SECTION I SPECIFICATIONS

A. Introduction

The Texas Comptroller of Public Accounts (“CPA”), a state agency, issues this Price Request (“PR”) to solicit pricing for Identity Services Engine Assessment Services (“Services”). CPA’s objective is to obtain Services that represent the best value for CPA and the State of Texas according to the terms and conditions listed in this PR.

CPA anticipates making a contract award to one (1) Successful Respondent for the Services required by this PR. CPA reserves the right not to award a contract for the performance of all or part of the requirements of this PR. This PR is not exclusive and CPA reserves the right to issue additional solicitations regarding the services described in this PR or similar services at any time. All Respondents are encouraged to offer their best pricing at all times.

All costs associated with the Services must be included on Section II (Mandatory Price Sheet) and submitted in the Respondent’s Offer. Offers that do not meet all of the requirements or contain all of the required documentation specified in this PR may be rejected as non-responsive.

B. Background

B.1. General

CPA’s Information Technology (IT) Division uses Cisco equipment (e.g. routers, switches, firewalls, etc). CPA has implemented Cisco Identity Services Engine (ISE), replacing the Cisco Secure Access Control System (ACS) solution. Cisco ISE provides authentication for administrative access and network access: wired, wireless and remote Virtual Private Network (VPN). Cisco ISE authenticates wireless clients with a username and password. Remote VPN authentication uses a username and password but adds multi-factor authentication with a different vendor. Wired network access authenticates with either a host certificate, mac address or ISE profiling.

B.2. Current Environment

At present, CPA uses the following existing network infrastructure:

- Four (4) ISE nodes:
 - Software version 2.7
 - Two (2) Administration and Monitoring Nodes
 - Two (2) Policy Service Nodes
- 110 Cisco Catalyst 9300 series switches (9300’s):
 - Software version 16.12
- Two (2) Cisco Catalyst 9800 series wireless controllers (9800’s):
 - 200 access points
- Three (3) Cisco Adaptive Security Appliance series firewalls:
 - Software version 9.14
 - Cisco AnyConnect VPN client version 4.10

In total, there are 3500 CPA staff members using 3000 Windows 10 and 500 macOS laptops with approximately 12,000 total end points.

G. Payments. Payment(s) to Successful Respondent will be based upon the schedule described in Section II (Mandatory Price Sheet) and the Contract. CPA may, in its sole discretion, process payments on a monthly basis. CPA makes no express or implied warranty whatsoever that any minimum compensation or minimum quantity will be guaranteed under the Contract. Payment shall be made in accordance with the Texas Prompt Payment Act, Chapter 2251 of the Texas Government Code.

H. PO Addition and Deletion. CPA reserves the right, in its sole discretion, to add or delete products or Services during the period(s) covered under the Contract. All additions or deletions will be processed through CPA's Procurement Section. The rate at the time of the addition or deletion shall be the same as the rate quoted in the Contract for the same model product or service. The effective date of any addition or deletion will be no later than five (5) business days after receipt of CPA's written notification of the addition or deletion. For this purpose, written notification includes registered mail, regular mail, facsimile transmission with confirmation of receipt, or email with confirmation receipt.

For any additions, CPA's Procurement Section will provide a revised PO to Successful Respondent. The total number of additions allowed to CPA is determined by the number CPA chooses to purchase. For any deletions, CPA's Procurement Section will provide a revised PO to Successful Respondent and a letter indicating the effective date of the deletion, the amount of the reduction or refund (if any), and the equipment serial number, if applicable.

I. Respondent Documents.

- a) All Respondent documents that are related to the Services, this PR, Respondent's Offer, or the Contract, including, but not limited to, boilerplate service agreements, service schedules, published specifications, license agreements, etc., are collectively referred to in this PR as "Respondent Documents." CPA reserves the right, in its sole discretion, to amend Respondent Documents to conform to this PR and Texas law and provide them to Respondents for approval and signature prior to CPA's issuance of any PO. Respondent Documents that are (1) submitted as part of the Offer and (2) amended to conform to this PR and Contract, through mutual, written agreement of Successful Respondent and CPA, in the described manner will be incorporated as part of the Contract.

