Report on Cost of Property Tax Exemption for 100 Percent Disabled Veterans

January 2025

Overview

The General Appropriations Act for the 2024-2025 biennium (GAA) directs the Comptroller's office to conduct a study to determine the amount of property tax revenue lost by certain taxing units in the 2023 tax year as the result of appraisal districts granting the property tax exemption required by Tax Code Section 11.131.

Tax Code Section 11.131 entitles a disabled veteran who is awarded 100 percent disability compensation due to a service-connected disability and a rating of 100 percent disabled or of individual unemployability to a total exemption on the veteran's residence homestead appraised value.

This exemption extends to a surviving spouse who was married to a disabled veteran who qualified or would have qualified for this exemption if it was or would have been in effect at the time of the veteran's death provided:

- the surviving spouse has not remarried;
- the property was the residence homestead of the surviving spouse when the veteran died; and
- the property remains the residence homestead of the surviving spouse.

This report estimates the amount of property tax revenue lost in 2023 by the following taxing units:

- each county containing a U.S. military installation;
- each county adjacent to a county containing a U.S. military installation;
- each city located in either type of those counties; and
- all cities and counties.

Methodology

For purposes of this report, the Comptroller's office utilized data from the Texas Military Preparedness Commission to populate a list of and locations for military installations in the state of Texas. The list of military installations in the 2024 report differs from that in previous reports to align with information provided by the Texas Military Preparedness Commission. The list of military installations is not for purposes of determining qualification for the local government assistance program under Local Government Code Sec. 140.011.

The counties included in this report are based on the requirement of the GAA. Unless otherwise noted, when a county contains a U.S. military installation and is also adjacent to a county containing a different U.S. military installation, the county is only accounted for the installation it contains. Inclusion in this report does not determine eligibility or qualification for the local government assistance program under Local Government Code Sec. 140.011.

To determine the property tax revenue lost, the GAA instructs the Comptroller's office to multiply the county or city, as applicable, adopted tax rate for the 2023 tax year by the total appraised value of all property located in the county or city, as applicable, that received the exemption for that tax year. The Comptroller's office used data collected from appraisal districts for purposes of the *School District Property Value Study*, conducted under Government Code Section 403.302, to identify tax rates and

appraised values for each county or city. This self-reported data was used to estimate property tax revenue impacts to the local taxing units.

The information is as reported to the Comptroller's office, may or may not contain reporting errors and will differ from local information as appraisal roll information changes subsequent to submission to the Comptroller's office.

Counties and Municipalities Included in This Report

The Comptroller's office lists 14 U.S. military installations as the basis for this report. **Exhibit 1** identifies the county for each installation and the counties adjacent to that county.

Based on exemption data provided by appraisal districts, the estimated levy loss to all cities and counties from the exemption required under Tax Code Section 11.131 was \$330.5 million in 2023, up from \$259.3 million, or 21.5 percent in 2022. \$276.1 million, or 84 percent of estimated levy loss is experienced in counties where military installations are located, counties adjacent to a county with a military installation and cities located in either of those type of counties.

As shown in **Exhibit 2**, counties containing a U.S. military installation provided 80,186 homestead exemptions under Tax Code Section 11.131, exempting just over \$25.5 billion in appraised value. The estimated property tax levy lost by those counties due to this exemption is \$80.6 million in 2023. Counties adjacent to those counties granted just over 44,700 homestead exemptions under Tax Code Section 11.131, exempting \$15.5 billion in appraised value. The estimated levy lost by adjacent counties is \$54.5 million.

Also shown in **Exhibit 2**, cities in counties where a U.S. military installation is located granted 64,788 exemptions and exempted \$19.5 billion in appraised value, for an estimated property tax levy loss of \$108.8 million. Cities in counties adjacent to a county where an installation is located granted 18,560 exemptions and exempted \$6.2 billion in appraised value, for an estimated property tax levy loss of \$32.2 million.

