

**STATE OF TEXAS
TEXAS COMPTROLLER OF PUBLIC ACCOUNTS
TEXAS MULTIPLE AWARD SCHEDULE (TXMAS)
CONTRACT NO: TXMAS-##-####**

THIS CONTRACT is entered into by and between the Texas Comptroller of Public Accounts (CPA), an agency of the State of Texas, through its Statewide Procurement Division located at 1711 San Jacinto Blvd., Austin, Texas 78774 and {Contractor Legal Name} (Contractor) with its principal place of business located at {Address}.

This Contract is effective as of the date of signature by CPA after having first been signed by Contractor.

1. BACKGROUND

Contractor has entered into a contract with the federal government or other governmental entity that was awarded using a competitive process (Base Contract). CPA has determined that the underlying Base Contract offers goods or services that may be of interest to Customers. CPA will use the Base Contract as a basis for a Texas multiple award schedule (TXMAS) contract with Contractor as permitted by Section 2155.501 *et seq* of the Texas Government Code. This TXMAS Contract establishes terms and conditions under which Customers may acquire Contractor's goods or services, but this Contract does not obligate any Customer to do so.

Customers are defined as those entities permitted to purchase from a TXMAS contract and consists of state agencies (as defined by Section 2151.002 of the Texas Government Code), local governments (as defined by Section 271.101 of the Texas Local Government Code), assistance organizations, special districts, MHMR community centers, Texas Rising Star Providers, or any qualified ordering entity participating in the cooperative purchasing program.

2. CONTRACT DOCUMENTATION

- (a) This Contract consists of the Base Contract as amended by this Contract (see Contract section entitled "Entire Agreement") and any subsequent contract amendments issued by CPA. To the extent there is a conflict between this Contract and the underlying Base Contract, this Contract controls.
- (b) The Base Contract consists of all documents and materials incorporated in that agreement with the governmental entity that awarded the Base Contract. Those documents include, but are not limited to, the governmental entity's competitively procured solicitation, Contractor's response to that solicitation, any resulting contract and all amendments thereto, and any authorized price lists.
- (c) Additionally, all representations, clarifications, and certifications submitted by Contractor as a part of the Base Contract contracting process are also included. This includes any laws, regulations, documents, guidelines, and other materials incorporated by reference in the Base Contract, including, as applicable, all Federal Acquisition Regulation (FAR), Defense Federal Acquisition Regulation (DFAR), Federal Information Processing Standards Publication (FIPS PUB), Federal Standards (FED-STD) and United States Code (USC) provisions, and any other applicable law or rule governing the contract relationship. By way of example, if the Base

Contract is with the United States General Services Administration (GSA), such would include all cited FAR and DFAR provisions relating to warranties, liabilities, and rights in data, and the GSA's Price Reduction Clause, among others.

- (d) Prices reflected on the Base Contract are maximum prices. A Customer may negotiate a lower price for goods and services than that listed on the Base Contract.

3. CERTIFICATION OF ACCURACY

Contractor hereby certifies that all copies of the Base Contract documents that were submitted to CPA are true, correct, current, and complete. Contractor further represents and warrants that all future Base Contract revisions submitted to revise this Contract will also be true, correct, current, and complete.

4. REPRESENTATIONS

Contractor warrants that all certifications and representations made as a basis for obtaining or as a part of the Base Contract were and still are true and accurate. Contractor further agrees that such representations are a basis for CPA entering into this Contract and that such representation and certifications inure to the benefit of the State of Texas, CPA, and all Customers under this Contract.

5. FUTURE NOTICE

- (a) Contractor acknowledges that any continuing obligation to notify the governmental entity that awarded Contractor's Base Contract of changes affecting the Base Contract (including, by way of example only, notices required under any price change provisions of the Base Contract) imposes a corresponding continuing obligation to notify CPA under this TXMAS Contract.
- (b) Contractor agrees to notify CPA within 30 calendar days of all changes in the status of or amendments to the Base Contract.
- (c) Contractor shall promptly notify CPA of any modifications to the Base Contract. CPA will consider Contractor's violation of this clause a material breach of the Contract and CPA may immediately terminate this Contract or pursue any other available contract remedy.

6. PARTIES TO THIS CONTRACT

- (a) For purposes of this Contract, all rights and obligations of Contractor and the governmental entity that awarded Contractor's Base Contract will be rights and obligations of Contractor and the State of Texas, CPA, and Customers, except to the extent that such would create an absurdity, are modified by this Contract, or would violate state or federal law. CPA is the contracting agency that is a party to this Contract, but may, as a state agency, also be a Customer under this Contract.
- (b) Unless expressly stated otherwise or unless the context clearly indicates otherwise, all Customers of this Contract will have the same rights and remedies of the State of Texas and CPA under this Contract including, but not limited to, the provisions regarding indemnification. Any order placed by a local government under this Contract will be between Contractor and the local government. Contractor will look solely to the local government for performance, including but not limited to, payment, and will hold the State of Texas harmless

with regard to such orders. The State of Texas, however, will have the right to terminate this Contract and seek such remedies on termination as this Contract provides should Contractor fail to honor its obligations under an order from a local government.