The acceptance of funds by the Successful Respondent or any other entity or person directly under the contract or indirectly through a subcontract under the contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, the Successful Respondent or other entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. SUCCESSFUL RESPONDENT AND CPA AGREE TO FURNISH TIMELY WRITTEN NOTICE TO EACH OTHER OF ANY SUCH CLAIM.

26. 27. TERMINATION BY MUTUAL AGREEMENT: Upon the mutual written agreement of CPA and Successful Respondent, the Contract may be terminated or cancelled.

28. TERMINATION FOR CONVENIENCE: CPA may terminate the Contract for convenience upon thirty (30) calendar days written notice. There is no buy out or other amounts due if CPA terminates early. Upon termination under this provision, Successful Respondent shall refund to CPA any amounts attributable to the terminated months within thirty (30) days of the termination.

29. EXCESS OBLIGATIONS PROHIBITED: The Contract is subject to termination or cancellation, without penalty to CPA, either in whole or in part, subject to the availability of state funds. CPA is a state agency whose authority and appropriations are subject to actions of the Texas Legislature. If CPA becomes subject to a legislative change, revocation of statutory authority, or lack of appropriated funds which would render CPA's or Successful Respondent's delivery or performance under the Contract impossible or unnecessary, the Contract will be terminated or cancelled and be deemed null and void. In the event of a termination or cancellation under this Section, CPA will not be liable to Successful Respondent for any damages that are caused or associated with such termination or cancellation, and CPA will not be required to give prior notice.

30. SUCCESSFUL RESPONDENT'S NONPERFORMANCE: If Successful Respondent fails to comply with any requirement of the Contract, including, but not limited to, those included in this PR, CPA may immediately terminate or cancel all or any part of the Contract, may obtain substitute requested items, may withhold acceptance and payments to Successful Respondent, may revoke any prior acceptance, may require Successful Respondent to refund amounts paid prior to revocation of acceptance and may pursue all rights and remedies against Successful Respondent under the Contract and any applicable law. In addition, CPA will report defaulting Successful Respondent to the Statewide Procurement Division for its possible action against defaulting Successful Respondent.

31. TERMINATION RIGHTS & REMEDIES: CPA reserves the right to recover reasonable costs, fees, expenses, and other amounts or damages available to CPA under the Contract or under applicable law, including, but not limited to, attorneys' fees and court costs, if termination or cancellation is at Successful Respondent's request or if termination or cancellation is for cause. This right is in addition to any other remedies available to CPA under the Contract or under applicable law. CPA reserves the right to pursue any and all applicable rights and remedies if the Contract is terminated for any reason and CPA expressly waives no such rights or remedies.

32. REPRESENTATIONS AND WARRANTIES RELATED TO SOFTWARE: If any software is provided under the Contract, Successful Respondent represents and warrants each of the following:

- Successful Respondent has sufficient right, title, and interest in the software to grant the license required by the Contract;
- if Successful Respondent is a software publisher, Successful Respondent has implemented processes for the protection, detection, remediation, mitigation and timely customer notification of software vulnerabilities associated with its software;
- the software does not infringe upon or constitute a misuse or misappropriation of any patent, trademark, copyright, trade secret or other proprietary right;
- the software and any Software Update, Software Enhancement/Release, Software Patch/Fix, and Software Upgrade does not contain viruses, malware, spyware, key logger, back door or other covert communications, or any computer code intentionally designed to disrupt, disable, harm, or otherwise impede in any manner, including aesthetical disruptions or distortions, the operation of the computer program, or any other associated software, firmware, hardware, or computer system, (including local area or wide-area networks), in a manner not intended by its creator(s); and
- the software does not contain any computer code that would disable the software or impair in any way its operation based on the elapsing of a period of time, exceeding an authorized number of copies, advancement to a particular date or other numeral, or other similar self-destruct mechanisms (sometimes referred to as "time bombs", "time locks", or "drop dead devices") or that would permit Successful Respondent to access the software to cause such disablement or impairment (sometimes referred to as a "trap door" or "back door").

33. TECHNOLOGY ACCESS CLAUSE: Respondent expressly acknowledges that state funds may not be expended in connection with the purchase of an automated information system unless that system meets certain statutory requirements relating to accessibility by persons with visual impairments. Accordingly, the Respondent represents and warrants to CPA that the technology provided to CPA for purchase is capable, either by virtue of features included within the technology or because it is readily adaptable by use with other technology, of:

- providing equivalent access for effective use by both visual and non-visual means;
- presenting information, including prompts used for interactive communications, in formats intended for non-visual use; and
- being integrated into networks for obtaining, retrieving, and disseminating information used by individuals who are not blind or visually impaired.

