Cigarette stamp orders will not be processed on the days listed above due to half-day or full-day holidays.

To ensure your order is completed on the date it is submitted, please request your order prior to 1 p.m. on each stamp issuance day. We encourage you to plan ahead and purchase enough cigarette tax stamps to meet your needs with the observance of all state holidays.

Other state holidays, not listed above, will require a minimum work staff; therefore, cigarette stamp orders will be processed on those days.

NOTICE TO TEXAS CIGARETTE DISTRIBUTORS

The stamping allowance, to which Texas cigarette distributors are entitled for providing the service of affixing tax stamps to cigarette packages, was changed by the 82nd Texas Legislature. Senate Bill 1, Article 11 reduced the amount from 3 percent to 2.5 percent of the face value of stamps purchased. The new 2.5 percent stamping allowance applies only to cigarette stamps purchased by a distributor from the Comptroller's office on or after Oct. 1, 2011.

Out-of-state distributors will be entitled to receive only the same percentage of stamping allowance as that given to Texas distributors doing business in the distributor's home state.