- (c) In performing this Contract, Contractor and Contractor's employees, representatives, agents and any subcontractors are not employees of the State of Texas, CPA, or Customers. Should Contractor subcontract any of the services required in this Contract, Contractor expressly understands and acknowledges that in entering into such subcontract(s), the State of Texas, CPA, and Customers are in no manner liable to any subcontractor(s) of Contractor. In no event shall this provision relieve Contractor of the responsibility for ensuring that the services rendered under all subcontracts are rendered in compliance with this Contract.

7. TXMAS PROGRAM REQUIREMENTS

In addition to all other provisions in this Contract that constitute changes or modifications to the Base Contract, Contractor agrees to the following provisions, notwithstanding anything to the contrary contained in the Base Contract:

- (a) All equipment will be new and all replacement parts will be new.
- (b) The ordering and payment addresses under this Contract will be those contained in Contractor's offer letter to the State.
- (c) Payments and invoicing will be in accordance with the terms discussed under the provisions in this Contract entitled "Payment; Travel Expenses" and "Invoice Requirements."
- (d) All shipping of equipment under warranty for repairs will be at Contractor's expense.
- (e) All references to hours of the day will be deemed to be references to Central Time.
- (f) Neither the State of Texas, nor CPA, nor Customers will purchase goods or services for overseas delivery or provide Contractor with overseas support.
- (g) Contractor may not sell and Customers may not purchase goods or services that are not included in this Contract. Therefore, to the extent the Base Contract contains terms that are not included in this Contract (such as blanket purchase agreements and contractor team arrangements), those terms are not applicable to this contract. However, for administrative convenience and to satisfy a total best value procurement requirement, a Customer may, if the quoted price is determined to be fair and reasonable, purchase incidental items that are not on the Base Contract to the extent permitted by applicable laws, rules, and regulations. The purchase of incidental items will be treated as an open market purchase and clearly labeled on the purchase order as open market items. These incidental items may not exceed \$5,000. If incidental goods or services exceed \$5,000, the purchase order may be void.
- (h) Contractor may only sell professional services to Customers as defined and mandated by Chapter 2254, Subchapter A, of the Texas Government Code. CPA will consider Contractor's violation of this clause a material breach of the Contract and CPA may immediately terminate this Contract or pursue any other available contract remedy.
- (i) Contractor may not sell to state agency Customers under this Contract any consulting services available on Contractor's Base Contract that are subject to Chapter 2254,

Subchapter B of the Texas Government Code. CPA will consider Contractor's violation of this clause a material breach of the Contract and CPA may immediately terminate this Contract or pursue any other available contract remedy.

- (j) Contractor may not sell to Customers under this Contract any technology commodity items (defined under Section 2157.068 Texas Government Code) that are available on Contractor's Base Contract. This includes commercial software, hardware, or technology services that are generally available to businesses or the public. This Contract specifically excludes any technology commodity item listed in Contractor's Base Contract or Contractor's catalog or proposal. CPA will consider Contractor's violation of this clause a material breach of the Contract and CPA may immediately terminate this Contract or pursue any other available contract remedy.
- (k) Contractor must submit a TxSmartBuy catalog to CPA with the exact same list of goods and services that the Base Contract permits Contractor to sell for uploading into the TxSmartBuy online ordering system. The TxSmartBuy catalog must reflect the goods and services listed on the base contract website. If a good or service is not visible online, then CPA will not list the good or service on the TxSmartBuy online ordering system.

