Beginning August 7th, visit [Texas.gov/PropertyTaxes](https://www.texas.gov/PropertyTaxes) to find a link to your local property tax database on which you can easily access information regarding your property taxes, including information regarding the amount of taxes that each entity that taxes your property will impose if the entity adopts its proposed tax rate. Your local property tax database will be updated regularly during August and September as local elected officials propose and adopt the property tax rates that will determine how much you pay in property taxes.

The governing body of each taxing unit decides whether or not taxes on the property will increase and the appraisal district only determines the property's value.

Qualifying disabled veterans may receive a partial exemption from taxation under Tax Code Section 11.22. Contact your appraisal district for more information.
