MAP CHALLENGE EVIDENCE REQUIREMENTS (page 1)

Challenging eligibility of a Designated Area		Challenge	Challenge Evidence Required - Attach to the email sent to <a href="mailto:Map.Challenges@cpa.texas.gov">Map.Challenges@cpa.texas.gov</a>
1	<b>Designated Area(s) should be designated as Eligible</b>	Providers <b>do not</b> offer broadband service that meets the 25 megabits per second (Mbps) download/3 Mbps upload threshold that is available to consumers within 10 business days to AT LEAST 80 percent of addresses in Designated Area(s) and evidence can be provided.	<p><b>PROVIDE SERVICE NON-EXISTENCE INFORMATION:</b></p> <ul style="list-style-type: none"> <li>Address-level non-existence information/proof that providers <b>do not provide broadband service</b> in the Designated Area that meets 25/3 Mbps threshold and can be offered within 10 business days to AT LEAST 80 percent of the addresses in that census block(s) [Designated Area(s)]: verifiable customer address lists and map (screen shot) of the Designated Area(s) in the claim. Should include a list of all counties covered.</li> <li>AND</li> <li>Signed affidavit attesting to this claim.</li> <li>AND:</li> </ul> <p><b>PERMISSION TO USE INFORMATION:</b></p> <ul style="list-style-type: none"> <li>Challenger acknowledges that the information provided by the challenger may be used to update the Texas Broadband Development Map and may be subject to disclosure under Texas Government Code, Chapter 552.</li> </ul> <p><b>PROVIDE SERVICE SPEED(S) INFORMATION:</b></p> <ul style="list-style-type: none"> <li>Address-level service speed information (speed tests of ACTUAL BROADBAND speeds) for the addresses within the census block(s) [Designated Area(s)]. Please provide minimum and maximum speed test results.</li> <li>AND</li> <li>Speed test results must be done in situ, i.e., via a mobile application testing. Rationale: A mobile speed test is the only type of speed test that is truly location-specific as it is based on GPS coordinates versus aggregate area-based Ookla-type speed test data.</li> <li>AND</li> <li>A signed affidavit attesting to the speed test results.</li> </ul>
2	<b>Designated Area(s) should be designated as Eligible</b>	Designated Area(s) <b>not previously awarded</b> federal funding for the deployment of broadband services and evidence can be provided.	<p><b>PROVIDE FEDERAL BROADBAND FUNDING AWARD NON-EXISTENCE INFORMATION:</b></p> <ul style="list-style-type: none"> <li>A signed letter from the federal agency stating that <b>no federal funding has been awarded</b> (includes authorized and approved funding) under a competitive process to support the deployment of broadband service to addresses located in the Designated Area(s) in question. Should include a list of all counties covered.</li> <li>OR</li> <li>An extract of all awardees of broadband funding from the federal agency (ies) that clearly shows the challenged Designated Area(s) as non-awarded.</li> <li>AND</li> </ul> <p><b>PERMISSION TO USE:</b></p> <ul style="list-style-type: none"> <li>Challenger acknowledges that the information provided by the challenger may be used to update the Texas Broadband Development Map and may be subject to disclosure under Texas Government Code, Chapter 552.</li> </ul>