8. TXSMARTBUY

- (a) **Online ordering.** CPA operates the TxSmartBuy online ordering system to allow Customers to order from the TXMAS Contract online. Customers may search for available goods and services, compare prices, and place orders through TxSmartBuy. Customers will exclusively access the goods or services available under Contractor's TXMAS contract through TxSmartBuy.
- (b) **Pricing and related information not confidential or proprietary.** The operation of TxSmartBuy requires CPA to publish all pricing information and other related information online. Consequently, by signing this agreement, Contractor agrees that the pricing (and other related information) submitted as part of Contractor's offer packet is not confidential or proprietary. By submitting an offer packet, Contractor consents to the publication of Contractor's pricing and related information on TxSmartBuy.
- (c) **TxSmartBuy administrative fee.** To cover the costs of operating TxSmartBuy, CPA will charge Contractor a 1.5% TxSmartBuy administrative fee. If Contractor wishes to recover this fee, CPA authorizes Contractor to charge up to 1.5228% additionally on its offer of goods or services. In CPA's review and evaluation of Contractor's pricing in its submitted offer packet, CPA assumes that Contractor has already considered and factored in no more than a 1.5228% maximum recoupment of the TxSmartBuy administrative fee.
 - (1) Contractor shall remit the 1.5% TxSmartBuy administrative fee on a monthly basis. The TxSmartBuy administrative fee is based on the amount of sales (based on the good's or service's delivery date) under this Contract for the previous month and is due upon receipt of the invoice that CPA will e-mail to Contractor the following month.
 - (2) CPA will bill Contractor for this fee based on all sales under the Contract.
 - (3) The TxSmartBuy administrative fee remittance should be identified as "TxSmartBuy Admin Fee" and made payable to **CPA**. The remittance address is: Texas Comptroller of

Public Accounts, Attn: TxSmartBuy Administrative Fee, P.O. Box 13106, Austin, TX 78711-3106.

- (4) The TxSmartBuy administrative fee is subject to change at the sole discretion of CPA. CPA will provide Contractor with written notice of any increase to the TxSmartBuy administrative fee.
- (d) **TXMAS sales rebate.** Contractor shall remit to the State of Texas a sales rebate which will not exceed the GSA Industrial Funding Fee (IFF) that is in effect at the time of the submission. The current sales rebate is 0.73875%. Contractor shall remit the sales rebate on a quarterly basis, using the State of Texas Fiscal Calendar, which starts on September 1 and ends on August 31 of each year. The sales rebate will be for the amount of sales (based on the good's or service's delivery date) under this Contract for the previous quarter and is due upon receipt of the invoice that CPA will e-mail to Contractor the week following the end of the quarter.
- (1) The Sales Rebate remittance should be identified as "TXMAS Sales Rebate" and made payable to CPA. The remittance address is: Texas Comptroller of Public Accounts, TXMAS Sales Rebate, P.O. Box 13186, Austin, TX 78711-3186.
- (e) **Warrant hold for non-payment of fees or rebates.** Texas Government Code § 403.055 prohibits CPA from making payments to anyone indebted to the State of Texas. Payments to Contractor may be held and applied to the Contractor's debt in accordance with Texas Government Code § 403.0551.

9. DEALERS

- (a) Upon CPA approval, Contractor may designate one or more dealers to provide goods or services under this Contract on behalf of Contractor. To designate a dealer, Contractor must provide a Letter of Authorization. Contractor shall provide a separate Letter of Authorization for each designated dealer.
- (b) The Letter of Authorization must be submitted on Contractor's official letterhead, signed by an authorized representative, and addressed to the attention of the Statewide Procurement Division Director at the address set forth in Contract section entitled "Notices." The Letter of Authorization must include a Letter of Acceptance from the dealer and all supporting documentation. By submitting a Letter of Authorization, Contractor represents and warrants the following:
- (1) The dealer has been given a copy of this Contract (and all incorporated documents), a duly authorized representative of the dealer has agreed in writing to be bound by the terms and conditions of this Contract and the Base Contract as modified by this Contract, and that such agreement specifically provides that it is for the benefit of the State of Texas, CPA, and Customers, as well as Contractor.
- (2) Contractor agrees to remain liable under this Contract for any failure of the dealer to perform and for any breach of the dealer under this Contract. Any items sold by an authorized Dealer is subject to the fees set forth in Section 8 above. CPA will look solely to Contractor for payment of all applicable fees and Contractor will be responsible for payment of all applicable fees regardless of whether a dealer provided the goods or

services to Customer.

- (3) Payments under this Contract for the services of any dealer may be made directly to that dealer, and Contractor will look solely to the dealer for any payments due Contractor once the State of Texas, CPA, or a Customer has paid the dealer.
 - (4) To the extent that there is any liability to the State of Texas, CPA, or any Customer arising from doing business with a dealer that has not signed the Letter of Acceptance required under this section with Contractor, Contractor will fully and unconditionally indemnify the State of Texas, CPA, and Customers for such liability.
 - (5) Contractor's Letter of Authorization shall remain effective until CPA receives written notification from Contractor, signed by an authorized representative of Contractor, that the authorization to a dealer is withdrawn.
- (c) The Letter of Acceptance must be submitted on the dealer's official letterhead, signed by an authorized representative of the dealer, and addressed to the attention of Contractor. In the Letter of Acceptance, the dealer must represent and warrant that it has been given a copy of this Contract and the Base Contract, it agrees to be bound by the terms and conditions of this Contract and the Base Contract, as both may be amended from time to time, and such agreement specifically provides that it is for the benefit of the State of Texas, CPA, and Customers, as well as Contractor. The Letter of Acceptance must also include the following information:
- (1) the dealer's name and address;
 - (2) the dealer's point of contact name, telephone number, fax number, and e-mail address;
 - (3) the dealer's payment address;
 - (4) the dealer's purchase order e-mail address;
 - (5) the dealer's Federal Employer's Identification Number (FEIN); and
 - (6) the dealer's HUB Certificate, if the dealer is a Texas HUB.
- (d) Prior to CPA's approval of Contractor's designated dealer, CPA will review the Letter of Authorization and the required documentation for compliance with this section and applicable state laws and regulations. If the submission of documentation is incomplete (*i.e.*, does not include all required documentation), CPA reserves the right to reject the Letter of Authorization and require re-submission by Contractor of the Letter of Authorization and all required documentation. Even if a submission is complete, CPA reserves the right to reject Contractor's designation of a dealer to provide services under this Contract on behalf of Contractor. Approval is at CPA's sole discretion

