

711 & 718 – Fiscal 2023 Semi-annual HUB Report Supplemental Letter

Texas A&M University submits the following HUB report information with respect to 711, Texas A&M University-Main and 718, Texas A&M University at Galveston.

As follows is bid data as such bids are issued by Texas A&M University Procurement Services for Texas A&M University -Main (711) for the period of 9/1/22 – 2/28/23: 6,939 total bids with 3,274 submitted to HUBs (47.2%) with 204 responses for a 6.2% yield rate.

As follows is bid data as such bids are issued by Texas A&M University Procurement Services for Texas A&M University at Galveston (718) for the period of 9/1/22 – 2/28/23: 74 total bids with 7 sent to HUBs (9.5%) with 4 responses for a 57% yield rate.

Additional good faith efforts include hosting a construction expo for HUB subcontractors to meet with University and Texas A&M University System prime contractors, hosting an annual Chamber of Commerce event highlighting local HUBs, hosting the annual university-wide HUB vendor show at Main and Galveston campuses along with participation in Bexar County and Houston Minority Supplier Council HUB expos.

One item negatively impacting the FY23 semi-annual submission for 711 is \$561,000 of HUB spend unable to be recognized due to changes in a vendor's HUB status.

Sincerely,

Dean Endler
