METHODS AND ASSISTANCE PROGRAM 2013 REPORT
Glasscock County Appraisal District

Susan Combs Texas Comptroller of Public Accounts

January 22, 2014

Chief Appraiser
County Appraisal District Board of Directors
Superintendents
School District Boards of Trustees

Ladies and Gentlemen:

In 2009, the Texas Legislature enacted a new law that amended Tax Code Section 5.102. It requires the Comptroller of Public Accounts to review appraisal districts every two years. Called the Methods and Assistance Program (MAP), the reviews study the governance, taxpayer assistance, operating procedures and the appraisal standards, procedures and methodology of each appraisal district. The Property Tax Assistance Division (PTAD) performed the reviews for 125 appraisal districts in 2013.

Your appraisal district's MAP report is enclosed and includes an assessment of how well your appraisal district performs. It may include recommendations that will allow your appraisal district to comply with laws, rules, regulations, appraisal practices or operating best practices.

If recommendations are offered, they must be implemented within one year from the release of this report. Recommendations that are not complete, or not substantially complete, by that time will result in notification to the Texas Department of Licensing and Regulation (TDLR). The appraisal district will have another year to complete the outstanding recommendations. Recommendations still incomplete after one year could result in sanctions.

The Comptroller's office is committed to supporting the MAP review process and helping appraisal districts comply with existing laws, rules and regulations. PTAD will work with appraisal districts to improve their operations and to comply with each recommendation. We want to thank the chief appraiser, board chairman and the staff of the appraisal district for their help in making this new program a success.

For more information about the Property Tax Assistance Division, please see our website at www.window.state.tx.us/taxinfo/proptax/. If you have questions about your review, please feel free to contact Steve Atkinson, Methods and Assistance Program supervisor, at 1-888-207-3668 or steve.atkinson@cpa.state.tx.us.

Sincerely,

Susan Combs