10. POLICY ON UTILIZATION OF HISTORICALLY UNDERUTILIZED BUSINESSES (HUBS)

In accordance with Chapter 2161 of the Texas Government Code and 34 Texas Administrative Code (TAC) §§20.281 et seq., state agencies shall make a good faith effort to utilize Historically Underutilized Businesses (HUBs) in contracts for construction, services (including professional and consulting services), and commodities contracts.

Contractors are urged to utilize HUBs as defined in 2161.001 of the Texas Government Code Section

or small businesses as defined in Section 2155.505(a) Texas Government Code Section to sell or provide services under the Base Contract. A Contractor's failure to make a good faith effort to use HUBs and small businesses under the Base Contract may result in exclusion of Contractor from participation in TXMAS. A list of Certified Texas HUB Vendors can be accessed on CPA's website.

11. LIMITATION ON AUTHORITY; LIMITATION OF LIABILITY

Contractor shall have no authority to act for or on behalf of the State of Texas, CPA, or Customers except as expressly provided for in this Contract; no other authority, power, use, or joint enterprise is granted or implied. Contractor may not incur any debts, obligations, expenses, or liabilities of any kind on behalf of the State of Texas, CPA, or Customers.

TO THE EXTENT PERMITTED BY THE CONSTITUTION AND THE LAWS OF THE STATE OF TEXAS, THE PARTIES AGREE THAT IN NO EVENT WILL THE STATE OF TEXAS, CPA, OR CUSTOMERS BE LIABLE FOR ANY INDIRECT, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED TO LOST PROFITS, EVEN IF THE PARTIES HAD BEEN ADVISED, KNEW, OR SHOULD HAVE KNOWN OF THE POSSIBILITY OF SUCH DAMAGES.

 - (1) the date the state agency or local government receives the goods under this Contract;
 - (2) the date the state agency or local government receives a proper invoice (see Paragraph below entitled "INVOICE REQUIREMENTS") for the goods or services; or
 - (3) the date the performance of the service under the contact is completed
- (c) Except as provided for in Section 2251.021(b) of the Texas Government Code, a payment will begin to accrue interest at a rate by CPA pursuant to the statute on the 31st day after the later event described by subsections (b)(1) through (3) above. Interest stops accruing on the date the state agency or local government mails (postmark) or electronically transmits the payment.
- (d) Any travel or per diem required by Contractor to perform its obligations under this Contract and the Base Contract will be at Contractor's expense. All travel and per diem that a Customer requests in addition to what this Contract or the Base Contract requires Contractor to provide at Contractor's expense are subject to, and shall not exceed, the reimbursement limitations applicable to Texas state employees in conducting official state business as prescribed by applicable law, rules, and regulations including, but not limited to, Chapter 660 of the Texas Government Code, the General Appropriations Act and rules adopted by the Comptroller.

13. INVOICE REQUIREMENTS

- (a) In order to receive payment, Contractor must submit an original invoice to the office designated in the purchase order as the "Bill To" address. To be a proper invoice, the invoice

- (c) If an invoice does not meet this section's requirements or if Contractor fails to give proper notice of a price increase (see Paragraph below entitled "NOTIFICATION OF PRICE INCREASE"), CPA will send Contractor written notice with the improper invoice to the address designated for receipt of purchase orders. The notice will contain a description of the defect or impropriety and any additional information Contractor needs to correct the invoice.
- (d) In submitting an invoice to a Customer, Contractor certifies: that the invoice has been carefully reviewed for detailed description of the services performed or goods delivered; that the services have been performed or goods delivered in compliance with this Contract and the Base Contract; that the amount of the invoice and all previous invoices together do not exceed the contractual cap of this Contract, the Base Contract, or Contractor's negotiated fees; that the charges and expenses shown on the invoices are reasonable and necessary; and that all appropriate and required supporting documentation is attached. Customer may, in its sole discretion, require additional documentation to support payment and Contractor shall respond to any such requests within five (5) calendar days of receipt. Customer reserves the right to make payments only upon receipt of a correct invoice, including all of the required supporting documentation. Customer also reserves the right to refuse payments for invoices that exceed the rates specified in this Contract or the Base Contract or Contractor's negotiated fees.

