Agency 774 - Fiscal 2020 Annual HUB Report Supplemental Summary Letter

Texas Tech University Health Sciences Center El Paso is committed to making good faith efforts to support, promote and include Historically Underutilized Businesses (HUB) in the procurement process and acquisition of goods and services for the institution. Being a healthcare and research institution TTUHSC El Paso is challenged to find qualified HUB's that can fulfill professional medical services contracts, offer the specialized major medical and laboratory equipment required by the institution as well as finding HUB's that can provide the pharmaceuticals required by our clinical and pharmacy operations. To meet the challenge of finding and engaging qualified HUB's the TTUHSC El Paso-HUB Office provides internal departmental training, conducts vendor and purchaser training, requires HUB outreach/inclusion in all solicitations and participates in outreach activities across the State.

Outreach efforts in FY 2019 included the attendance and participation at the following events:

- ACCESS 2019 Business Expo, Irving, TX
- 2019 Cooperative Purchasing Expo, El Paso, TX
- 15th Procurement and Contracting Symposium, Fort Bliss, TX
- 13th Annual Veterans Business Conference, Fort Bliss, TX
