GENERAL INFORMATION: This form and attached schedules are for use in claiming an allocation of value that fairly represents the use in Texas of vessels and other watercraft used outside Texas pursuant to Tax Code Sections 21.031 and 21.09 and Comptroller Rule 9.4033(b)(2). This form is for allocating value to Texas of:

- vessels or other watercraft used as an instrumentality of commerce, as described by Tax Code Section 21.031(b)(1); and
- special-purpose vessels or other watercraft not used as an instrumentality of commerce, as described by Tax Code Section 21.031(b)(2).

Schedule 1 includes the definition and method of value allocation applied to vessels or other watercraft used as an instrumentality of commerce. Schedule 2 includes the definition and method of value allocation applied to special-purpose vessels or other watercraft not used as an instrumentality of commerce.

Form 50-147, not this form, should be used in claiming an allocation of value for types of tangible personal property other than vessels and watercraft. Form 50-147 covers tangible personal property generally (including motor vehicles, mobile equipment, shipping containers, non-railroad rolling stock, etc.) pursuant to Tax Code Section 21.03; commercial aircraft under Tax Code Section 21.05; and business aircraft under Tax Code Section 21.055. Tax Code Chapter 24, Subchapter B, applies and different forms are used for allocation of a railroad's rolling stock. Further information regarding allocation of value to Texas of personal property can be found in Tax Code Chapter 21, Taxable Situs, and Comptroller Rule 9.4033, Allocation of Value.

RENDITION OF VALUE: The filing of a rendition of value under Tax Code Chapter 22 is not a condition of qualification for allocation of the value of property used in interstate commerce, vessels or other watercraft, commercial aircraft or business aircraft under Tax Code Section 21.09(e). Tangible personal property used for the production of income must be rendered, according to the provisions of Tax Code Section 22.01, on a separate form (50-145). Failure to file a rendition timely or at all will subject the property owner to monetary penalties provided by Tax Code Sections 22.28 and 22.29; however, failure to file a rendition will not cause the property to be disqualified from allocation of value if the property otherwise qualifies and the filing deadlines are met.

FILING INSTRUCTIONS: This document and all supporting documentation must be filed with the appraisal district office in the county in which the property is taxable. Do not file this document with the Texas Comptroller of Public Accounts. A directory with contact information for appraisal district offices may be found on the Comptroller's website.

APPLICATION DEADLINES: A person claiming an allocation must apply for the allocation each year the person claims the allocation. A person claiming an allocation must file a completed allocation application by **March 31** and must provide the information required by this form. If the property was not on the appraisal roll in the preceding year, the deadline for filing the allocation application form is extended to the 30th day after the date of receipt of the notice of appraised value required by Tax Code Section 25.19(a)(3). For good cause shown, the chief appraiser shall extend the deadline for filing an allocation application form by written order for a period not to exceed 30 days. [Tax Code Section 21.09(b)]

LATE APPLICATION, PENALTY AND NOTICE: The chief appraiser shall accept and approve or deny an application for an allocation of value after the deadline for filing if the application is filed before the date the appraisal review board approves the appraisal records. If the application is approved, the property owner is liable to each taxing unit for a penalty in an amount equal to 10 percent of the difference between the amount of tax imposed by the taxing unit on the property without the allocation and the amount of tax imposed on the property with the allocation. The chief appraiser shall deliver a written notice of imposition of the penalty with an explanation to the property owner. The amount of the penalty shall be added to the tax bill and the penalty collected at the time and in the manner the collector collects the tax. The penalty amount constitutes a lien against the property and accrues penalty and interest in the same manner as a delinquent tax. [Tax Code Section 21.10]

ADDITIONAL INFORMATION: If the chief appraiser determines that additional information is needed, the chief appraiser may request the information by written notice delivered to the property owner. A property owner must furnish the additional information within 15 days after the date the notice is mailed.

VERIFICATION AND CANCELLATION OF VALUE ALLOCATION: If the chief appraiser learns of any reason indicating that an allocation previously allowed should be canceled, the chief appraiser shall investigate. If the chief appraiser determines that the property is not entitled to an allocation, the chief appraiser shall cancel the allocation and deliver written notice of the cancellation not later than the 5th day after the date the chief appraiser makes the cancellation. [Tax Code Section 21.09(d)]

Schedule 1: Vessel or Watercraft Used as an Instrumentality of Commerce

A vessel or other watercraft used as an instrumentality of commerce is primarily employed in the transportation of cargo, passengers or equipment and is economically employed when it is moving from point-to-point as a means of transportation.

The allocable portion of the total fair market value of a vessel or other watercraft used as an instrumentality of commerce that is taxable in Texas is determined by multiplying the total fair market value by a fraction. The fraction numerator is the number of miles the vessel or watercraft was operated in this state during the previous tax year, and the denominator is the total number of miles the vessel or watercraft was operated during the previous tax year. [Tax Code Section 21.031(b)(1)]