14. AUDIT REQUIREMENTS

Pursuant to Section 2262.154 of the Texas Government Code, the State Auditor's Office, or successor agency, may conduct an audit or investigation of Contractor or any other entity or person receiving funds from the state directly under this Contract or indirectly through a subcontract under this Contract. The acceptance of funds by Contractor or any other entity or person directly under this Contract or indirectly through a subcontract under this Contract acts as acceptance of the authority of the State Auditor's Office, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, Contractor or other entity that is the subject of an audit or investigation must provide the State Auditor's Office with access to any information the State Auditor's Office considers relevant to the investigation or audit. This Contract may be amended unilaterally by the CPA to comply with any rules and procedures of the State Auditor's Office in the implementation and enforcement of Section 2262.154 of the Texas Government Code. **Contractor shall ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through Contractor and the requirement to cooperate is included in**

any dealer agreement or subcontract.

Customers who order under the Contract using federal or grant funds may have additional audit requirements that are required by state or federal law or regulation. Those additional requirements will be included on the purchase order for that particular order.

15. NOTIFICATION OF PRICE INCREASES

For price increases authorized under this Contract, notification of such must be given to CPA and to the purchase order “bill to” address contained in the applicable purchase order(s) for any orders affected by the increase (e.g., existing leases, licenses, or annual maintenance programs). Contractor must give these notices no later than 30 calendar days before the effective date of the price increase. This notification must specify, when applicable, the product serial number, location, current price, increased price, and applicable purchase order number.

16. NON-APPROPRIATION OF FUNDS

All obligations of CPA and Customers are subject to the availability of legislative appropriations and, for Customers expending federal funds, to the availability of the federal funds applicable to this Contract. Contractor acknowledges that the ability of CPA and the Customers to make payments under this Contract is contingent upon the continued availability of funds. Contractor further acknowledges that funds may not be specifically appropriated for the Contract and CPA’s or Customers’ continual ability to make payments under this Contract is contingent upon the funding levels appropriated for each particular appropriation period. CPA and the Customers will use all reasonable efforts to ensure that such funds are available. Contractor agrees that if future levels of funding for CPA or a Customer are not sufficient to continue operations without any operational reductions, CPA, in its discretion, may terminate this Contract, either in whole or in part, or the Customer, in its discretion, may terminate a pending order under this Contract, either in whole or in part. In the event of such termination, neither CPA nor Customers will be considered to be in default or breach under this Contract, nor shall CPA or Customers be liable for any further payments ordinarily due under this Contract, nor shall CPA or Customers be liable for any damages or any other amounts which are caused by or associated with such termination. CPA and Customers shall make best efforts to provide reasonable written advance notice to Contractor of any such Contract or order termination. In the event of such a termination, Contractor shall, unless otherwise mutually agreed upon in writing, cease all work immediately upon the effective date of termination, either on that particular order if an order is being terminated, or this Contract, if this Contract is being terminated. CPA or the Customer, as applicable, shall be liable for payments limited only to the portion of work CPA or the Customer authorized in writing and which Contractor has completed, delivered to CPA or Customer, and which has been accepted by CPA or Customer. All such work shall have been completed, per Contract requirements of this Contract and the Base Contract, prior to the effective date of termination.

17. PUBLIC INFORMATION

The CPA is a governmental body subject to the Texas Public Information Act (PIA), Chapter 552, Texas Government Code, as are other potential Customers of this Contract. The Base Contract and other information submitted to the CPA by Contractor are subject to release as public information by the CPA and by any Customer that is also subject to the PIA. The Base Contract and other submitted information shall be presumed to be subject to disclosure unless a specific exception to disclosure

under the PIA applies. If it is necessary for Contractor to include proprietary or otherwise confidential information in its submitted information, Contractor must clearly label that proprietary or confidential information and identify the legal basis for confidentiality. Merely making a blanket claim that the entire submission is protected from disclosure because it contains some proprietary information is not acceptable, and shall make the entire submission subject to release under the PIA. In order to trigger the process of seeking an Attorney General opinion on the release of proprietary or confidential information, the specific provisions of the submitted information that are considered by Contractor to be proprietary or confidential must be clearly labeled as described above. Any information which is not clearly identified by Contractor as proprietary or confidential shall be deemed to be subject to disclosure pursuant to the PIA and Contractor shall thereby be irrevocably deemed to have waived, and Contractor agrees to fully indemnify the State of Texas, CPA, and any Customer subject to the PIA from, any claim of infringement by CPA and any Customer subject to the PIA regarding the intellectual property rights of Contractor or any third party for any materials appearing in the submitted information.