For purposes of this Part 33, the phrase "equivalent access" means a substantially similar ability to communicate with or make use of the technology, either directly by features incorporated within the technology or by other reasonable means such as assistive devices or services which would constitute reasonable accommodations under the Americans With Disabilities Act or similar state or federal laws. Examples of methods by which equivalent access may be provided include, but are not limited to, keyboard alternatives to mouse commands and other means of navigating graphical displays, and customizable display appearance.

In accordance with Section 2157.005 of the Texas Government Code, the Technology Access Clause contract provision remains in effect for any contract entered into before September 1, 2006.

34. INTERNAL REVENUE SERVICE DATA – Reference Exhibit 7 (Contract Language for General Services) of IRS Publication No. 1075 posted 12-22-2016: In performance of the Contract, the Successful Respondent agrees to comply with and assume responsibility for compliance by its employees with the following requirements:

- (1) All work will be performed under the supervision of Successful Respondent or Successful Respondent's responsible employees.
- (2) Successful Respondent and Successful Respondent's employees with access to or who use FTI (Federal Tax Information) must meet the background check requirements defined in IRS Publication 1075.
- (3) Any Federal tax returns or return information (hereafter referred to as returns or return information) made available shall be used only for the purpose of carrying out the provisions of the contract. Information contained in such material shall be treated as confidential and shall not be divulged or made known in any manner to any person except as may be necessary in the performance of the contract. Inspection by or disclosure to anyone other than an officer or employee of Successful Respondent is prohibited.
- (4) All returns and return information will be accounted for upon receipt and properly stored before, during, and after processing. In addition, all related output and products will be given the same level of protection as required for the source material.
- (5) No work involving returns and return information furnished under the contract will be subcontracted without prior written approval of the IRS.
- (6) Successful Respondent will maintain a list of employees authorized access. Such list will be provided to CPA and, upon request, to the IRS reviewing office.
- (7) CPA will have the right to void the contract if Successful Respondent fails to provide the safeguards described above.

Each officer or employee of any person to whom returns or return information is or may be disclosed shall be notified in writing by such person that returns or return information disclosed to such officer or employee can be used only for a purpose and to the extent authorized herein, and that further disclosure of any such returns or return information for a purpose or to an extent unauthorized herein constitutes a felony punishable upon conviction by a fine of as much as \$5,000 or imprisonment for as long as five years, or both, together with the costs of prosecution. Such person shall also notify each such officer and employee that any such unauthorized future disclosure of returns or return information may also result in an award of civil

damages against the officer or employee in an amount not less than \$1,000 with respect to each instance of unauthorized disclosure. These penalties are prescribed by IRC Sections 7213 and 7431 and set forth at 26 CFR 301.6103(n)-1. Each officer or employee of any person to whom returns or return information is or may be disclosed shall be notified in writing by such person that any return or return information made available in any format shall be used only for the purpose of carrying out the provisions of the contract. Information contained in such material shall be treated as confidential and shall not be divulged or made known in any manner to any person except as may be necessary in the performance of the contract. Inspection by or disclosure to anyone without an official need to know constitutes a criminal misdemeanor punishable upon conviction by a fine of as much as \$1,000.00 or imprisonment for as long as 1 year, or both, together with the costs of prosecution. Such person shall also notify each such officer and employee that any such unauthorized inspection or disclosure of returns or return information may also result in an award of civil damages against the officer or employee in an amount equal to the sum of the greater of \$1,000.00 for each act of unauthorized inspection or disclosure with respect to which such defendant is found liable or the sum of the actual damages sustained by the plaintiff as a result of such unauthorized inspection or disclosure plus in the case of a willful inspection or disclosure which is the result of gross negligence, punitive damages, plus the costs of the action. The penalties are prescribed by IRCs 7213A and 7431 and set forth at 26 CFR 301.6103(n)-1. Additionally, it is incumbent upon Successful Respondent to inform its officers and employees of the penalties for improper disclosure imposed by the Privacy Act of 1974, 5 U.S.C. 552a. Specifically, 5 U.S.C. 552a(i)(1), which is made applicable to contractors by 5 U.S.C. 552a(m)(1), provides that any officer or employee of a contractor, who by virtue of his/her employment or official position, has possession of or access to agency records which contain individually identifiable information, the disclosure of which is prohibited by the Privacy Act or regulations established thereunder, and who knowing that disclosure of the specific material is so prohibited, willfully discloses the material in any manner to any person or agency not entitled to receive it, shall be guilty of a misdemeanor and fined not more than \$5,000. Granting Successful Respondent access to FTI must be preceded by certifying that each individual understands CPA's security policy and procedures for safeguarding IRS information. Successful Respondent must maintain its authorization to access FTI through annual recertification. The initial certification and recertification must be documented and placed in CPA's files for review. As part of the certification and at least annually afterwards, Successful Respondent must be advised of the provisions of IRC Sections 7431, 7213, and 7213A (see Exhibit 4, *Sanctions for Unauthorized Disclosure*, and Exhibit 5, *Civil Damages for Unauthorized Disclosure*, of Publication 1075). The training provided before the initial certification and annually thereafter must also cover the incident response policy and procedure for reporting unauthorized disclosures and data breaches. (See Section 10 of Publication 1075) For both the initial certification and the annual certification, Successful Respondent must sign, either with ink or electronic signature, a confidentiality statement certifying their understanding of the security requirements.

