TEXAS LOTTERY COMMISSION

362 – Fiscal 2024 Annual HUB Report Supplemental Letter

The Texas Lottery Commission is committed to including Historically Underutilized Businesses (HUBs) in its procurements by providing substantial opportunities for both direct contracting and subcontracting. The agency promotes HUB inclusion by actively recruiting HUB vendors and encouraging prime contract vendors to extend subcontracting opportunities to HUBs. The Texas Lottery Commission’s “good faith efforts” to ensure continued HUB participation during FY 2024 included the following:

- Estimating total value of contract awards and establishing agency HUB goals for FY 2024;
- Reviewing contract solicitations with an expected value of \$100,000 or more to determine the probability of HUB subcontracting, prior to releasing solicitation documents;
- Educating bidders/proposers about the agency’s HUB policy and HSP requirements;
- Assisting bidders/proposers with the HSP process by offering one-on-one workshops and review of draft HSPs;
- Participating in the HUB Discussion Workgroup, which is composed of state agency HUB Coordinators who meet to share information and provide proactive feedback to the Statewide Procurement Division of the CPA;
- In addition to conducting the Agency’s Annual HUB Forum, the Texas Lottery Commission participated in economic opportunity forums and HUB-related outreach events throughout the state to provide bid opportunities and information about the agency’s procurements;
- Assisting eligible vendors with HUB certification through the CPA; and
- Providing updates to Texas Lottery Commissioners and Executive Management regarding the agency’s HUB/minority participation.

The Texas Lottery would like to highlight additional expenditures made, but not captured by the Statewide HUB Report. During this reporting period, the agency paid certified HUBs approximately **\$100,307.48** for goods and services, which used a non-reportable object code that is not included in the statewide report.

The Texas Lottery Commission supports the State of Texas HUB Program and will continue to work to increase HUB participation. Should you have any questions regarding the agency’s good faith efforts, please contact our HUB Coordinator, Mr. Eric Williams, at (512) 344-5241.