Contractor is required to make any information created or exchanged with a state governmental entity (as defined by Section 2252.907(d) of the Texas Government Code) pursuant to this Contract, and not otherwise excepted from disclosure under the Texas Public Information Act, available in at least one of the following formats that is accessible by the public at no additional charge to the State of Texas, CPA, or Customers: portable document format (pdf) compatible with the latest version of Adobe Acrobat®; Microsoft Word®; Microsoft Excel®; or, hard copy (paper).

18. CONFIDENTIALITY AND SECURITY

Any information Contractor receives, compiles, or creates as a result of this Contract must be maintained and protected in accordance with any federal, state, or local laws and regulations that apply. Contractor shall establish a method to secure the confidentiality of records and other information relating to Customers in accordance with applicable federal and state laws, rules, and regulations.

The obligations of Contractor under this Confidentiality and Security section shall survive this Contract and shall be included in all subcontracts.

19. RECORDS RETENTION

Contractor shall retain all financial records, supporting documents, statistical records, and any other records or books relating to the performances called for in this Contract. Contractor shall retain all such records for a period of seven (7) years after the expiration of this Contract, or until the CPA or State Auditor's Office is satisfied that all audit and litigation matters are resolved, whichever period is longer. Contractor shall grant access to all books, records and documents pertinent to this Contract to the CPA, the State Auditor of Texas, and any federal governmental entity that has authority to review records due to federal funds being spent under this Contract.

20. INSURANCE AND OTHER SECURITY

Contractor represents and warrants that it will obtain and maintain for the term of this Contract all insurance coverage required to ensure proper fulfillment of the Contract and its liabilities thereunder.

Contractor shall insure any of its motor vehicles used to fulfill its duties under the Contract and ensure that its subcontractors do the same. Such insurance shall comply with all statutory requirements of all states in which Contractor performs under this Contract and must cover any cargo being delivered to Customers.

Contractor represents and warrants that all of the above coverage will be obtained from companies that are licensed in the state of Texas, have an "A" rating from Best, and are authorized to provide the coverage. Contractor shall furnish proof of insurance upon request of a Customer or the CPA.

21. LIABILITY FOR AND PAYMENT OF TAXES

CPA and certain Customers are exempt from certain taxes. Customers will furnish proof of tax exempt status to Contractor upon request. Contractor shall pay all taxes resulting from this Contract and the Base Contract including any federal, state, or local income, sales, excise, or property taxes. The State of Texas, CPA, and Customers does not have tax liability under this Contract and will not reimburse Contractor for the payment of such taxes incurred by Contractor in acquiring any goods or services as a part of any work called for in this Contract or the Base Contract. Contractor's invoice may not include any amount for such taxes.

22. TERM AND TERMINATION

This Contract shall become effective on the date countersigned by the appropriate CPA official. Unless otherwise sooner terminated as provided in this Contract, this Contract will terminate no later than five years from the date of execution. If the Base Contract expires less than five years from the date of Contract execution, this Contract will terminate upon the later to occur of (1) the expiration of the Base Contract or (2) the physical completion of the last outstanding task or delivery of the final order placed under, and prior to the expiration of, the Base Contract through this Contract. Except as otherwise provided in this Contract or the Base Contract or as determined by Customer, at Customer's sole option, all applicable service agreements that were entered into between Contractor and Customers under the terms and conditions of this Contract shall survive the cancellation or termination of this Contract and the cancellation or termination of the Base Contract. Absent Customer agreement to the contrary, in the event of termination of this Contract, Customers' sole and maximum obligation shall be to authorize payment to Contractor for previously authorized goods or services performed in accordance with all requirements of this Contract and the Base Contract, up to the termination date.

(a) Termination for Convenience of the State of Texas

The CPA reserves the right to terminate this Contract at any time, in whole or in part, without cost or penalty, by providing 30 calendar days' advance written notice, if the CPA determines that such termination is in the best interest of the state. In the event of such a termination, Contractor shall, unless otherwise mutually agreed upon in writing, cease all work immediately upon the effective date of termination.

(b) Termination for Cause

If Contractor fails to provide the goods or services contracted for according to the provisions of this Contract or the Base Contract, or fails to comply with any of the terms or conditions of this Contract

or the Base Contract, the CPA may, upon written notice of default to Contractor, immediately terminate all or any part of this Contract. Termination is not an exclusive remedy, but will be in addition to any other rights and remedies provided in equity, by law or under this Contract and the Base Contract.

