Introduction

About this tool
The Introductory text tells you all about the tool and its capabilities.

A little help here!
If you get lost, or just need a little help navigating, select the On-Screen Help button to see some pointers.

Clear the slate!
If you wish to clear all your selections, press the Clear button. This is recommended if you have completed one comparison and wish to start another.

Keeping track
The **Current Selections** box keeps track of all the selections you make when you choose which counties, fees, etc. you wish to explore. You can click the small eraser icons to remove unwanted selections.

Explore Sheriffs and Constables Fees
Every year the Texas Comptroller's office compiles a report that lists fees charged by sheriffs' and constables' offices in the state of Texas for services they provide. The law requires each county commissioners court to annually notify the Comptroller of any changes to these fees. This data is published each year by the Comptroller's office in the Sheriffs' and Constables' Fees report. This application allows you to explore the various fees, compare fees between counties, and view fee trends over time.

Follow the steps below to begin exploring.

Field	Value
Sheriff_County_Year	2018
Sheriff_County	ANDERSON
Sheriff_Fee_Type	Writ & Order of Sale

Introduction

About this tool - The Introductory text tells you all about the tool and its capabilities.

Clear the slate! - If you wish to clear all your selections, press the Clear button. This is recommended if you have completed one comparison and wish to start another.

Keeping track - The **Current Selections** box keeps track of all selections you make when you choose which counties, fees, etc. you wish to explore. You can click the small eraser icons to remove unwanted selections.

A little help here! - If you get lost, or just need a little help navigating, select the On-Screen Help button to see some pointers.

Note: When you first open the S&C tool, the default selections are 2018, Anderson County, and Writ & Order of Sale.

4 See the results of your selections. Hover your mouse over the individual bars to see data details. You can click and drag a box around a group of bars to zoom in.

SHERIFFS' and CONSTABLES' FEES

Add another county.

Let's select Williamson County from the list.

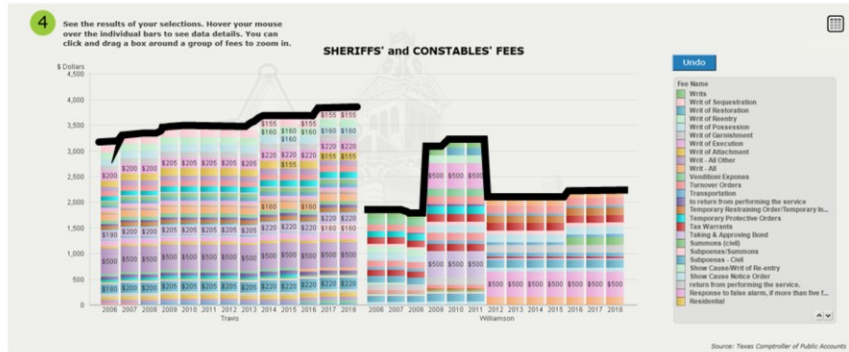

Now let's scroll back to the visualization area to compare the two selected counties.

Explore Multiple Counties

Compare trend lines.

Wow. These counties have two very different trends in their fee structure!

While Travis county fees exhibit a gradual upward trend, the Williamson County fees show a dramatic spike upward in 2009, followed by a dramatic spike downward in 2012.

Compare trend lines.

Wow. These counties have two very different trends in their fee structure!

While Travis county fees exhibit a gradual upward trend, the Williamson County fees show a dramatic spike upward in 2009, followed by a dramatic spike downward in 2012.

Explore Economic Regions

**Note: You may choose an economic region by clicking the map or selecting from the Economic Regions list.*

See all the counties in your region.

The regional map enables you to select all the counties in your region with just one click.

We'll click the Clear button and begin a new data exploration based on a specific economic region.

1 Select a year or years from the list.

Year

- 2006 2014
- 2007 2015
- 2008 2016
- 2009 2017
- 2010 2018
- 2011
- 2012
- 2013

3 Select a county or counties from the list. Select a Fee Type if you wish to explore by these broader categories. Fees specific to the county and fee type you select will appear in the chart and tables below.

County