The IRS and CPA with 24 hour notice shall have the right to send its inspectors into the offices and plants of Successful Respondent to inspect facilities and operations performing any work with FTI under the contract for compliance with requirements defined in IRS Publication 1075. The IRS' right of inspection shall include the use of manual and/or automated scanning tools to perform compliance and vulnerability assessments of information technology (IT) assets that access, store, process or transmit FTI. On the basis of such inspection, corrective actions may be required in cases where Successful Respondent is found to be noncompliant with contract safeguards.

35. INFORMATION SECURITY REQUIREMENTS: Successful Respondent shall comply with all applicable state and federal laws and regulations regarding confidentiality, privacy, and security pertaining to confidential CPA information. If communications with Successful Respondent necessitate the release of confidential CPA information, each individual who will require access to or may be exposed to that information must sign the CPA Confidential Treatment of Information Acknowledgement (CTIA) form. See Section V for the CTIA.

36. ELECTRONIC AND INFORMATION RESOURCES ACCESSIBILITY STANDARDS, 1 TAC §213.17: Respondent represents and warrants that any electronic and information resources products developed, procured, maintained, or used by CPA directly or used by the Respondent under the Contract which requires the use of such product, or requires the use, to a significant extent, of such product in the performance of a service or the furnishing of a product complies with the applicable State of Texas Accessibility requirements for Electronic and Information Resources specified in the Department of Information Resources' rules at 1 Texas Administrative Code Chapter 213.

37. SECURITY INCIDENT NOTIFICATION: Successful Respondent shall have policies and procedures for the effective management of Security Incidents which shall be made available to CPA upon written request. Within twenty-four (24) hours of Successful Respondent's discovery or reasonable belief that there has been an event which results in the accidental or deliberate unauthorized access, loss, disclosure, modification, disruption, or destruction of confidential CPA information ("Security Incident"), Successful Respondent shall provide notice to CPA by calling (800) 531-5441 EXT 34357. Until the investigation is complete, Successful Respondent shall submit on a daily basis, or as otherwise agreed by CPA, a written report via encrypted email to security.alerts@cpa.texas.gov which includes, at a minimum, the following:

- Date and time incident occurred,
- Date and time incident detected,
- Date and time incident contained,
- Address where incident occurred,
- Name of person(s) that discovered incident,
- Description of how Successful Respondent discovered incident,
- Type of CPA information involved,
- Description of the nature of the incident,
- Description of the steps Successful Respondent has taken or will take to investigate incident,
- Description of the steps Successful Respondent has taken or will take to mitigate any negative impacts of incident,
- Information technology involved (e.g., laptop, server, mainframe),
- Description of steps taken to preserve computer evidence and maintain chain of custody, and
- Description of corrective action Successful Respondent has taken or will take to prevent future incidents.

