontracting. In addition, HUB subcontracting should only be reported to CPA when the Prime Contractor is a Non-HUB vendor. If the Prime Contractor is a HUB, the expenditures are recorded as a 100% HUB direct payment, not as a HUB subcontractor payment.

EXAMPLES FOR SUBMITTING HUB SUBCONTRACTING DOUBLE REPORTING CLARIFICATIONS

**Questions: Can second (2nd) tier HUB Subcontracting be reported?
What is HUB Subcontracting double reporting?**

Answer: You can submit HUB subcontracting dollars to any tier level until a HUB subcontractor is paid under the object codes that are allowed on the HUB Report. However, HUB subcontracting double reporting is not allowed. For example, once an agency receives HUB credit, whether it is at the prime level (first level/tier), or subcontractor (second or third level/tier), HUB subcontracting reporting is not allowed beyond the level/tier at which HUB dollars are reported and HUB credit is received. Here are a few examples:

First Level HUB Credit

If your agency uses a CPA-Certified HUB Prime Contractor (first level/tier) who performs at least 25% of the work, you will receive 100% HUB credit participation at the first level. You will want to track any subcontracting performed to ensure that the HUB prime is performing at least 25% of the contract, but you may not report HUB subcontracting because you are already receiving 100% credit. Reporting additional HUB subcontracting would be double reporting. The HUB prime vendor may subcontract with other HUB(s), but those HUB subcontracting dollars may not be reported. Subcontracting should be tracked only to ensure the HUB prime vendor is performing at least 25% of the contract.

EXAMPLE:

If you award a \$100,000 contract to a CPA-Certified HUB vendor, your agency will receive \$100,000 or 100% HUB credit. If this HUB Prime Contractor subcontracts \$10,000 or 10% with another HUB and your agency reports these dollars, your agency would be reporting \$110,000 of HUB credit. Since the contract is, for only \$100,000 this would be double reporting \$10,000.

Second Level HUB Credit

If your agency uses a Prime Non-HUB Contractor, you may request the Prime Non-HUB Contractor to meet the good faith effort of subcontracting with HUB(s). Your agency may submit subcontracting data for the CPA certified HUB(s) utilized as a 1st level/first tier source for the Prime Non-HUB Contractor.

EXAMPLE:

If you award a \$100,000 contract to a Prime Non-HUB Contractor (1st level/tier), and this Prime Non-HUB Contractor subcontracts \$10,000 or 10% with a CPA certified HUB (2nd level/tier) and your agency reports these dollars, your agency would be reporting \$10,000 or 10% of HUB credit.

Third Level HUB Credit

If your agency utilizes a Prime Non-HUB Contractor, and the subcontractor is also a Prime Non-HUB Contractor (1st level/tier), and the subcontractor is also a Prime Non-HUB Contractor (this is considered the 2nd level/tier vendor), and the 2nd level/tier Non-HUB Subcontractor utilizes a CPA certified HUB subcontractor 3rd level/tier, your agency may report the 3rd level/tier HUB subcontracting. After this level (the level at which HUB subcontracting is utilized and reported) no additional HUB subcontracting credit can be received, even if the 3rd level/tier HUB further subcontracts with a 4th level/tier HUB.

EXAMPLE:

If you award a \$100,000 contract to a Prime Non-HUB Contractor (1st level/tier), and this Prime Non-HUB Contractor subcontracts \$10,000 or 10% with a Non-HUB Subcontractor (2nd level/tier) and the Non-HUB subcontractor further subcontracts \$1,000 or 1% of total to original contract with a CPA certified HUB (3rd level/tier) and your agency reports the HUB subcontracting (3rd level/tier), your agency would report and receive \$1,000 or 1% HUB credit. If you have any further questions or need additional information, please contact the Statewide HUB Program at 512-463-5872.

DEPARTMENT OF INFORMATION RESOURCES (DIR) PURCHASES

State agencies and institutions of higher education should not report non-treasury **purchases that DIR made** on their behalf (i.e. data center services, shared services, etc.). Note HUB subcontracting payments from purchases your agency/institution made directly utilizing a contract procured through DIR are reportable by your agency/institution for HUB credit. If you have questions about your agency's DIR detail records, please contact DIR HUB Coordinator Representatives, Lynn Sanchez at 512-463-9813 or lynn.sanchez@dir.texas.gov.