Exhibit 2
Summary of 2023 Exemptions and Estimated Levy Loss Under Tax Code Section 11.131

	Number of Exemptions	Appraised Value Lost to Exemptions	Estimated Levy Loss
Counties with Installations	80,186	\$25,544,014,442	\$80,636,950
Counties Adjacent to Counties with Installations	44,761	\$15,523,003,599	\$54,580,678
Cities in Counties with Installations	64,788	\$19,497,635,518	\$108,759,723
Cities in Counties Adjacent to Counties with Installations	18,560	\$6,201,693,383	\$32,166,918
TOTAL	208,295	\$66,766,346,942	\$276,144,269

Exhibit 3 compares the 2023 average number of exemptions granted under Tax Code Section 11.131 per county with a military installation, county adjacent to a county with a military installation and all other counties. On average, a county with a U.S. military installation granted significantly more property tax exemptions for 100 percent disabled veterans and their surviving spouses than all other counties, including counties adjacent to counties with military installations.

Exhibit 3
Average Number of Exemptions Under Tax Code Section 11.131 in 2023, by County

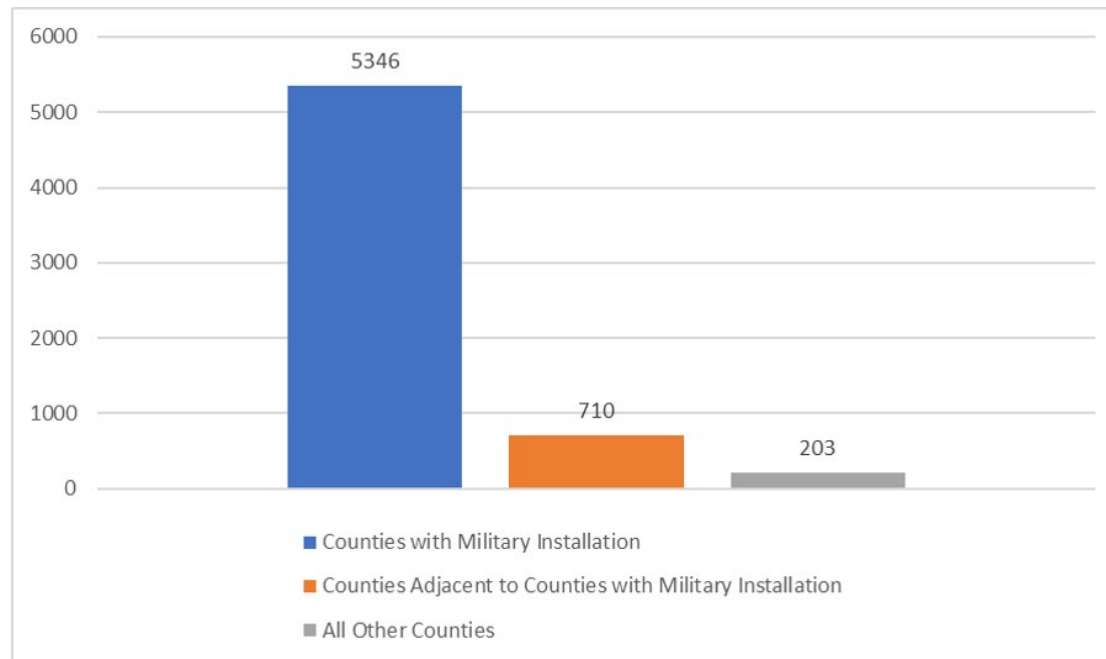

Exhibit 4 presents estimated 2023 property tax levy loss information grouped by military installation. This includes an estimate for the property tax levy lost in the county in which the installation is located, the counties adjacent to that county, the cities in the county in which the installation is located and the cities in the counties adjacent to that county.

*Nueces County (Corpus Christi Army Depot and Naval Air Station Corpus Christi) and Kleberg County (Naval Air Station Kingsville) and associated cities are adjacent to each other and are counted in this chart as such. For example, the estimated adjacent county levy loss for Naval Air Station Kingsville includes the levy loss for Nueces County even though Nueces County contains a military installation.

Counties that are adjacent to multiple counties containing a military installation are counted in this chart for each military installation for which the county is adjacent.

Cities in counties with a military installation with boundaries that cross county lines are counted only once, as being in the county with a military installation.

Exhibits 5 and 6 provide detailed 2023 information on the counties containing military installations and the counties adjacent to these counties, respectively. This includes the number of exemptions, appraised value lost to the exemptions, total property tax rate and a calculated levy lost for both Tax Code Section 11.131(b), related to the homestead exemption for 100 percent disabled or unemployable veterans, and Tax Code Section 11.131(c), related to the homestead exemption for the surviving spouse of a 100 percent disabled veteran.
