

719-Fiscal Year 2024 Annual HUB Report Supplemental Letter

Texas State Technical College is committed to making a good faith effort to contract with and support Historically Underutilized Businesses (HUBs). With campuses across Texas, we report under agency 719 and ensure a competitive procurement process that provides fair and equal access to all businesses as outlined in Texas Government Code, Chapter 2161.

- **Revised HUB Report (11/22/24):** During our review of the HUB report published on the Comptroller's website, TSTC discovered an error in the final data submission. The revised figures below represent the corrected and verified numbers for the final HUB report:

TSTC Spent	HUB Spent
\$78,892,483 N	\$9,204,936
\$1,575,755 T	\$519,835
\$9,654,421 H	\$562,020
	\$3,232,596 S
\$90,122,659	\$13,519,687
Total HUB Percentage: 15.00%	

In addition to the FY24 Annual HUB Report, we are providing the following information to better represent our proactive effort to increase HUB utilization across the College:

- Spent \$35,281.38 on DIR HUB suppliers.
- We are continuing to fine-tune our approach to tracking and achieving HUB goals by maintaining a system that monitors progress for seven high-impact Capital Construction Assistance Projects (CCAP) across seven campuses.
- 43 events were posted, with a total of 15,043 bids sent out, of which 9,063 were to HUB. TSTC received 94 responses.
- Increased visibility and strengthened partnerships by participating in three HUB events:
 - Cen-Tex HUB Contracting Event, Waco - March 27, 2024
 - Houston Minority Supplier Development Council Spot Bid Fair, Houston - October 11th - 12th
 - Spot Bid Fair and HUB Expo, Irving - May 14th - 15th, 2024