TEXAS PUBLIC FINANCE AUTHORITY (TPFA) PURCHASES

TPFA enters in USAS the purchasing agency's number in the "comp/agy obj" field. The CPA pulls the purchasing agency's number from the "comp/agy obj" field and replaces TPFA's agency number 347 for all master lease purchases made out of Fund 735, Appropriation 05755 by the Texas Public Finance Authority, and reports it with the treasury data. **For reconciliation purposes, a column has been added to the agency detail data to identify TPFA purchases.** An agency may view its detail data on-line at <https://checkout.na1.netsuite.com/c.852252/checkout/login.ssp?n=2&login=T#login-register> during the draft period, or final report.

REPORTING OF PROCUREMENT CARD HUB PURCHASES

Applicable only to state agencies and institutions of higher education participating in the procurement card program.

TERM CONTRACT 946-A1

The procurement card is a payment method and is not to be used to circumvent any statutory or regulatory purchasing requirements, (e.g., use of CMBL for obtaining 3 bids with a minimum of 2 bids from HUBs, etc.). Procurement card purchases made with treasury funds are identified through PCC H (not PCC A), and CitiBank's VID number. These payments made to CitiBank's VID number with treasury funds will be reported by the CPA for each agency. If the VID is identified as a payment to CitiBank, it will remain in each agencies' and institutions of higher education total expenditure base.

State agencies and institutions of higher education using non-treasury funds are **required** to submit the detail summary records of the total payments made to the procurement card vendor CitiBank during the Semi-Annual and Annual HUB Reporting periods. These direct payments to CitiBank using non-treasury funds should be reported to CPA in the ASCII format below using an "N" as the type-of-record identifier.

In addition, an agency or institution of higher education may **choose** to track and report HUB expenditures when using the procurement card as a method of payment to offset or improve its overall HUB expenditures. If an agency or institution of higher education decides to track and report this data, then it must be reported to CPA in the ASCII format below using an "H" as the type-of-record identifier.

Agencies and institutions can submit their procurement card data on-line through the HUB Reporting System at <https://checkout.na1.netsuite.com/c.852252/checkout/login.ssp?n=2&login=T#login-register>

ASCII or text detail records with the following fields:

◆ Agency Code	5 characters	Fill with leading zeroes (i.e., 00999 or 0HW14).
◆ Payee/Vendor Identification	11 numeric characters	If the PIN contains more than 11 numeric (PIN/VID) characters, submit only the first 11. No dashes, spaces, or alpha characters.
◆ Vendor Name	20 characters	Uppercase. If less than 20 characters, fill in with spaces after vendor name.

Object Code	4 characters	The 4-digit object code must be the same object code that was used to pay CitiBank and must be on the HUB Report's approved or included list of object codes.
◆ Dollar Amount	12 characters	The first nine (9) characters must be whole dollars or zeros followed by a decimal point with the two (2) remaining characters identifying the cent values. All dollar values must be preceded by leading zeros. If reporting a negative dollar amount, the first character (41) must be a hyphen (dash).
◆ Type of Record	1 character	"N" to identify non-treasury payments made to CitiBank for all procurement card purchases; "H" to report and identify purchases made directly from HUBs using the procurement card as the method of payment and wanting HUB credit.

Payments made to CitiBank using non-treasury funds **must** be reported to CPA by the state agencies and institutions of higher education using these types of funds. Purchases made from HUBs using the procurement card as the method of payment **may** be reported to CPA at the option of the agency or institution of higher education. Please note that payments made to CitiBank using treasury funds **will be** reported by the CPA for each agency or institution of higher education.

Below are example records that must be submitted by agencies when reporting their non-treasury payments to CitiBank and their HUB expenditures:

NOTE: The sets of numbers identified in the first line of the example indicate the number of characters for each section.

- ◆ In the first record, agency 999 paid vendor 11349946506, CITIBANK, under object code 7327 a total of \$3,000.00 using non-treasury funds.
- ◆ In the second record, agency 999 paid vendor 17601161528, NATEX CORPORATION under object code 7324 a total of \$1,000.50.
- ◆ In the third record, agency 999 paid vendor 17514873201, BAILEY BOILER WORKS under object code 7327 a total of \$1200.50.
- ◆ In the fourth record, agency 999 paid vendor 14528870315, SACHEM GROUP, THE under object code 7327 a total of \$150.00.