Successful Respondent shall coordinate all media or other breach notifications with CPA in advance of such notification(s), unless expressly prohibited by law. Subject to review and approval of CPA, Successful Respondent shall provide notice at its own cost that satisfies the requirements of applicable law to individuals whose information was compromised or likely compromised as a result of the Security Incident. If CPA, in its sole discretion, elects to send its own separate notice, then all costs associated with preparing and providing the notice shall be reimbursed to CPA by Successful Respondent. If Successful Respondent does not reimburse such costs within thirty (30) days of CPA's written request, then CPA shall have the right to collect such costs. CPA reserves the right to conduct an independent investigation of any Security Incident, and should CPA choose to do so, Successful Respondent shall cooperate fully with CPA and assume responsibility at its own expense for making personnel, resources, and systems access available to CPA

and CPA's authorized representative(s).

38. LEGAL AND REGULATORY ACTIONS: Respondent represents and warrants that it is not aware of and has received no notice of any court or governmental agency actions, proceedings or investigations, etc., pending or threatened against Respondent or any of the individuals or entities included in the Offer within the five (5) calendar years immediately preceding the submission of Respondent's Offer in response to this PR that would or could impair Respondent's performance under the Contract, relate to the solicited or similar goods or services, or otherwise be relevant to CPA's consideration of Respondent's Offer. If Respondent is unable to make the preceding representation and warranty, then Respondent instead represents and warrants that it has included as a detailed attachment in its Offer a complete disclosure of any such court or governmental agency actions, proceedings or investigations, etc. that would or could impair Respondent's performance under the Contract, relate to the solicited or similar goods or services, or otherwise be relevant to CPA's consideration of Respondent's Offer. In addition, Respondent represents and warrants that it shall notify CPA in writing within five (5) business days of any changes to the representations or warranties in this clause and understands that failure to so timely update CPA shall constitute breach of contract and may result in immediate termination of the Contract.

39. NO FELONY CONVICTION CERTIFICATION: Respondent represents that neither Respondent or any of its employees, agents, or representatives, including any subcontractors and employees, agents, or representative of such subcontractors, proposed in the Offer has been convicted of a felony criminal offense, or that if such a conviction has occurred Respondent has fully advised CPA of the facts and circumstances in its Offer.

40. CRIMINAL BACKGROUND INVESTIGATION:

(1) Criminal Background Investigation by Successful Respondent. Prior to an Assigned Personnel commencing Services under the Contract, Successful Respondent shall conduct a criminal background investigation and provide written notice via email to CPA's Criminal Investigation Division of any Assigned Personnel that have any felony criminal conviction(s). If any information for the Assigned Personnel changes during the contract term, Successful Respondent shall provide written notice via email to CPA's Criminal Investigation Division no later than three (3) business days after Successful Respondent's discovery of such changed information that relates to felony criminal conviction(s). Written notice to CPA's Criminal Investigation Division shall be submitted to cid.analysts@cpa.texas.gov.

Successful Respondent's exercise of due diligence in conducting the criminal background investigation shall include, at a minimum, the following: (1) compliance with Successful Respondent's published policies and procedures for background and criminal conviction checks and (2) a comprehensive search of the public information portion of Texas Department of Public Safety criminal conviction database located at: <https://records.txdps.state.tx.us/dpswebsite/>. If Successful Respondent asserts that a search of the Texas Department of Public Safety criminal conviction database is not appropriate for a particular Assigned Personnel, Successful Respondent must provide written notice via email to CPA's Criminal Investigation Division that explains the proposed alternate approach for conducting the criminal background investigation.

For purposes of this clause, "Assigned Personnel" includes, without limitation, all individuals provided by Successful Respondent under the Contract who will or may (1) be assigned as lead or key personnel, (2) provide Services on-site at CPA's premises, or (3) access CPA information resources i.e., the procedures, equipment, and software that are employed, designed, built, operated, and maintained to collect, record, process, store, retrieve, display, and transmit information, and associated personnel including consultants and contractors. At CPA's written request, Successful Respondent shall replace Assigned Personnel that has any felony criminal conviction(s).

Within five (5) business days of receipt of a written request by CPA's Criminal Investigation Division during the contract term, Successful Respondent shall provide written notice to CPA's Criminal Investigation Division of any Assigned Personnel that have any felony criminal conviction(s).

