The University of North Texas System, Agency 769, manages the Historically Underutilized Business (HUB) Program for each of the entities under a shared services agreement. These agencies include: the University of North Texas (Agency 752); University of North Texas Health Science Center (Agency 763); University of North Texas at Dallas (Agency 773); and the UNT System Administration (Agency 769).

The UNT System submits the following information to supplement the FY 20 Semi-Annual HUB Report as evidence of our Good Faith Effort to locate and transact with HUBs and to exceed our HUB participation goals. Our outreach activities are summarized below.

- Conducted face to face meetings with vendors to discuss HUB certification, Mentor/Protégé Programs, and upcoming opportunities
- Worked directly with vendors to complete HUB certification process and to assist with the renewal process
- Attended events sponsored by local chambers of commerce and diversity advocacy groups
- Sponsored various events that included prospective HUB vendors and allowed for opportunities to match-make between Prime vendors and HUB vendors
- Attended numerous pre-solicitation meetings, evaluation committees, and selection interviews
- Managed Mentor-Protégé sponsorships, including quarterly meetings with Mentors and Protégés
