### Supplemental Letter for FY 2021 Annual HUB Report for Agency Number 332

The Texas Department of Housing and Community Affairs continues in its dedication of working with Historically Underutilized Businesses throughout the State of Texas. We have historically been successful in achieving and exceeding the state recommended percentages.

TDHCA's expenditures in FY2021 in the *Other Services* Category were a direct result of COVID-19 funding contracts. The *Commodities* Category shows that TDHCA achieved a very high percentage of 75.4%, which verifies our efforts for HUB vendor participation.

#### Overview of TDHCA FY 2021 HUB percentages:

Heavy Construction = N/A  
Building Construction = N/A  
Special Trade = N/A  
Professional Services - Unadjusted = **0.0%**  
Other Services -Unadjusted = **1.9%**  
Commodities – Unadjusted = **75.4%**

TDHCA continues to pursue new HUB vendors at every opportunity. Our dedication to using HUBs is a prominent part of our procurement process and we are confident that we will continue to improve over the next Fiscal Year.

This Supplemental Letter is submitted to confirm our participation in the HUB Program. Please contact Krissy Vavra at (512) 475-2612 or by email at [kristina.vavra@tdhca.state.tx.us](mailto:kristina.vavra@tdhca.state.tx.us) should you have any questions regarding this letter.