(2) Criminal Background Investigation by CPA. At CPA's discretion, CPA may conduct a criminal background investigation on Successful Respondent's Assigned Personnel. Should any Assigned Personnel not be acceptable to CPA due to a finding of felony criminal conviction(s) as a result of the criminal background investigation, Successful Respondent shall replace such Assigned Personnel upon CPA's written request or CPA may terminate the Contract.

(3) Remedies. If CPA becomes aware that Successful Respondent provided false information, Successful Respondent fails to promptly notify CPA of changed information that related to felony criminal convictions, or Successful Respondents fails to replace Assigned Personnel as required by this Section, Successful Respondent shall be in breach of contract and CPA shall have the option to terminate the contract without further obligation to Successful Respondent as well as pursue all other remedies and rights available to CPA under contract, at law, or in equity.

41. WARRANTY OF PERFORMANCE: Successful Respondent represents and warrants that its performance under the Contract shall be conducted conscientiously in a professional and workmanlike manner to the full extent of Successful Respondent's talents and capabilities with due diligence, and in full compliance with the highest professional standards of practice in the industry applicable to the services performed.

42. PROPERTY RIGHTS: For purposes of this PR, the term "Work" is defined as all work papers, work products, materials, approaches, designs, specifications, systems, software, programs, source code, documentation methodologies, concepts, intellectual property or other property developed, produced or generated in connection with the services provided under the Contract. CPA and Successful Respondent intend the Contract to be a contract for the services and each considers the Work and any and all documentation or other products and results of the services to be rendered by Successful Respondent to be a work made for hire. Successful Respondent and Successful Respondent's employees will have no rights in or ownership of the Work and any and all documentation or other products and results of the services or any other property of CPA. In submitting an Offer in response to this PR, Successful Respondent acknowledges and agrees that the Work (and all rights therein) belongs to and shall be the sole and exclusive property of CPA.

If for any reason the Work would not be considered a work-for-hire under applicable law, Successful Respondent does hereby sell, assign, and transfer to CPA, its successors and assigns, the entire right, title and interest in and to the copyright in the Work and any registrations and copyright applications relating thereto and any renewals and extensions thereof, and in and to all works based upon, derived from, or incorporating the Work, and in and to all income, royalties, damages, claims and payments now or hereafter due or payable with respect thereto, and in and to all causes of action, either in law or in equity for past, present, or future infringement based on the copyrights, and in and to all rights corresponding to the foregoing. Successful

Respondent agrees to execute all papers and to perform such other property rights, as CPA may deem necessary to secure for CPA or its designee the rights herein assigned.

In the event that Successful Respondent has any rights in and to the Work that cannot be assigned to CPA, Successful Respondent hereby grants to CPA an exclusive, worldwide, royalty-free, irrevocable, and perpetual license to directly and indirectly reproduce, distribute, modify, create derivative works of, publicly perform and publicly display, such rights to make, have made, use, sell and offer for sale any products developed by practicing such rights, and to otherwise use such rights, with the right to sublicense such rights through multiple levels of sublicenses.

No later than the first calendar day after the termination or expiration of the Contract or upon CPA's request, Successful Respondent shall deliver to CPA all completed, or partially completed, Work and any and all documentation or other products and results of the services. Failure to timely deliver such Work or any and all documentation or other products and results of the services will be considered a material breach of the agreement. Successful Respondent will not make or retain any copies of the Work or any and all documentation or other products and results of the services without the prior written consent of CPA.

43. NO CPA INDEMNIFICATION: Any requirement that CPA defend, indemnify, or hold harmless the Successful Respondent or other entity is hereby deleted from the Offer and Respondent Documents.

44. PRE-CONTRACT COSTS: Respondent is responsible for all expenses related to the preparation and submission of an Offer. CPA shall pay no costs or other amounts incurred by any entity in responding to this PR or incurred prior to the effective date of the Contract.

45. ORIGINAL OFFER: In the event there are inconsistencies between any paper and electronic versions of the Offer, CPA will rely on the original submitted Offer signed by Respondent.

46. SURVIVAL OF TERMS: Termination of the Contract for any reason shall not release Successful Respondent from liability or obligation set forth in the Contract that is expressly stated to survive any such termination or by its nature would be intended to be applicable following any such termination, including the provisions regarding confidentiality, indemnification, transition, records, audit, property rights, dispute resolution, invoice, and fees verification.

