Texas Schedule of Gallons Subsequently Sold Texas Tax-Free Prior to Export *(Item 17)*

You have certain rights under Chapters 552 and 559, Government Code, to review, request, and correct information we have on file about you. Contact us at the address or phone number listed on this form.

Who Must File

This schedule must be filed by every licensed supplier, permissive supplier, distributor, importer or exporter who:

- purchases or removes gasoline or diesel fuel tax-free for export to another state or country; and
- prior to export, sells the gasoline or diesel fuel in Texas tax-free to a licensed supplier, permissive supplier, distributor, importer or exporter
- Failure to file this schedule may result in collection action as prescribed by Title 2 of the Tax Code.

NOTE: Suppliers must collect and remit the "Texas Petroleum Product Delivery Fee Report" (Form 64-100) when:

- the supplier withdraws the petroleum products into cargo tanks, or
- petroleum products are imported into Texas.

See Water Code Section 26.3574(b).

Due Date

This schedule is due on or before the 25th day of the month following the month of the subsequent sale.