By adding the three records identified with the "H", it can be determined that the total purchased from HUBs with the procurement card for this reporting period was \$2,351.00. The CitiBank non-treasury payments will be added to the CitiBank treasury payments reported by the Comptroller for each agency for a grand total paid to the CitiBank by each agency. The total spent with HUBs must be less than or equal to the total payments reported for the CitiBank by the Comptroller's Office for treasury funds and by the agency for Non-treasury funds, if applicable. If the HUB totals are not less than or equal to the total paid to the CitiBank, the data will be considered inaccurate and will be rejected by the CPA HUB Reporting programs.

Note: Agencies and institutions can submit **test data** at any time during the reporting period to ensure that the electronic ASCII format of the data submitted is correct. The test data should be submitted at least **two weeks** before the timelines specified in these procedures to verify correct format and to allow time for format changes. Late reporting will **not** be accepted.

REPORTING OF GROUP PURCHASING PROGRAM (ALL STATE AGENCIES/INSTITUTIONS OF HIGHER EDUCATION)

According to Texas Government Code, § 2161.122(d), a state agency participating in a group purchasing program shall send to the Comptroller in the agency's report under Section 2161.121 a separate list of purchases from historically underutilized businesses that are made through the group purchasing program, including the dollar amount of each purchase allocated to the reporting agency. The total dollar amount of all object codes reported will form the total group purchasing expenditure for each agency or institution from which the percentage of HUB purchases is derived. **Although these group purchasing payments are also reflected in the total expenditure column of the consolidated HUB Report, CPA is required to include each agency's or institution's participation in this program and include amounts spent with HUBs in a separate section (Section V) of the HUB Report in accordance with Texas Government Code, Chapter 2161.**

"G" records must also be reported as part of your detail records as either treasury "T" or non-treasury "N" depending on source of funding used when making payment. "G" records are technically reported twice (first, as a detail expenditure, and secondly, to separately identify those agencies or institutions that are participating in a group purchasing program).

Format for Electronically Submitting Group Purchasing Program (the Programmer's Format)

State agencies/institutions of higher education participating in a Group Purchasing Program are required to submit the detail summary records for each object code which the agency or institution participates. Agencies and institutions can submit their group purchasing data on-line through the HUB Reporting System at <https://checkout.na1.netsuite.com/c.852252/checkout/login.ssp?n=2&login=T#login-register>

◆ Object Code	4 characters	The 4-digit object code must be on the approved/included list of object codes.

The following is an example detail record submitted by agency 999:

```

NOTE: The sets of numbers identified in the first line of the example indicate the number of characters for each section. In this record, agency 999 is identifying a payment made to vendor 19543470181, WALKERS ELECTRONICS processed under object code 7312 for \$250,000.00 through the participation of a Group Purchasing Program.

Note: Legislation mandates that Group Purchasing Participation be reported for the Semi-Annual and Annual HUB Report separately. Each group purchasing payment made from non-treasury funds must also be reported as a non-treasury detail record, which will be included in the non-treasury base for total expenditures. The Comptroller will report any payments made from treasury funds.

HUB REPORT EXCLUSIONS

- **Interagency Payments** - Interagency Payments are excluded if the agency's Comptroller assigned identification number, not the agency's federal identification number, is used for payment. State agencies and institutions of higher education are encouraged not to use the federal identification number when making interagency payments if they want the payment to be excluded.

For interagency payments to be excluded from the HUB Report, the Comptroller assigned identification number, which is a 9-digit base number for all state agencies/institutions of higher education, must be used. This number is pre-fixed with a three (3) and includes the agency's 3-digit agency code repeated three times. For example, CPA's Comptroller assigned identification number is 3-304304304-2.

Interagency payments may also be excluded using the Inter-Governmental Payment Exclusion applications.

- **Texas Industries for the Blind and Handicapped (TIBH) payments**, using the following vendor identification number 17419760511, are excluded.
- **TIBH Workcenters** as designated by TIBH are excluded.
- **Texas Correctional Industries, Inc. (TCI) payments**, using the following vendor identification number 17460014313 are excluded.