47. INCORPORATION OF ENTIRE PR: Except as otherwise provided in the negotiated terms and conditions, if any, that are expressly identified as such in the Contract, this entire PR applies to and becomes part of the Contract.

48. INCORPORATION OF DIR CONTRACT: The terms and conditions of Successful Respondent's DIR contract will apply. Any additional terms and conditions, including the terms and conditions of this PR, may be included so long as they do not weaken or conflict with Successful Respondent's DIR Contract.

49. CONTRACT BETWEEN CPA & SUCCESSFUL RESPONDENT: The entire Contract between CPA and Successful Respondent shall consist of the following documents: (1) The PO and PO Change Notices, if any; (2) the formal signed agreement, if any; (3) this PR; (4) Successful Respondent's Offer; and (5) Successful Respondent's DIR contract. Except as otherwise provided in the negotiated terms and conditions, if any, that are expressly identified as such in the formal signed agreement or PO resulting from this PR, in the event of conflicting terms or provisions, the order of priority of the documents comprising the Contract is: 1) the PO and the PO Change Notices, if any; (2) Successful Respondent's DIR contract; (3) the formal, signed agreement, if any; (4) this PR; and (5) the Offer.

50. ATTACHMENTS: CPA will not consider any terms and conditions or other documents attached to an Offer as part of the Offer unless the Respondent specifically and prominently refers to each of them in its Offer. CPA reserves the right, in its sole discretion, to reject any Respondent terms and conditions or other documents or attachments as part of Respondent's Offer.

**SECTION IV
NONDISCLOSURE AGREEMENT**

This attachment is prepared exclusively for PR# 304-22-1413PC (“solicitation”).

In consideration of Texas Comptroller of Public Accounts (“CPA”) communicating with the undersigned Respondent regarding a potential contract resulting from the referenced solicitation and because of the sensitivity of certain information provided to Respondent, both parties agree that all information regarding CPA or gathered, produced, collected or derived from or related to the potential contract, or provided to Respondent under a resulting contract (“Confidential Information”) must remain confidential subject to release only upon prior written approval of CPA, and more specifically agree as follows:

1. The Confidential Information may be used by Respondent only to assist Respondent in connection with the business relationship contemplated in the solicitation or performance of a contract with CPA resulting from the solicitation.
2. Respondent shall not, at any time, use the Confidential Information in any fashion, form, or manner except in its capacity as proposed consultant or independent contractor to CPA.
3. Unless otherwise provided in the solicitation or resulting contract, Respondent agrees to maintain the confidentiality of all Confidential Information in the same manner that it protects the confidentiality of its own materials of like kind, but in no event less than reasonable care. Respondent shall take reasonable precautions to protect the Confidential Information including, but not limited to, not disclosing Confidential Information in any manner to any person, firm, or entity, except for authorized employees, agents, or contractors of Respondent with a need to know who are bound by confidentiality obligations at least as stringent as those contained in this agreement prior to any disclosure of such Confidential Information.
4. The Confidential Information may not be copied, reproduced, disclosed, distributed, or otherwise divulged without CPA's prior written approval. Confidential Information and any copies thereof shall be CPA’s exclusive property.
5. All Confidential Information made available to Respondent, including copies thereof, must be returned to CPA upon the first to occur of (a) expiration or termination of any contract resulting from the solicitation, or (b) request by CPA.
6. The foregoing does not prohibit or limit Respondent’s use of the information (including, but not limited to, ideas, concepts, know-how, techniques and methodologies) (a) previously known to it, provided such prior knowledge was not subject to a confidentiality obligation, (b) independently developed by it, (c) acquired by it from a third- party under no obligation of confidentiality to CPA, (d) which is or becomes part of the public domain through no breach by Respondent of this nondisclosure agreement or other contractual obligations to CPA, or (e) approved by CPA in writing for unrestricted disclosure.
7. If Respondent is required by applicable law, regulation, or legal process to disclose any Confidential Information, then Respondent shall provide CPA with prompt notice of any such requirement prior to delivery of the Confidential Information to allow CPA a reasonable opportunity to seek a protective order or equivalent.
8. This nondisclosure agreement shall become effective as of the date Confidential Information is first made available to Respondent and shall survive the expiration or termination of any contract resulting from the solicitation and be a continuing requirement.
9. The breach of this nondisclosure agreement by Respondent shall entitle CPA to immediately terminate any contract with Respondent resulting from the solicitation upon written notice to Respondent for such breach. The parties acknowledge that the measure of damages in the event of a breach of this nondisclosure agreement may be difficult or impossible to calculate, depending on the nature of the breach. Regardless of whether CPA elects to terminate any contract with Respondent resulting from the solicitation upon the breach hereof, CPA may require Respondent to pay to CPA the sum of \$5,000 for each breach as liquidated damages. This amount is not intended to be in the nature of a penalty, but is intended to be a reasonable estimate of the amount of damages to CPA in the event of a breach hereof by Respondent of this nondisclosure agreement. CPA does not waive any right to seek additional relief, either equitable or otherwise, concerning any breach of this nondisclosure agreement.
10. This nondisclosure agreement is governed by and construed under the laws of the State of Texas. Any and all obligations of this agreement are due in Travis County, Texas and venue is proper in only such county.

