

Supplemental Summary for Semi-Annual FY 19 HUB Report for Agency 714

The University of Texas at Arlington, Agency 714, submits the following information to supplement the FY 19 Semi-Annual HUB Report as evidence of our Good Faith to locate and transact with HUB's in order to increase purchases and contracts awarded with HUB suppliers.

The University of Texas at Arlington (University) HUB participation for the FY 19 semi-annual report is 15.43% with \$10,089,182 in HUB spend. This reflects an increase of 2.08% from the annual report for FY 18. Additionally, the University realized an increase of 2.79% in HUB spend with Black-owned companies, and an increase of 15.76% with woman-owned suppliers.

The University's HUB Program continues to maintain an outreach program through participation in associations, HUB Expo's, and chamber events. The HUB Coordinator also currently serves on the Board of the US Pan Asian Chamber of Commerce. A few of the events attended were:

- 2018 HMSDC Business Expo, Houston, TX
- TAMACC Annual Hispanic Business Conference
- TAAACC Annual Texas Black Business Conference
- Bexar County SMWVBO Business Conference
- 2019 Statewide HUB Expo
- Arlington Black Chamber Meetings

Outreach and education are provided in conjunction with the University's Office of Human Resources by speaking at the monthly New Employee Orientation. This acquaints new hires with the HUB program and the importance of the program.

The HUB Coordinator also participates in pre-bid meetings by having a breakout session tailored to the HUB Subcontracting Plan, which helps bidders/proposers identify and work with potential HUB's for subcontracting work. Extra efforts have been put forth by the HUB Coordinator to follow-up with HUB vendors after bid openings/proposal submittals deadlines, to inquire why a bid or proposal was not submitted to the University. This data is helpful and constructive information for the HUB Coordinator.

As our HUB program continues to evolve, the University is committed to working towards expanding the program by outreach and in-reach activities.

Respectfully submitted,

Julia Cornwell