The CPA may exercise any other right, remedy or privilege which may be available to it under applicable law of the state and any other applicable law or may proceed by appropriate court action to enforce the provisions of this Contract or the Base Contract, or to recover damages for the breach of any agreement being derived from this Contract or the Base Contract. The exercise of any of the foregoing remedies will not constitute a termination of this Contract unless the CPA notifies Contractor in writing prior to the exercise of such remedy. Contractor shall remain liable for all covenants and indemnities under this Contract and the Base Contract. Contractor shall be liable for all costs and expenses, including court costs, incurred by the CPA with respect to the enforcement of any of the remedies listed herein.

(c) Change in Federal or State Requirements

If federal or state laws, rules, regulations, or requirements applicable to this Contract are amended, performance under this Contract will be subject to the laws, rules, regulations, or requirements applicable at the time of performance under this Contract. If federal or state laws or regulations or other federal or state requirements are amended or judicially interpreted so that either the CPA or Contractor cannot reasonably fulfill this Contract and if the Parties cannot agree to an amendment that would enable substantial continuation of this Contract, the Parties shall be discharged from any further obligations under this Contract.

(d) Termination for Non-Appropriation of Funds

CPA may terminate the Contract immediately for non-appropriation of funds as further detailed in the Contract section entitled, "Non-Appropriation of Funds."

(e) Property Rights upon Termination

For purposes of this Contract, the term "Work Product" is defined as all work papers, work products, materials, approaches, designs, specifications, systems, software, programs, source code, documentation, methodologies, concepts, intellectual property or other property developed, produced or generated in connection with the services to be provided by Contractor. In the event that this Contract or the Base Contract is terminated for any reason, or upon the expiration of either this Contract or the Base Contract, Customers shall retain ownership of all associated Work Product and documentation obtained from Contractor under the Base Contract through this Contract. In the event that Contractor has any rights in and to the Work Product that cannot be assigned to Customers, Contractor shall grant to Customers an exclusive, worldwide, royalty-free, irrevocable, and perpetual license to directly and indirectly reproduce, distribute, modify, create derivative works of, publicly perform and publicly display, such rights to make, have made, use, sell and offer for sale any products developed by practicing such rights, and to otherwise use such rights, with the right to sublicense such rights through multiple levels of sublicenses.

(f) No Liability Upon Termination

If this Contract is terminated for any reason, the State of Texas, CPA, and Customers shall not be liable to Contractor for any damages, claims, losses, or any other amounts arising from or related to any such termination. In the event of termination of this Contract, the sole and maximum obligation of the State of Texas, CPA, and Customers shall be to authorize payment to Contractor for previously authorized goods or services performed in accordance with all requirements of this Contract and the Base Contract, up to the termination date.

(g) Survival of Terms

39. DISPUTE RESOLUTION

Disputes under this Contract and, by virtue of this Contract, the Base Contract, are subject to Chapter 2260 of the Texas Government Code (Chapter 2260) as set forth below. Set forth below are terms and conditions for dispute resolution relating to claims involving Contractor and CPA. Except as otherwise provided by law or applicable rules, the same terms and conditions in this section shall apply to claims involving Contractor and any other Customer subject to Chapter 2260, substituting such other Customer for "CPA" when referenced below in this section.

The dispute resolution process provided for in Chapter 2260 and applicable CPA rules shall be used by CPA and Contractor to resolve any dispute arising under this Contract. The dispute resolution process provided for in Chapter 2260 shall be used, as further described herein, to attempt to resolve any claim for breach of contract asserted by Contractor under this Contract. If Contractor's claim for breach of Contract cannot be resolved by the Parties in the ordinary course of business, it shall be submitted to the negotiation process provided in Chapter 2260. To initiate the process, Contractor shall submit written notice, as required by Chapter 2260, to the Deputy Comptroller or his or her designee. The notice shall also be given to the individual identified in this Contract for receipt of notices. Compliance by Contractor with Chapter 2260 is a condition precedent to the filing of a contested case proceeding under Chapter 2260.

The contested case process provided in Chapter 2260 is Contractor's sole and exclusive process for seeking a remedy for an alleged breach of Contract by the CPA if the Parties are unable to resolve their disputes as described above.

Compliance with the contested case process provided in Chapter 2260 is a condition precedent to seeking consent to sue from the Legislature under Chapter 107 of the Civil Practices and Remedies Code. Neither the execution of this Contract by the CPA nor any other conduct of any representative of the CPA relating to this Contract shall be considered a waiver of sovereign immunity to suit.