SECTION VI
CONFLICT OF INTEREST/DISCLOSURE STATEMENT

- A. Disclosures. Provide the requested information in the space provided; indicate “N/A” as appropriate.
1. Respondent must disclose any proposed personnel who are current or recent former employees of CPA or the State of Texas.

 2. Respondent must disclose the following:
 - a. any existing or potential conflicts of interest or possible issues that might create appearances of impropriety relative to Respondent’s and its proposed subcontractors’ submission of an Offer, possible selection as Successful Respondent, or its performance of the contract.

 - b. all past and present contractual, business, financial or personal relationships between Respondent and CPA and between Respondent’s proposed subcontractors, if any, and CPA.

For each item, Respondent must also provide a detailed explanation of why Respondent does or does not believe such item poses a conflict of interest, potential conflict of interest, or appearance of impropriety issue relative to Respondent’s submission of an Offer, possible selection as the Successful Respondent, or its performance of the contract.

- B. Defined Terms. For purposes of the disclosure statements required by this solicitation, the terms below are defined as follows:
- “past” is defined as within the two (2) calendar years prior to the deadline for submission of offers in response to this solicitation.
 - “CPA” is defined as the statewide elected official who heads the agency as well as the agency’s employees or recent former employees.
 - “recent former employees” are defined as those CPA employees who have terminated agency employment within the two (2) calendar years prior to the deadline for submission of offers in response to this solicitation.
 - “personal relationship” is defined as a current or past connection other than a clearly contractual, business, financial or similar relationship and includes family relationships or other connections outside simply providing a response to this solicitation. For this purpose, “family relationship” means a relationship within the third degree of consanguinity or second degree of affinity; see Chapter 573 of the Texas Government Code, which defines these degrees of consanguinity and affinity. Connections other than such family relationships fall within this definition and must be disclosed if:
 - (a) a reasonable person could expect the connection to diminish Respondent’s independence of judgment or effectiveness in the performance of the Respondent’s responsibilities to CPA or the State under the contract;
 - (b) a reasonable person could expect the connection, within the overall context of Respondent’s submission of an Offer, possible selection as Successful Respondent or its performance of the contract, to create an issue for the agency’s consideration relative to a potential appearance of impropriety or conflict of interest; or
 - (c) the relationship is with a CPA or other State of Texas employee with authority to make decisions or recommendations on state contracting or procurement or this solicitation. For purposes of this provision, those persons with authority to make decisions or recommendations are those persons who fall within the definition of “purchasing personnel” in Section 2262.004(a)(2) of the Texas Government Code.
- C. Continuing Duty to Disclose. If circumstances change or additional information is obtained subsequent to submission of the Offer, Successful Respondent’s duty to disclose under these provisions continues under the term of the contract and does not end with submission of an Offer or receipt of contract award.
- D. Disclosures under these provisions are information that will be evaluated by CPA; however, all information provided will not necessarily lead to a restriction or disqualification. Issues will be considered on a case by case basis in the best interests of the State of Texas. If Respondent is in doubt about whether information should be disclosed, Respondent should consult with its legal counsel. Failure to disclose any required information under these provisions may be cause for offer disqualification or termination of the contract resulting from this solicitation. CPA reserves the right, in its sole discretion, to determine if an issue should result in offer disqualification or termination of the contract.
