

VIOLATION OF TEXAS SB 2024

Under Texas SB 2024, all vapor products manufactured in China are prohibited from being sold or distributed within the state.

Date: 1/2/2026

Location: 

Entity has been identified as possessing, storing, or distributing prohibited vapor products in violation of Texas SB 2024 and federal country-of-origin labeling requirements.

These brands have been identified as Chinese-manufactured devices illegally imported into the U.S. and repackaged to falsely state "Made in USA," constituting a federal offense.

Identified prohibited/non-compliant brands:

- Star Bar • Lost Angel • Geek Lite • X Returns • Nova Bar • Lost Mary • Whatabar
- Smogger • Kalos • Extreme Bar • GeekUS • Geek Next • G Win • Nimmbox Flux
- Mil Star • TYN • TRX 50K • Vice Bar • ELUX Astra • Nexa Ultra II • Super Geek Plus

VIOLATION SUMMARY

- Texas SB 2024 bans sale/distribution of vapor devices manufactured in China.
- 19 U.S.C. §1304 prohibits falsifying or mislabeling foreign origin.
- FTC "Made in USA" standards prohibit deceptive origin claims.

Penalties may include product seizure, civil fines, and full regulatory enforcement.

IMMEDIATE ACTION REQUIRED

1. Remove all illegal or unverifiable devices from inventory.
2. Cease all sales, transfers, or distribution of affected products.
3. Prepare invoices, supplier documentation, bills of lading, and proof of origin for inspection.

Compliance officers may return without notice to verify corrective action.

Failure to comply may result in product seizure, administrative penalties, suspension of distribution activity, and federal enforcement referral.

THIS NOTICE MUST REMAIN POSTED UNTIL CLEARED BY A COMPLIANCE OFFICER.
Tampering with or removing this notice before clearance may result in penalties under state law.