For all other specific breach of contract claims or disputes under this Contract, the CPA and Contractor shall first attempt to resolve them through direct discussions in a spirit of mutual cooperation. If the Parties' attempts to resolve their disagreements through negotiations fail, the dispute will be mediated by a mutually acceptable third party to be chosen by the CPA and Contractor within fifteen (15) days after written notice by one of them demanding mediation under this Section.

Contractor shall pay all costs of the mediation unless the CPA, in its sole good faith discretion, approves its payment of all or part of such costs. By mutual agreement, the CPA and Contractor may use a non-binding form of dispute resolution other than mediation. The purpose of this Section is to reasonably ensure that the CPA and Contractor shall, in good faith, utilize mediation or another non-binding dispute resolution process before pursuing litigation. The CPA's participation in, or the results of, any mediation or other non-binding dispute resolution process under this Section or the provisions of this Section shall not be construed as a waiver by the CPA of (1) any rights, privileges, defenses, remedies or immunities available to the CPA as an agency of the State of Texas or otherwise available to the CPA; (2) the CPA's termination rights; or (3) other termination provisions or expiration dates of this Contract.

Notwithstanding any other provision to the contrary, unless otherwise requested or approved in writing by the CPA, Contractor shall continue performance and shall not be excused from performance during the period any breach of contract claim or dispute is pending under either of the above processes; however, Contractor may suspend performance during the pendency of such claim or dispute if Contractor has complied with all provisions of Section 2251.051 of the Texas Government Code, and such suspension of performance is expressly applicable and authorized under that law.

40. AMENDMENT

- (a) This Contract may be amended only upon written agreement between CPA and Contractor, but in no case shall this Contract be amended so as to make it conflict with the laws of the State of Texas.
- (b) Customers (other than CPA as set forth in this Contract) shall not have the authority to modify the terms of this Contract; however, additional Customer terms and conditions that do not conflict with this Contract and are acceptable to Contractor may be added in a Purchase Order and given effect. No term or condition added in a Purchase Order issued by a Customer can weaken a term or condition of this Contract, regardless of whether such term or condition is acceptable to Contractor. In the event of a conflict between a Customer's Purchase Order and this Contract, this Contract shall control.
- (c) Comptroller reserves the right, in its sole discretion, to unilaterally amend this Contract throughout its term to incorporate any modifications necessary for compliance with all applicable state and federal laws, regulations, requirements, and guidelines.
- (d) Contractor agrees to comply with the TXMAS standard terms and conditions as the terms may be amended in the future and as are published on the TXMAS website. Any sales under the Contract are made according to the standard terms and conditions for TXMAS at the time of the sale.

41. NO WAIVER

No provision of this Contract or the Base Contract is in any way intended to constitute a waiver by the CPA or the State of Texas or any Customer of any immunities from suit or from liability of the CPA or the State of Texas or any Customer.

Nothing in this Contract or the Base Contract shall be construed as a waiver of the sovereign immunity of the State of Texas, CPA, or Customers. Neither this Contract nor the Base Contract shall constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available

to the State of Texas, CPA, or Customers. The failure to enforce, or any delay in the enforcement, of any privileges, rights, defenses, remedies, or immunities available to the State of Texas, CPA, or Customers under this Contract or the Base Contract or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel. CPA does not waive any privileges, rights, defenses, or immunities available to CPA by entering into this Contract or by its conduct prior to or subsequent to entering into this Contract.

42. HEADINGS

The headings used in this Contract are for convenience only and will not be used in interpreting this Contract.

43. ORDER OF PRIORITY

If there is any inconsistency or conflict between this document and the Base Contract or any provision of any document incorporated by reference, this document will prevail.

44. ENTIRE AGREEMENT

This Contract consists of the Base Contract (see Paragraph entitled “BASE CONTRACT AND ADMINISTRATIVE FEE”), this Contract, any amendments approved by CPA and, if applicable, Contractor’s dealer Letter(s) of Authorization and dealer Letter(s) of Acceptance, and any price lists or catalogs specifically mentioned elsewhere in this Contract. The foregoing constitutes the entire agreement between the parties, and any changes or modifications to this Contract must be in writing and signed by CPA.

45. GOVERNING LAW, VENUE

This Contract in all respects shall be governed by and construed in accordance with the laws of the State of Texas, except for its provisions regarding conflicts of laws. Contractor agrees that the exclusive venue and jurisdiction of any legal action or suit concerning the CPA under this Contract is, and that any such legal action or suit shall be brought, in a court of competent jurisdiction in Travis County, Texas.

46. SEVERABILITY

In the event that any term, provision, covenant, or condition of this Contract is later determined to be invalid, void, or unenforceable, then the remaining terms, provisions, covenants, and conditions of this Contract shall remain in full force and effect, and shall in no way be affected, impaired, or invalidated.
